The Committee expressed their thanks to the Treasurer for her services to the Link and appreciated the early notice given of her resignation from the office. The committee agreed to consult the membership to seek a replacement.

6. REPORT OF REPRESENTATIVE

The Committee received Carmela's reports for March and April 2015.

It was noted that the distribution of schoolbags and education materials had taken place on 24th March and, during the event, a representative of the City Council had laid emphasis on the link between the Mayor's office, the Ministry of Education, and Norwich, and the ties of brotherhood and gratitude was expressed for all that the Link does for the inhabitants of the municipality of EL Viejo.

The report also included an account of the programme of the distribution of the satchels and their contents.

The report for April included the programme for the taking of measurements for the making up of the school uniforms for the scholarship pupils. It also included a report of a meeting in the Mayor's office to discuss the delivery of the record of academic performance in the schools, the schedule for the measuring for uniforms and the formal delivery of the new laptop computer to the school at Francisco Morazan.

Issues raised in report arising from comments by teachers included difficulties for children in getting to school, problems arising from lack of textbooks as the Government had only provided for the First Grade.

Other issues raised by teachers included shortage of training and cleaning materials with most teachers having to dip in their own pockets to make good the deficiencies. Teachers also subsidised provision of photocopies, teaching materials and cleaning.

Teachers also expressed concern about children being negative and not wanting to study which caused problems of stress for teachers. Teachers are unable to impose any form of discipline because of the children's protection law. Students had no respect for the teachers.

The Committee were concerned about the issues raised by the teachers and agreed to ask Carmela to pursue them with the MINED representative and to convey the Committee's concern about these matters.

7. REPRESENTATIVE'S ACCOUNTS – JANUARY TO MARCH 2015.

The Committee received the representative's accounts for the period 1st January to 31st March 2015 for the funds held in Nicaragua.

The Committee noted the accounts.

8. LINK WEBSITE

The Chairperson welcomed Andrew Garrod to the meeting. Mr Garrod had agreed to assist with updating and improving the Link website.

Andrew said that he had helped Poppy Buller with the recent Gig at the Norwich Arts Centre and was willing to help with the Website.

Andrew said that he would help to fill in gaps in the site and bring it up to date with information about developments and outcomes. Pictures were always welcome. It might also be possible to introduce the use of Facebook and Twitter for wider publicity about the Link in due course. Information about the contents of the schoolbags was an example that could be used.

Following a discussion the Committee thanked Andrew for his interest and welcomed the opportunity to make the website more relevant. It was agreed to provide Andrew with information, particularly photographs and to keep him informed about Link activities.

9. FUTURE FUNDRAISING EVENTS.

- (a) The Committee noted the arrangements made by Tony Bailey for a 'Ukulele Riverboat Shuffle on Sunday 14th June. The Committee thanked Tony for organising the event.

NORFOLK AND NORWICH – EL VIEJO FRIENDSHIP LINK

EXECUTIVE COMMITTEE – 24th June, 2015.

CORRESPONDENCE REPORT

The following exchanges of correspondence with our representative in Nicaragua have taken place since the last report made to the meeting on 18th March, 2015.

(a) From Carmela received 13th March 2015.

Hello Ralph.

Replies to your questions in capitals

4. Members of our Committee of have questions about sanitation facilities in schools, especially for adolescent girls. From my observation during my visits the latrines in some of the schools are in a very bad state and our Committee has asked about the effect that in adequate latrines may have in the care of children, especially adolescents. Please ask teachers at each school to make a report on this matter to our Committee.

I WILL DO A REPORT ON THIS SUBJECT. PENDING SEND IT

5. The Committee noted that the schools had made comments in some of their reports about the difficulties of coordination with the municipal Council. As you know, this is something that worries us. I mentioned it in my message 14-03 of 21st January. This is of increasing concern for us and it could affect the future of our relationship with the old we want to avoid. Perhaps you could ask Julia if she can say nothing about why happened. Do you have any ideas about what you can share with us?

THIS ISSUE CAME OUT EVALUATION. THE SCHOOL OF EVEMILDA BUT DID THE COMMENTARY OF THE PROFESSOR IS THAT IF THERE WERE BETTER OPENING BY THE COUNCIL AND OTHER AUTHORITIES COULD BE BEST THINGS ALTOGETHER. E.G. MORE SCHOLARSHIPS SAID. BUT THERE IS NO WORRY ABOUT IS ONLY A REMARK IN THIS RESPECT AND NOT WITH THE TWINNING.

a greeting.

