Items for 2017-18

1. The attached appendix A shows the work programme as it currently stands, with items that have been assigned to future meetings. Members are encouraged to discuss the scope for the following items so that officers can undertake appropriate background work:

The private rented sector: This is currently scheduled for 22 February 2018, members are invited to comment and establish what background information they require, and which officers they would like to attend for the item.

Review of the council's enforcement service: This is currently scheduled for 22 March 2018, members are invited to comment and establish what background information they require, and which officers they would like to attend for the item.

2. To ensure the best use of the committee's time, officers have proposed adding an additional item to the work programme for the proposed budget item. Therefore, at the November scrutiny committee meeting, members will receive an oral update from officers on the budget consultation process.
Then at the December committee meeting scrutiny will have a formal opportunity to look at the finance papers including the savings list and the wider financial position. Members will receive the cabinet papers for this item on 5 December, and can submit detailed questions in advance by 8 December, which will be addressed at the scrutiny committee meeting on 14 December.
The scrutiny committee will then look at the actual budget papers on 25 January 2018.

However, overall, capacity is stretched within the social welfare advice sector; one proxy for this is that only around 50% of calls to the CAB advice line are currently answered, although this is improving.
13 July 2017			Ask the strategy manager to investigate why the performance target for measure FAC5 was so high; and	Response from Environmental Strategy Manger is that the 2016/17 performance above target was due to additional funding being available in 2016/17. Cosy City is fully dependent on government grants and/or funding from 3rd sector organisations. We are unlikely to see the same level of external grants and funding this year so we should not amend the target.
