

NORWICH CITY COUNCIL
LICENSING SUB COMMITTEE
NOTICE OF DETERMINATION

Application for Variation of a Premises Licence held 27 May 2016

Councillors Button (Chair), Brociek-Coulton & Woollard.

Name of Premises: The Plasterers arms

Postal Address: 43, Cowgate, Norwich NR3 1SZ

Applicants Name(s) Mr Benjamin Thompson (on behalf of Spoon Café Ltd)

The applicants have applied for the removal of a condition preventing children under 16 years of age from being on the premises and condition number 8 and to extend opening hours and licensing activities on days immediately preceding a bank holiday (by one hour). To open at 09:00am Monday through to Sunday.

The following conditions are to be attached to the operating schedule as offered by the applicant as part of his operating schedule.

No-one under 18years of age to be on the premises after 20.30hrs

No opened vessels of drinks to be taken outside after 22.30hrs.

Children to be supervised by an adult, at all times whilst on the premises.

One representation (written) had been received which was considered by the committee. This was on the grounds of current noise levels.

The committee heard from the applicant who explained what sort of venue he was trying to have, family friendly, not just for alcohol consumption. He wishes to make it a community place for families, drop in for coffees and showing of films. He stated that the objector had never contacted him about any noise.

The Committees Decision:

The committee decided to grant the variations as outlined at the hearing

The Committee's Reasons:

That the application supported the licensing objectives and that there had been no evidence put to the committee which demonstrated otherwise.

Anyone who is aggrieved by the decision of this committee has 21 days from the date of notification to complain to a Magistrates Court.

Dated 1st June 2016
