

Planning Applications Committee: 13th September 2018

Updates to reports

Application: 18/00112/F

Item: 4(d) Page: 67-84

Address: Land between 18 And 20 West Parade

Additional representation (summarised):

Comments from original plans still stand. Amendments are minor and do not materially address the points previously raised.

Revised plans still show the rear extending well beyond the building line of the adjacent properties. Proposal will have an extremely negative impact in respect of design and privacy.

Additional consultee response (summarised):

Consultee: Norfolk Fire & Rescue Service

Comments: No comment to make
