Report

Background

1. The current Cisco switches managing our internal network are end-of-life and starting to fail. A quote from Virgin Media Business Ltd to replace the kit has been obtained for £227k (via LGSS). This is a time limited quote.
2. LGSS provide maintenance support on the existing switches using Intrinsic Management services at a cost of £19k per annum.

Tender process

3. LGSS currently contract with Virgin Media Business Ltd under a framework and this framework allows for a LAN to be purchased for Norwich City Council by either Northamptonshire County Council or Cambridgeshire County Council.
4. To ensure value for money, a contract officer from the Norwich city council procurement team obtained alternative quotes by emailing all 15 suppliers on an ESPO framework. Two price quotes were returned. Virgin Media Business Ltd tender quote was the lowest.

One off cost	Annual Maintenance
£227,722.91	£20,032.68

Timescales

5. Tight timescales apply. To hold the heavily discounted price, the order must be placed by Virgin Media Business Ltd with Cisco by the 27 July.
