

Item 6: Response to the Norfolk County Council consultation on the Norwich Western Link route options

Recommendation

To:

- (1) advise Norfolk County Council that the city council fully supports the principal of the proposal to construct the Norwich Western Link and that while the city council does not support option A it has no preference between options B, C and D; and
- (2) remind Norfolk County Council that the council's support for the Western Link is subject to the delivery of a programme of measures to secure significant transport improvements to encourage sustainable forms of transport, as promoted by Transport for Norwich and more specifically:
 - to increase walking, cycling and use of public transport;
 - to improve air quality; and
 - to encourage inclusive growth and economic development.
