Report

1. At a previous meeting, Conservators have requested that an annual reported be prepared on an annual basis.
2. Such a report would provide an overview of site management works undertaken during the course of the year; highlight the level of voluntary activity as well as the numbers of events, walks and a summary of any surveys undertaken.
3. No report was prepared in 2012, due to the activity to review and re-fresh the Mousehold plan. However, a report for 2012-13 has been prepared.
4. Conservators agreed that this be presented to Conservators at the June meeting annual, as it would coincide with the financial out turn report.
5. Officers have drafted the annual report for 2012-13 which is attached in appendix 1.
6. Conservators are requested to comment on the content of the report, how they might wish it to be used to promote Mousehold heath, the work of the Conservators and the City Council and if in future years if other information might be incorporated.