Carmela

(b) Message 15-07 to Carmela sent 12th May, 2015.

Dear Carmela,

I apologise that I have not contacted you for for some weeks. I have been unwell and also very busy with our National and local elections. I have also been in a car crash so it has been an eventful month!

However, I think we have returned to normal now!

I know that you have been very busy with the mochilas and are now organising the new uniforms. I asked our Treasurer to send you a transfer and I hope you can confirm that it has arrived.

I will write again soon

Your friend,

Ralph

(c) Message 15-08 to Carmela sent 13th May, 2016

Dear Carmela,

Further to my message 15-07 sent yesterday, the next meeting of our committee is now due to take place next Wednesday, 20th May. I shall be most grateful if you can send me your report for April by this weekend so that I can present it to the Committee next week.

I regret the short notice but everything here has been disjointed because of the recent national and local elections which took place last week.

In solidarity,

Ralph

(d) Message from Carmela = received 18th May, 2015.

Hello Ralph.

I hope you are better and more rested. I hope that the elections were fair and that everything has gone well.

Commented you in previous post that they have replaced the Mayor and instead of being Mauricio serving they have chosen someone else.

The volcano telica is erupting but fortunately there has been no misfortune. We are on alert but all under control at least the people who lived in the surrounding have taken them from there.

I send you the report in April.

Outstanding academic performance.

a greeting.

Carmela

(e) Message 15-09 to Carmela -- sent 28th May, 2015.

Dear Carmela,

Thank you for your reports for March and April.

1. Our Committee was pleased to learn about the support provided by the Mayor for the distribution of the schoolbags on 24th March by providing two buses for the children from Morazan, Maritza and Norwich to attend the ceremony and for providing the sound equipment. Please pass our thanks to the Mayor.

2. You indicated in one of your messages the Mauricio Rivera was no longer the Deputy Mayor. Is this correct or have I misunderstood? Please tell us what has happened.
3. In your report for February you included a request from the Evemilda School for our committee to help with the purchase of a new pump for the well. Our Committee has asked for information about the cost of the pump. Please ask the school to tell us the cost.
4. You will recall that our Committee has asked for reports about the state of the latrines in each school with particular reference to any effects on school attendance, particularly by adolescent girls, resulting from inadequate or damaged toilets.

Our committee will be most grateful if the teachers of each school will provide a report on the state of the latrines at their school and their assessment of any effect on school attendance, particularly by girls, caused by poor/damaged/inadequate latrines. It will be most helpful if the reports from the schools can be accompanied by photographs of the latrines.

5. As mentioned in a previous message, our Committee is interested to learn about what has happened to those children who have graduated and left their primary school. We shall be most grateful for any information the teachers can give about them. Have any of them continued in education at a secondary school, such as the instituto in El Viejo, or have they gone into some form of employment. Any information about the graduates will be most appreciated.
6. Finally, have you made any further contact with the Rotary Club in Leon?

In solidarity,

Ralph

(f) Message 15-10 to Carmela – sent 12th June, 2015

Dear Carmela,

I hope all is well with you and your family.

I am concerned because your last message said you would send me a report last weekend and I not received anything. Is there a problem, if so can we help?

Perhaps you have been busy organising the school uniforms which I know is a big operation.

We have our committee meeting scheduled for next week and we are very anxious to hear from you, and the teachers, about the items listed in my message 15-09 sent on 25th May. Perhaps you can send us a progress report.

Please let us know if you have any problems and we look forward to hearing from you

With all good wishes

Ralph

(g) Message from Carmela received 15th June, 2015.

Dear Ralph

Apologies for not writing before. I was ill with a swollen right arm and severe pain in the hand and shoulder. They told me at the clinic that I have symptoms of carpal tunnel syndrome. Much pain and they told me to take ten days without touching a mouse or computer. It still hurts but the pain is now controlled with medication. It is for this reason that I have not been able to answer, but yes I'm working on the uniforms and going to schools to take photos of the latrines, doing interviews with the teachers and pupils in some schools.

Also I have made progress in the purchase of materials approved for the repair of an office in which to put the computer in the Perpetual school. Money that was left over from the construction of the classroom of the Perpetual School.

Tomorrow I'm going to the Morazán and will take advantage of this visit to take photos of the latrines which are in poor condition and to do some interviews.

With regard to the Evemilda I have not got an estimate for the pump repair because another organization that supports them already did so.

