### **Information for members of the public**

Members of the public and the media have the right to attend meetings of full council, the cabinet and committees except where confidential information or exempt information is likely to be disclosed, and the meeting is therefore held in private.

For information about attending or speaking at meetings, please contact the committee officer above or refer to the council's website

If you would like this agenda in an alternative format, such as a larger or smaller font, audio or Braille, or in a different language, please contact the committee officer above.

## **Agenda**

### **1 Apologies**

To receive apologies for absence

### **2 Declarations of interest**

(Please note that it is the responsibility of individual members to declare an interest prior to the item if they arrive late for the meeting)

### **3 Highways Act 1980 Application for licence to place tables and chairs on the highway - Cocina, Samson and Hercules House, 15 Tombland, Norwich, NR3 1HF 3 - 30**

**Purpose** - To ask members to consider an application to place tables and chairs on the highway

### **4 Exclusion of the public**

Consideration of exclusion of the public.

## **EXEMPT ITEMS:**

To consider whether the press and public should be excluded from the meeting during consideration of an agenda item on the grounds that it involves the likely disclosure of exempt information as specified in Part 1 of Schedule 12 A of the Local Government Act 1972 or it being confidential for the purposes of Section 100A(2) of that Act.

In each case, members are asked to decide whether, in all circumstances, the public interest in maintaining the exemption (and discussing the matter in private) outweighs the public interest in disclosing the information.

<b>Report to</b>	Regulatory sub-committee 13 August 2018	<b>Item</b>
<b>Report of</b>	Head of citywide services	<b>3</b>
<b>Subject</b>	Highways Act 1980: application for licence to place tables and chairs on the highway - Cocina, Samson & Hercules House, 15 Tombland, Norwich NR3 1HF	

---

### **Purpose**

To ask members to consider an application to place tables and chairs on the highway.

### **Recommendation**

That members determine the application to place tables and chairs on the highway submitted in respect of Cocina, Samson & Hercules House, 15 Tombland, Norwich NR3 1HF.

### **Corporate and service priorities**

The report helps to meet the corporate priority of a safe and clean city and the service plan priority of protecting the interests of the public through the administration of the licensing function. The provision of outdoor refreshment facilities can enhance the character and vitality of an area and contribute to Norwich as a safe city environment.

### **Financial implications**

None.

# Report

## Background

1. Section 115E of the Highways Act 1980 (The Act) provides for a council to grant a person permission to use objects or structures on certain categories of highway for a purpose which will result in the production of income.
2. The Act also provides for a council to attach such conditions as they think fit to a permission granted under Section 115E. The council has adopted standard conditions in respect of permissions to use objects or structures on the highway and these are attached as appendix A to the report.
3. The Act gives councils a wide discretion to determine such applications and to impose conditions. Each case must be considered on its own merits with due weight being given to relevant considerations only. Existing policies or guidelines should not be applied so rigidly that an exercise of discretion in each individual case is precluded. Accordingly, the adopted standard conditions could be added to or amended depending on the circumstances of each individual application.

## The application

4. This application was first considered by this sub-committee on 9 July 2018, but due to confusion brought about by alterations to the application and concerns regarding inaccuracies in the plan it was deferred so that an updated report could be submitted.
5. An application has been submitted in respect of Cocina, Samson & Hercules House, 15 Tombland, Norwich NR3 1HF seeking to place 5 tables, 10 chairs and 1 parasol on the highway between the hours of 11:00 and 22:00 Monday to Sunday.
6. The amount of tables and chairs and the times given above are the amended details which have been altered from the original application by the applicant since submitting the original application, a copy of which, along with accompanying photographs and amended plan are attached at appendix B to the report.
7. At the last meeting a number of extra conditions or alterations to the standard tables and chairs licence conditions were discussed, and although the matter was not determined, they are reproduced here for consideration:
  - (a) Conditions 9 and 15 amended to include 1 parasol/umbrella.
  - (b) Additional condition 16 – there is to be a minimum of 1 metre distance between the area licensed and the bike racks
  - (c) Additional condition 17 – the parasol/umbrella shall not overhang any part of the public highway which is outside the s115 HA 1980 licence.
  - (d) Additional condition 18 – the area shown as to be licensed on the plan shall be reduced in accordance with condition 16. (This could possibly now be unnecessary as a new plan has been provided).
  - (e) Additional condition 19 – there will be a minimum of 1.5 metre distance left between the area licensed and the edge of the lay by. (This could possibly now be unnecessary as a new plan has been provided).

## **Consultation**

8. In accordance with The Act, occupiers of nearby premises have been consulted with appropriate notices being placed on the street in the vicinity. Notification of the application has also been given to Chatterbox (the talking newspaper for the visually impaired) and the Norwich Access Group.
9. Details of the application have also been forwarded to the Norfolk Constabulary, Norfolk Fire Service and the City Council's Planning, Transportation and Landscape, Health and Safety and Pollution Control sections for comment.

## **Comments / objections / support**

10. One representation has been received in respect of the application from a local business.
11. Norwich City Council's Food and Safety Team initially recommended refusal of the application on the grounds of health and safety, however they have reviewed the amended application and altered their recommendation to one of approval.
12. Copies of the documents referred to in 10. and 11. Above can be found at appendix C.

