Good Afternoon Licensing

I can confirm that Police have received a copy of the application for a new premises licence for Erpingham House, 22 Tombland Norwich

This licence is a like for like to replace the licence that recently lapsed.

In order to promote the licensing objectives, I request that an additional condition is added to the premises licence:

- **With the exception of the use of any outside table and chair area, patrons will be discouraged from taking open vessels of alcohol off the premises.**

With this condition added to the premises licence, there will be no objections.

The email below is from the applicant agreeing to this, therefore no outstanding objections from us

Good Evening Louie

I have received a copy of the new application for licence and thank you for putting lots of details within the operating schedule of the application.

I wondered if you wouldn't mind agreeing to one additional condition on the licence:

- With the exception of the use of any outside table and chair area, patrons will be discouraged from taking open vessels of alcohol off the premises.

Please let me know your thoughts, this will help reduce the risk of patrons drinking in the city centre

I look forward to hearing from you

Kind regards

Licensing objective	Please set out your support or objections below
To prevent crime and disorder	When there were more live music venues and clubs in the Tombland area 5 years ago, Tombland Alley by our house was frequently used for drug dealing, drug taking, defecation, urination and anti social behaviour. This has considerably improved over the past five years since places like Erpingham House became restaurants or bars only - although this weekend we have had to report human faeces just outside our kitchen window, the second time this year. We do not wish to return to how it was five years ago.
Public safety	
To prevent public nuisance	On the grounds of noise leaking from the building if there is amplified or live music which will cause a nuisance to residents in the area. Erpingham House is not suitable for live music or amplified music as it was originally a Georgian era residential building and then offices, now a restaurant. It does not have sufficient soundproofing or airconditioning to be a nightclub or music venue. When previous occupants of the restaurant and adjacent similar buildings had live or amplified music, we were kept awake at night and frequently had to complain to the staff or to the council. There is no undertaking in the licensing application to keep the windows closed or to have noise limiters.
To protect children from harm	

Please suggest any conditions which would alleviate your concerns

Previous license for the premises had an undertaking to keep the windows closed and to have noise limiters when amplified or live music was played - these conditions should be reinstated.
No amplified or live music after 11pm on Sunday to Thursday night.

Subject: Erpingham House license objection

Hi,

I'd like to object to the extension of hours at Erpingham House until 2am, and the playing of live music until this time, on the following grounds:

Prevention of public nuisance

People leaving the venue at 2am will cause a noise nuisance in the surrounding area, which includes several residential areas amongst the shops and other businesses. The venue backs on to the Cathedral Close, where some elderly residents live, and is in close proximity to other areas which have experienced anti-social behavior due to the late night economy. Adding a further late venue on the edge of this area will increase footfall and is inappropriate.

Additionally, the late-night music has the potential to cause noise nuisance if not properly controlled. A level of live music noise that would be acceptable at 9pm as part of the normal running of a restaurant would cause a significantly higher impact on the wellbeing of nearby residents in the early hours of the morning. As the doors open and close to the venue, this noise will unavoidably creep out into the surrounding area. Residents here live a reasonable distance from the acknowledged late night economy area and late night music will be a nuisance they cannot get away from.

Further to this, any late-night moving of rubbish out of the venue at the end of the night will cause a potential noise nuisance, particularly glass bottles. Residents in other areas with late night venues complain of the significant noise of this, as well as the nuisance of the rubbish not always being stored correctly for disposal.

Prevention of crime and disorder

The extra volume of people in the area late at night, many of whom will have consumed alcohol, has high potential to increase crime and disorder in the area. Increasing the number of late licensed premises in an area is known to increase crime and disorder, and Erpingham House is close enough to the Prince of Wales Road area as well as the closer establishments on Queen Street for this to be a factor.

Your support or objection must relate to one of the four licensing objectives

Licensing objective	Please set out your support or objections below
To prevent crime and disorder	Erpingham House is directly opposite Tombland Alley which is already blighted by anti-social behaviour and drug taking/drug dealing. Another licenced premises so close will only add to an already unacceptable situation. I have subjected to abuse when trying to enter my own home on numerous occasions by drunken or drugged-up individuals.
Public safety	Erpingham House is directly opposite Tombland Alley. The alley is regularly used by drunken people as an open-air public toilet. This is especially bad on Friday Nights and Saturday nights. Another licensed premises in this area will only add to this. On 12th August I was abused and physically attacked by a drunken individual using Tombland Alley as a toilet.
To prevent public nuisance	As Erpingham House is directly opposite Tombland Alley, granting a license will simply add to the public nuisance incidents, which especially occur on Friday nights and Saturday nights.
To protect children from harm	
Please suggest any conditions which would alleviate your concerns	Less licenced premises in the Tombland Area, better and more frequent policing, CCT camera's and motion sensitive spotlights each end of Tombland Alley. Failing that, Tombland Alley to be gated between dusk and dawn

Public safety	
To prevent nuisance	<p>Application for a premises licence by Erpingham House, 22 Tombland, Norwich NR3 1RF</p> <p>Objection to grant of licence application on grounds of public nuisance.</p> <p>As residents living just off Tombland on Princes Street we object to the granting of this licence.</p> <p>Currently the premises operate as a vegan restaurant. According to online information their closing time is 9pm most days.</p> <p>The applicant wishes to turn this into a late-night entertainment venue with live and recorded music plus sale of alcohol until 2am through the week, 3am on Saturdays.</p> <p>The historic grade II listed property is unsuitable for this use given that adequate sound mitigation cannot be effectively applied owing to the structure of the building:</p>

- air conditioning even if provided would not be effective enough to allow the windows to be closed at all times to prevent the sound of amplified music escaping into Tombland and adjoining streets.
- our experience of living just off Tombland for 18 years has shown that premises which rely on music and the sale of alcohol until the early hours of the morning are not compatible with residents' ability to sleep, and to enjoy the amenity of their homes without being forced to partake of other peoples' entertainment due to excessive levels of amplification of the music.
- this type of use is more compatible with the purpose-built clubs on Prince of Wales Road rather than the restaurants which thrive on Tombland. We note that the current closing times of the business are given online as 12-9pm. The extension of these opening hours indicates that nightclub-style entertainment is envisaged.

Staff 'asking people to leave quietly' as stated in the application is simply not enough to safeguard residents from potential noise nuisance.

The reasons against granting the licence are proven to be valid by the addition of conditions to the licence held by the former premises licence holders. A telephone call to the council's licensing department on 28th July confirmed that the previous licence had two conditions to safeguard residents from excessive noise levels:

1. All windows shall remain closed when musical entertainments take place.
2. A sound limiter was set at 90Db at 2 metres from loudspeakers.

The conditions applied to the previous licence, namely keeping windows closed (and ideally also doors) and fitting a sound limiter with the level set by the council's environmental health department.