Vice mayor Mauricio Rivera is still in function but the Mayor Azucena is not now, as I told you before.

I'm hoping they will ratify the new mayor so that I can go and introduce myself, at the moment she is "acting" mayor.

I request this week to recover from my arm. I hope to be fine for the weekend and send you a report on all that you have asked me for and what I have done, for your meeting.

I apologize for not writing but here I'm always working. From here onwards, I will try send you information more often.

I hope that all is well.

A greeting

Carmela

(h) Message 15-11 to Carmela – sent 16th June, 2015

Dear Carmela,

We are very sorry to learn of the painful problem with your wrist and arm. We fully understand why you have been unable to use your computer. We hope very much that you will get better very quickly.

I note that you intend to collect information from the teachers about the state of the school latrines and what affect their state may have on attendance of female pupils. We look forward to receiving the teachers' reports and any proposals/suggestions they may have for improvements.

Who is responsible for the maintenance and repair of school buildings, including the latrines? Is it the Alcaldia or the Ministry?

I am sorry that I misunderstood your message about the Alcalde and became confused with the Vice-Alcalde. Do you have any information about why Sra Acuzena is no longer in

office.

Thank you for the information about the pump at Evemilda. We note that the cost has been met by another organisation.

Please send us a photo of the computer at the El Perpetuo school when the new office is complete.

We hope your arm will quickly get better.

Ralph

Editorial

Since reporting the retirement of Jack as Treasurer he has been quite frail and has been admitted to Hospital. We do hope he is well enough to leave Hospital soon.

The small number of members attending the AGM is of some concern. Is it because of the change of venue? The value of using City Hall is that there is no cost involved.

The annual visit to Novi Sad proved to be, again, a great success.

It is encouraging for all those involved to see the value of all the support given by the Association to institutes in Novi Sad.

The 'Events Section' contains information about things mainly musical. The Norfolk County Youth Orchestra is joined by choirs from the Norfolk Centre for Young Musicians.

The Annual General Meeting.

The Annual General Meeting was held on 10th April 2015 in the Council Chamber, City Hall, Norwich.

The number of apologies for absence reflected the busy lives of members, all of whom would have been delighted to attend had they not other commitments.

The number of members attending was very small. The date of the AGM has not changed but the venue has.

The Committee was re-elected but there remains a vacancy for a committee member and a Treasurer.

Jack Brooksbank presented the accounts and said it was a difficult decision to retire after 23 years as treasurer. The Chairman, Doug Underwood said he couldn't understand why Jack had decided to retire at the 'young' age of 93!

The President of the Association, Cll. Judith Lubbock, the Lord Mayor spoke warmly of her visit to Novi Sad and praised the Association for all the work it does in supporting and

fostering the twinning link between the cities.

The Chairman, in thanking the Lord mayor for all her support during her term of office presented her with a framed print of the City Hall in Novi Sad.

After the formal part of the AGM Diana gave an interesting presentation about the February visit to Novi Sad and the items that have been purchased by the Association for the Milan Petrović School.

Membership.

A warm welcome to new members. After a period when numbers were dropping it is pleasing to report that membership now stands at 131.

Visit to Novi Sad.

A small group of eight visited Novi Sad on this annual trip which took place in the middle of May this year.

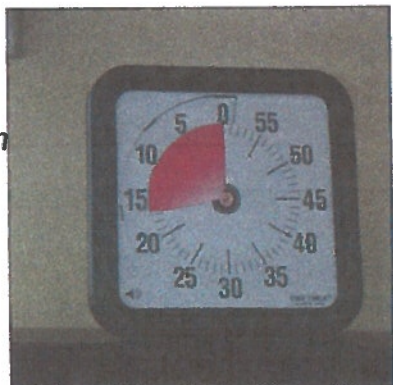

As well as our member from Wales two members from Belgrade were among the party.

The programme arranged by Sandra of Kompas was its usual mixture of interesting visits and fine dining.

There was also plenty of time for Members to pursue their 'own thing'

A visit to the Milan Petrović School to see the results of our support. After all the problems of getting them there it was good to see the 'timer clocks' in position and the 'swell paper' being used.

The clocks are being a great success in helping children with Attention Deficiency Syndrome

A 'small snack' at the vineyard during the wine tasting.....

Snežana with some of her creations with 'swell paper'. This helps the blind and partially sighted children.

Visitors are always made most welcome with an opportunity to see the 'workings' of the school and a chance for Diana to settle up with the various financial transactions relating to the support given to their projects.