Tables and Chairs Licence – Standard Conditions

- 1 The Council's reasonable expenses in connection with the granting of this permission shall have been paid and the annual fee starting with the date of this permission shall have been paid before the permission is first exercised.
- 2 The Licensee shall indemnify the Council against any claim whatsoever, in respect of injury, damage or loss arising out of the grant of this permission other than injury, damage or loss which is attributable to the negligence of the Council.
- 3 The objects or structures shall be placed only on the licensed area and on no other part of the public highway.
- 4 The objects or structures shall be used only for the purposes stated above and only in connection with the premises.
- 5 The objects or structures shall be removed from the public highway forthwith upon the direction of a Police Constable in uniform or a Traffic Warden.
- 6 The objects or structures shall be removed from the public highway forthwith to enable the passage of any emergency service vehicles or any vehicle engaged on the repair or maintenance of the public highway or apparatus within the public highway or any other vehicle authorised by the Council to proceed on the public highway.
- 7 Permission for the tables and chairs is granted from **(time of day/month of year)** to **(time of day/month of year)** (subject to earlier termination under clause 13).
- 8 No amplified music or live music shall take place on the licensed area.
- 9 The tables and chairs, the subject of this Licence, shall be removed from the licensed area each day outside of the licence period.
- 10 The Licensee shall ensure that the licensed area is mainly enclosed by a barrier that is in keeping with the visual appearance of the area, not less than 800mm high and with no more than 150mm between the base rail and the ground, or other design as previously agreed in writing by the Council. Neither the barrier nor other furniture should carry strident advertising that goes beyond the purpose of discreetly identifying that the pavement cafe is associated with a particular business.
- 11 The Licensee undertakes to ensure that the licensed area is closely monitored and kept clean and tidy at all times.

- 12 No alteration to the highway surface shall be permitted to be carried out by the Licensee in implementing this Licence
- 13 The Council may, by service of a notice in writing on the Licensee or owner of the premises, withdraw the Licence forthwith:-
  - (a) in an emergency or in the event that the Council considers the exercise of the Licence causes a substantial and unreasonable obstruction of the right of the public to pass or re-pass on the public highway,
  - (b) if any condition of this permission is broken,
  - (c) if the Council considers it to be necessary in connection with the exercise of any of its functions or the functions of any statutory undertaker or public utility,
  - (d) for any other reasonable cause.
- 14 The Licensee shall inform the Council's Head of Legal and Democratic Services in writing of any change in the owner or occupier of the premises within one month of that change.
- 15 This permission is for tables and chairs and barriers only. No other items, for example space heaters, are permitted by this licence.

**Subject:** Table license application

Dear Sir/Madam,

Your reference 18/00646/TABCHA

We received a letter from you regarding the above application for Mr Paul Stagg to place 8 tables and 24 chairs outside Cocina, Samson & Hercules House, 15 Tombland between the hours of 11:00 and 00:00 (midnight) Monday to Sunday.

We strongly object to this application as it will create a large amount of noise for hotel guests trying to sleep at that time. We have no issue with a license up to 18:00, the same time we ourselves have a pavement license until, but anything after that will cause disruption to hotel guests. Since our own license was granted on that basis I believe that the same circumstances apply to this application.

**Subject:** EH18/7281 Tables and Chairs Licence Application at Cocina, 15 Tombland, Norwich

Dear Maxine

Chris asked me to deal with this in Jaan's absence.

I viewed the initial application, and Jaan's comments regarding recommendation for refusal of the application.

I have not visited the site, but have read the amended application from Mr Stagg. I have also spoken with him. As far as I can ascertain, the amended application addresses the issues of concern raised by Jaan. Seating is no closer than 1.5 metres to a curb edge, and the bicycle stand is more easily accessed.

Therefore I am happy that the refusal be replaced by a recommendation for approval.

Should you have any queries please do not hesitate to contact me.

Yours sincerely

**From:** Stanton, Jaan  
**Sent:** 29 May 2018 18:27  
**To:** Fuller, Maxine  
**Subject:** Samson and Hercules House - Cocina Table and Chairs Licence Application

Dear Maxine,

I've had a look at the above application. As can be seen from the attached photograph there is already an area for tables and chairs outside the premises which sits on a small apron of paving which I assume is within the curtilage of the premises. Currently the barrier enclosing the area for tables and chairs sits on this curb and affords adequate edge protection.

The application seeks to extend the area beyond the present apron and onto the pavement. Note the apron is not shown on the plans submitted with the application but extends from the top edge of the hatched area towards a point just above the furthest table on the right hand side.

The proposal raises two concerns:

The new area encloses a bicycle stand on three sides and renders it unusable on all but the remaining side. Providing sufficient room to access the bicycle stand from all sides (while maneuvering a bicycle) will require the area set aside for tables and chairs to be substantially reduced.

The new area proposed for tables and chairs will encompass the curb mentioned above within its boundary. Surrounding this curb with tables and chairs will inevitably pose a risk to patrons whose chairs may slip off the curb causing them to tip backwards. It will also pose a tripping hazard as tables and chairs will obscure its presence. The edge protection afforded by the presence of the current barrier will have been lost.

I would therefore recommend that the application be rejected in its present form. Any new application should clearly show the location of the apron and the bicycle stand.
