

Report to	Sustainable development panel 25 July 2012	Item
Report of	Deputy chief executive (Operations)	5
Subject	Joint Core Strategy for Broadland, Norwich and South Norfolk – Outcome of sustainability appraisal and next steps	

Purpose

To consider the results of the sustainability appraisal (SA) of those parts of the adopted Joint Core Strategy (JCS) identified in the schedule attached to the high court order published on 25 April 2012 and remitted for further consideration. Following consideration of the results of the SA to recommend cabinet and council endorse the contents of the relevant parts of the JCS and supporting submission documents which are to be published for further consultation.

Recommendation

Consider the report to council “Joint Core Strategy for Broadland, Norwich and South Norfolk – Outcome of sustainability appraisal and next steps” and make a recommendation to Cabinet as to whether or not to endorse the recommendations of the Council report.

Corporate and service priorities

The report helps to meet the corporate priority “A prosperous city and decent housing for all.”