As always the visit is never complete without coming away with a good idea of what the next project will be!

A long anticipated visit to Stari Slankamen proved to be one of the 'highlights' of the visit. An interesting topographical region on the edge of the Fruška Gora. Evidence of Roman and Ottoman occupation through dramatic remains proved to be of great interest while the visit to two vineyards and a local salaš for lunch proved to be a great gastronomic event.

Remains of a Turkish bath from the Ottoman period at Stari Slankamen

.....followed by lunch in the shade.

This seemed to set a very satisfactory pattern to the visit!

Books and the Novi Sad Library

The Association has in the past provided the Library in Novi Sad with books in English.

The English Section of the library has been able to expand into a spacious building of it's own.

It was no hardship for the Association to respond to a request from the British Council to help provide and deliver books that had been requested by the young people who use the library.

Asked by the librarian what books they would like they produced a 'short list' of 50 books and a 'long list' of about 200!

SO...

the girls asked the librarian

"Could you get some books for the library?"

the librarian asked Tony (of the British Council)

and Tony asked Rod

and the Association

if they could *possibly* get some books for the li-bra-ry.

The both said 'certainly'

And went to see the bookshops

And they got some books for the li-bra-ry.

The girls were delighted

(As you'll see from the photographs)

To read the new books in the Li-bra-ry

(Diana says 'see A.A. Milne 'The King's Breakfast'..')

The upshot that Rod Bolitho was able to get 'surplus' books from two Norwich Schools and the Association allocated £150 from the Paddy Goldring Fund for the purchase of new books which were duly delivered during the last day of the visit.

The young ladies who compiled the list were delighted with the books and - '....please can we have some more?'

Happy donors and recipients

A journey of discovery?

When Nataša was very young some strange people came to stay in her house in Norwich. They had long conversations with her mother in a language that was very different and odd.

That was 1999 when Nataša's family kindly put up members of St. Georges Choir from Novi Sad on their first visit to perform at the Norfolk and Norwich Festival. (Nataša's mother is from Belgrade in Serbia).

Now Nataša is a grown up person and is making her way in the world with ambitions to make documentary films with her younger brother (an almost grown up person). Daniel is a very competent video photographer and Nataša a great organiser and producer.

They have some useful experience of documentary making based on a period of time they spent travelling round Australia.

With Maja, a German friend from Hamburg (whose antecedence is also Serbian), they will be travelling to Serbia to find out about a country they have only heard of from their parents.

They have heard many things that do not seem to be 'quite right' and wish to find out what the country is like but, mainly, what the young people there think and how they view the world.

Nataša sought the advice of the Association and a very useful meeting was held with the Chairman, Vice Chair, and Secretary. They were able to furnish Nataša with many contacts in both Novi Sad and Belgrade. The committee was pleased to confirm the allocation £200 from the Paddy Goldring Fund to help with their project.

Nataša and Daniel are looking forward to being in Novi Sad at the time of the EXIT Festival so there should be some colourful footage in the finished documentary.

Alex Đermanović

Those who attended the Paul Cross Memorial Concert in February will remember the fantastic performance given by Alex.

Not only was this appreciated by members and the audience but it particularly impressed Roger Rowe who asked Alex to return to Norwich to perform again.

Consequently Alex will be performing, as part of a series of chamber concerts, organised by Roger at The Chapel, Park Lane, Norwich on Sunday 25th October at 6.30. Tickets will be £12 at the door.

Alex will be performing works Beethoven, Medina and Schumann.

Norfolk County Youth Orchestra

4.30pm Sunday 19 July 2015

The Forum, Norwich

For this concert, the NCYO will be joined by choirs from the Norfolk Centre for Young Musicians. NCYM is a partnership between Norfolk Music Service, the Guildhall School of Music and Drama, London and a CNS school. Now in its second year, NCYM hosts 100 talented and enthusiastic local musicians each Saturday morning during term time under the baton of 15 full time tutors - all professional musicians - who run over 22 ensembles, choirs, musicianship performance skills and theory classes as well as individual instrumental lessons. The partnership with Guildhall also means that local students have access to professional workshops and a composer residence.

Come along to hear the wealth of musical talent in Norfolk and support our young musicians in an exciting and vibrant programme including Bernstein, Gershwin, Rutter, John Williams, Cuban rhythms from Robert Sheldon and the chance to sing along to the all-time family favourite 'Bare Necessities' from Jung Book!

The NCYO would be delighted if you are able to join them for this free concert.
