### **The Committee's reasons:**

The committee took note of all the concerns voiced by local residents and of the chronology presented by Mrs Delaney. They have also noted the expressions of support for the application. The committee made a site visit to both the premises and Mrs Delaney and Mrs Frosts' homes. They noted that the environmental officers have withdrawn their representations following discussion with the applicant. The committee also took note of the survey regarding transport to the premises carried out by the applicant. The committee felt that the conditions contained within the operating schedule did promote the licensing objectives.
