Licensing objective	Please set out your support or objections below. Please use separate sheets if necessary.
To prevent crime and disorder	The Prince of Wales Road is an area notorious for alcohol related crime and disorder. Extending Bootleggers' opening hours will aggravate this situation. On-street drinking will increase.
Public safety	Personal safety is compromised when returning home via POWR in the early hours of Saturday and Sunday mornings. This could apply to weekdays too, if opening hours are extended.
To prevent public nuisance	We experience noisy "reveller over spill" from POWR now. This results in disturbed sleep. Illegal drinkers gather outside Horsefair House, which is opposite us. Extending opening hours will, undoubtedly, increase this public nuisance.
To protect children from harm	The aforementioned Horsefair House is part of Norwich School. Drinkers leave behind unpleasant litter, and worse, at weekends. This could happen on schooldays too if the extension is allowed.
Please suggest any conditions which would alleviate your concerns	This is an increasingly (predominantly) residential area. There has to be an equitable balance between the needs of the residents and the night time economy. Extended opening upsets this balance.

Licensing Objective	<i>Please set out your support or objections below. Please use separate sheets if necessary</i>
To prevent crime and disorder	This shop already causes an unacceptable amount of crime and disorder with its current opening hours. The shop being open until 4am on weekdays will make life unbearable for us as people buying drink from here at that time of night/morning do not be take it home to drink, IT IS FOR CONSUMPTION IN THE STREET, usually opposite our house (on the wall of Horsefair House). Drinking in the street is illegal and by allowing this off-licence to trade in the early hours of the morning, the Council is actively encouraging illegal activity. Obviously, people drinking in the street cause anti-social behaviour. They shout loudly, urinate in our garden, yell abuse if we complain and throw empty bottles and cans into our garden. We have called the Police on numerous occasions to remove people who are consuming drink purchased from Bootleggers and causing a nuisance. We know drink has been purchased from Bootleggers as nowhere else in the area sells drink at that time of the morning. The Police will have a record of these many incidents. It is bad enough having to put up with anti-social behaviour at the weekends but having people shouting outside until gone 4am on work days would make life impossible.
Public safety	There have been occasions where we have called the Police but they haven't been able to attend so we've asked people to keep the noise down and pointed out the 'No Alcohol Zone' signs that are clearly displayed. We have been threatened with being beaten up and having our house burnt down. If people look particularly 'dodgy', we daren't even say anything for fear of retribution.
To prevent public nuisance	Please see comments above under 'To prevent crime and disorder'. We feel that if this licence is granted, it will escalate the already huge problem and it will have a detrimental impact on the value of our property which will become unsaleable. Planning permission was granted, by the Council, for housing in this area so it has been deemed suitable for residential use. We feel that the Council has a responsibility to protect our quality of life rather than heap further misery on us by allowing an all night street beer garden every night instead of just at weekends.

Your support or objection must relate to one of the four Licensing Objectives (see note 2)

Licensing Objective	Please set out your support or objections below. Please use separate sheets if necessary
To prevent crime and disorder	Objection: This is an area classified by the Police as one of 'high level of crime'. Residents in Cathedral Street and Saint Faiths Lane are already badly affected by drunk and disorderly behaviour as people tend to congregate opposite our houses where they can sit on a wall or at Horsefair Green, drinking. The problem is worse at week-ends. We have often had to contact the Police about this and on one occasion recently needed to call an ambulance as a man was so drunk he could not be roused.
Public safety	Objection: At week-ends the area around St. Faiths Lane and Horsefair Green is littered with bottles (often broken) and beer cans. The behaviour of people who drink alcohol bought in shops feels threatening. These problems are less severe on week-days.
To prevent public nuisance	Objection: The noise level is such that residents are frequently disturbed at night. This would increase further if a licence was granted to sell alcohol every day of the week until 4 a.m.
To protect children from harm	Objection: Saint Faiths Lane is used by young children and students from the Norwich School (walking to and from their sports hall) who are at risk from cuts by broken glass. The sight of bottles and cans is of course not pleasant and sets a bad example to the children.

Please suggest any conditions which would alleviate your concerns.	None. We are extremely concerned about the prospect of even more opportunity being given to people to buy alcohol throughout the night which they then bring to Cathedral Street and Saint Faiths Lane. We have been working closely with the Police and Community Liaison Officers to deal with the problem and an extension of the licence for selling alcohol would make matters very much worse. Please do not allow this to happen.

Address of the premises you wish to support or object to	800 LEGGERS 26, PRINCE OF WALES ROAD, NORWICH NR1 1NJ
Licensing objective	Please set out your support or objections below. Please use separate sheets if necessary.
To prevent crime and disorder	RELATIVELY HIGH LEVELS OF MINOR CRIME-AND SOME SERIOUS-AND MUCH DISORDER- IS RECORDED IN THE AREA SURROUNDING PRINCE OF WALES ROAD. THIS IS INCREASED BECAUSE OF THE SALE OF ALCOHOL BY RETAIL PREMISES LATE AT NIGHT. LITTLE SUPERVISION OF THE CONSUMPTION OF THIS ALCOHOL IS POSSIBLE WHEN IT TAKES PLACE OUTDOORS
Public safety	PUBLIC SAFETY IS DIMINISHED BY UNCONTROLLED CONSUMPTION OF ALCOHOL. THERE ARE MANY EXISTING PUBLIC SAFETY ISSUES WHICH ARE EXPENSIVE TO DEAL WITH - POLICE PRESENCE ETC. UNCONTROLLED CONSUMPTION OF ALCOHOL OUTDOORS ADDS TO THIS PROBLEM.
To prevent public nuisance	PEOPLE FREQUENTLY BUY ALCOHOL AT BOTTLERS AFTER MIDNIGHT AND CONSUME IT NOISILY IN THE VICINITY OF OUR HOUSE. THE POLICE AND COUNCIL ARE FULLY AWARE OF THE SPORADIC HIGH LEVELS OF NOISE AND ANTI-SOCIAL BEHAVIOUR WHICH EXISTS ALREADY, PRINCIPALLY THURS TO MONDAY
To protect children from harm	THERE HAVE BEEN MANY INSTANCES OF BROKEN BOTTLES, DRUG USE EQUIPMENT BEING LEFT OUTDOORS IN THE VICINITY. IN THE DAYTIME THE AREA SEES MANY SCHOOL CHILDREN PASSING THROUGH. USED AND HALF EMPTY BOTTLES HAVE BEEN PUT THROUGH LETTERBOXES OF HOUSES WHERE CHILDREN LIVE.
Please suggest any conditions which would alleviate your concerns	RESPONSIBLE AND SENSIBLE POLICY FROM COUNCIL WHICH WOULD CONSIDER SUSPENSION OF SALE OF ALCOHOL FROM ALL RETAIL PREMISES IN VICINITY OF PRINCE OF WALES ROAD FROM E.G. 11PM, INCLUDING AT WEEKENDS
