Dear Sir/Madam

5 Rose Lane Norwich

Further to my previous representation on behalf of Norfolk Constabulary concerning the application for a premises licence at 5 Rose Lane, Norwich. The representatives of the Applicant have liaised with the Police concerning these initial objections. Following this the Applicant's representatives have agreed to the following subject to the approval of the Licensing Sub-Committee:-

- amend the hours for the sale of alcohol and opening to 2am on Friday and Saturdays, thus reducing the risk of incidents occurring in and outside the shop beyond these time which was a particular concern and would have undermined the Licensing objectives with crime in this area peaking between 3am and 4am.
- A CCTV system will be installed and maintained to cover the entrance, internal public areas and immediate external area of the premises.
- Recorded images shall be kept for 31 days and provided to Police or Council Officers, in a usable form, on request
- No beer, lager or Cider over 6% will be sold.
- No single cans and bottles of beer to be sold without a permanent marking with the premises name.

It is submitted that on behalf of Norfolk Constabulary that should these conditions be endorsed by the Licensing Sub-Committee, it will alleviate the concerns and objections raised in the initial representation to you. It is noted however; those other parties are opposing this application itself will have an opportunity to make their own representations on the application and this may be subject to change.

Yours faithfully,

Michelle Bartram
Licensing Officer
