### **Background documents**

# **Report**

## **Background**

1. Section 115E of the Highways Act 1980 (The Act) provides for a council to grant a person permission to use objects or structures on certain categories of highway for a purpose which will result in the production of income.
2. The Act also provides for a council to attach such conditions as they think fit to a permission granted under Section 115E. The council has adopted standard conditions in respect of permissions to use objects or structures on the highway and these are attached as appendix A to the report.
3. The Act gives councils a wide discretion to determine such applications and to impose conditions. Each case must be considered on its own merits with due weight being given to relevant considerations only. Existing policies or guidelines should not be applied so rigidly that an exercise of discretion in each individual case is precluded. Accordingly, the adopted standard conditions could be added to or amended depending on the circumstances of each individual application.

## **The application**

4. An application has been submitted in respect of Huggle Restaurant, 13 St Benedicts Street NR2 4PE seeking to place 3 tables and 6 chairs on the highway between the hours of 09:00 and 23:00 Monday to Sunday.
5. A copy of the application, accompanying photographs and location plans are attached at appendix B to the report.

## **Consultation**

6. In accordance with The Act, appropriate notices have been placed on the street. Notification of the application has also been given to Chatterbox (the talking newspaper for the visually impaired) and the Norwich Access Group.
7. Details of the application have also been forwarded to the Norfolk Constabulary, Norfolk Fire Service and the City Council's Planning, Transportation and Landscape, Health and Safety and Pollution Control sections for comment.

## **Comments / objections / support**

8. Representations have been received in respect of the application from the following and are attached at appendix C to the report:
  - Royal National Institute of Blind People (RNIB)
  - Helena Hudson - local resident
  - Susan Seddon – local resident
  - John Taylor – local resident

- Norwich Access Group
  - Please note the document referred to in this representation, guidance published by the department of transport entitled: Making transport accessible for passengers and pedestrians; a guide to best practice on improving access to public transport and creating a barrier-free pedestrian environment. Is available online [here](#).
- Food & Safety Team – Norwich City Council (they have withdrawn their objection)
- Transport Planner – Norwich City Council
- Environmental Protection Team – Norwich City Council
- Norfolk Constabulary Licensing Team
- Norfolk Fire & rescue Service
- Petition from local residents at Helgate Court

## Tables and Chairs Licence – Standard Conditions

- 1 The Council's reasonable expenses in connection with the granting of this permission shall have been paid and the annual fee starting with the date of this permission shall have been paid before the permission is first exercised.
- 2 The Licensee shall indemnify the Council against any claim whatsoever, in respect of injury, damage or loss arising out of the grant of this permission other than injury, damage or loss which is attributable to the negligence of the Council.
- 3 The objects or structures shall be placed only on the licensed area and on no other part of the public highway.
- 4 The objects or structures shall be used only for the purposes stated above and only in connection with the premises.
- 5 The objects or structures shall be removed from the public highway forthwith upon the direction of a Police Constable in uniform or a Traffic Warden.
- 6 The objects or structures shall be removed from the public highway forthwith to enable the passage of any emergency service vehicles or any vehicle engaged on the repair or maintenance of the public highway or apparatus within the public highway or any other vehicle authorised by the Council to proceed on the public highway.
- 7 Permission for the tables and chairs is granted from **(time of day/month of year) to (time of day/month of year)** (subject to earlier termination under clause 13).
- 8 No amplified music or live music shall take place on the licensed area.
- 9 The tables and chairs, the subject of this Licence, shall be removed from the licensed area each day outside of the licence period.
- 10 The Licensee shall ensure that the licensed area is mainly enclosed by a barrier that is in keeping with the visual appearance of the area, not less than 800mm high and with no more than 150mm between the base rail and the ground, or other design as previously agreed in writing by the Council. Neither the barrier nor other furniture should carry strident advertising that goes beyond the purpose of discreetly identifying that the pavement cafe is associated with a particular business.
- 11 The Licensee undertakes to ensure that the licensed area is closely monitored and kept clean and tidy at all times.

- 12 No alteration to the highway surface shall be permitted to be carried out by the Licensee in implementing this Licence
- 13 The Council may, by service of a notice in writing on the Licensee or owner of the premises, withdraw the Licence forthwith:-
  - (a) in an emergency or in the event that the Council considers the exercise of the Licence causes a substantial and unreasonable obstruction of the right of the public to pass or re-pass on the public highway,
  - (b) if any condition of this permission is broken,
  - (c) if the Council considers it to be necessary in connection with the exercise of any of its functions or the functions of any statutory undertaker or public utility,
  - (d) for any other reasonable cause.
- 14 The Licensee shall inform the Council's Head of Citywide Services in writing of any change in the owner or occupier of the premises within one month of that change.
- 15 This permission is for tables and chairs and barriers only. No other items, for example space heaters, are permitted by this licence.

### DETAILS OF FURNITURE

Provide details of all the furniture and other equipment you propose to place on the pavement. Check for local guidance notes and conditions - your responses may have to provide very specific information and you may be required to attach drawings or photographs with your application

#### Tables

\* Number

\* Description (e.g. dimensions, type, material, colour supplier/technical details, as appropriate)

Continued from previous page...

Circular topped tables with diameter 60-65cm similar to those in the images supporting the application. Metal, marble or ceramic top.

**Chairs**

\* Number

**Barriers/Balustrades**

Number

\* Description (e.g. dimensions, type, material, colour supplier/technical details, as appropriate)

The barriers would be between 1m and 1.2m in length minimising use of space on the pavement while allowing sufficient room for customers to move freely into and out of their seating. The metal posts making up the structure of the barrier will have screening material between them (as shown) of cloth or plastic material. This will be a dark subtle colour, ideally with the restaurant logo embossed on the surface.

