

## Norwich Cabinet 6 March 2024

### Agenda Item 7: Adoption of the Greater Norwich Local Plan – Information on additional modifications and cabinet report corrections

1. Additional (minor) modifications can be made to a local plan any time up to its adoption. The following additional modifications have been made to the online GNLP since publication of the Cabinet papers:

- Paragraph 23 of the GNLP Strategy ([J2.1](#)) has been amended to reflect the information on the completion of the Diss and area plan referenced in the table in appendix 3 of the GNLP Strategy, so that paragraph 23 now reads (revised text in italics):

..... and the Diss, Scole and Burston area, for which a Neighbourhood Plan *has been produced which allocates sites.*

- To reflect the text in paragraph 23, the fourth bullet point in appendix 3 of the GNLP Strategy ([J2.1](#)) and the same text in the introductions to the Policies Map booklets ([J3.1](#), [J3.2](#) and [J3.3](#)) have been changed so that they now read (new text in italics):

“South Norfolk Local Plan Site-Specific Allocations and Policies Document (2015) *except for the smaller villages in South Norfolk that will be addressed through a new South Norfolk Village Clusters Housing Allocations Local Plan*”.

2. Two corrections are required to the cabinet report which are already included in the full council report:
  - The GNLP housing figure in paragraph 18 on page 105 of the cabinet papers should be 45,050 new homes (not 45,500).
  - Paragraph 20 on page 106 should state that the GNLP provides the great majority of employment land on strategic scale sites (not all 360 hectares).
