9 Motion - Alternative Queen's speech

Proposed by Councillor Waters and seconded by Councillor Stonard

Following the General Election and a minority Conservative government likely to continue, the present local government agenda and austerity associated since 2010 may persist. Continued cuts to Norwich City Council will threaten valued services and the ability of the city to meet the significant challenges it faces. Weakness in a national government will make strong local leadership ever more important in meeting the challenges we face over the next few years.

Council **RESOLVES** to:

Ask the Leader, in anticipation of the Queen's Speech, to write to the Secretary of State for Local Government requesting a fundamental reversal in current government policy affecting local government and the inclusion of new measures which will secure the sustainable funding of Norwich City Council.