**Other furniture or equipment**

Description (e.g. dimensions, type, material, colour supplier/technical details, as appropriate)

**Further Details**

\* Where will these items be stored when not in use?

In the internal storage area within the restaurant building

\* Arrangements for clearing and cleaning the pavement at the end of the day

It is not anticipated that all 6 outside seats will be occupied up to closing as customers will not be drinking alcohol outside.

Continued from previous page...

The tables and chairs can be carried individually inside between 22:00 and 23:00hrs as they become free and at a convenient time so as not to interfere with customers dining inside on the ground floor

### Section 7 of 9

#### PUBLIC LIABILITY INSURANCE

You must have a suitable level of public liability insurance to cover this activity – check local requirements.

\* Do you have public liability insurance?

Yes  No

Provide details of the policy

\* Insurance company   
\* Policy number   
\* Period of cover   
\* Amount of cover (£m)

### Section 8 of 9

#### ADDITIONAL DETAILS

Provide any additional information which is required or relevant to your application (check for local guidance notes and conditions which may provide details of specific requirements in your area)

Haggle already has a full length retractable canopy/awning fitted to the outside of the front of the restaurant. This offers cover from the rain for all pedestrians using the pavement area outside. This is shown in the images provided in support of the application.

### Section 9 of 9

#### PAYMENT DETAILS

This fee must be paid to the authority. If you complete the application online, you must pay it by debit or credit card.

This formality requires a fixed fee of £467

Dear Maxine,

I am writing in response to the applications for cafe furniture from Haggie,

I am a member and trustee of the Norwich Access Group but I am afraid I have been away and couldn't get my contribution to Martin (copied in) in time before he had to write his response to you. I am also the Regional Campaigns Officer for Royal National Institute of Blind People and have spoken to Edward Bates from Norfolk and Norwich Association for the Blind (copied in) who i work extremely closely with, this can also be considered a joint response from NNAB and RNIB.

I am afraid we will have to object to all three applications:

The tables and chairs outside Haggie would mean that the pavement would not be compliant with the guidance set out in Section 3.1 of 'Inclusive Mobility' (attached) as it will leave a width of 1250mm. 2250mm less than the recommended minimum width for a pavement outside a shop.

---

## **Inclusive Mobility**

### **3.1 Widths**

A clear width of 2000mm allows two wheelchairs to pass one another comfortably. This should be regarded as the minimum under normal circumstances. Where this is not possible because of physical constraints 1500mm could be regarded as the minimum acceptable under most circumstances, giving sufficient space for a wheelchair user and a walker to pass one another. The absolute minimum, where there is an obstacle, should be 1000mm clear space.....

It is also recommended that there should be minimum widths of 3000mm at bus stops and 3500mm to 4500mm by shops though it is recognised that available space will not always be sufficient to achieve these dimensions."

Dear Sir/Madam,

I write to register my opposition to the application from Haggie Restaurant, 13 St Benedicts Street, for permission to place tables and chairs on the pavement outside the restaurant.

I regularly (almost daily) travel from my home in Orchard Street, Norwich, to and from the city centre using my mobility scooter, as do many others, as well as people using other wheelchairs or parents with baby buggies.

This footpath is already barely wide enough for two such vehicle to pass and, when people are walking, or even just standing around (often smoking outside the restaurants) space is even more restricted.

It becomes more restricted when vehicles are parked on the road.

There are already other obstacles in St Benedicts Street - recycling bins, parking meters and several bicycles chained together - often spreading well across the path - outside The Bicycle Shop restaurant. We do not need more!

I consider that chairs and tables outside Haggie, probably together with some sort of barrier to separate them from passers-by, would make it almost impossible for anyone with limited mobility.

I ask you to reject this application.

Thank you.

Dear Sir,

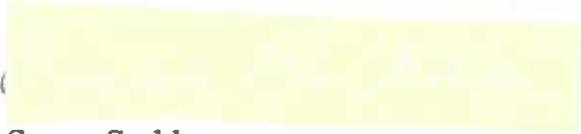

I write to register my strong objections to the proposal for tables and chairs to be placed on the pavement outside "Haggle", St Benedict's Street.

The pavement is too narrow to permit pedestrians to pass tables and chairs safely without having to step into the road. Anyone on a mobility scooter or pushing a pram or buggy would be completely blocked.

It is vital that the pavement on the north side of the street is unobstructed because the pavement on the south side is so narrow that two pedestrians cannot easily pass one another. It is not suitable for mobility scooters or prams and buggies, so the north side is their only access along the street.

I trust that permission will be denied in the interests of safety and accessibility.

Yours faithfully,

  
Susan Seddon

Norwich Access Group's response to application for table and chairs.

**The Haggle, St Benedicts Street**

Members have concerns about The Haggle on St Benedicts Street. The area is very congested, and the pavement has camber and width changes throughout the length of the road. There are places where even 2 able bodied people cannot pass. The pavement is very difficult to navigate, especially with all the 'A' boards. Adding external tables and chairs would make one pavement completely inaccessible.

Hi Maxine,

. However the Haggles tables and chairs application appears problematic. If granted it would set a precedent which, if other restaurants and cafes on the street were to follow, would end up severely restricting the passing space for children's buggies and wheelchairs etc. I have asked Kieran Yates for his comments.

Licensing

No objection on highway grounds in principle.

The proposed width of 1.25m is acceptable for short distances of footway to enable people to pass by.

If there is complaint of localised congestion It may be advisable for the applicant to place the barriers touching the tables and chairs to allow more space for pedestrians.

Tables and chairs in the city centre can enliven city centre streets and support local businesses.
