

Report to Cabinet
11 March 2015
Report of Executive head of regeneration and development
Subject Home Energy Conservation Act report 2015

Item

19

Purpose

To consider the HECA report setting out the energy conservation measures that the authority considers practicable, cost-effective and likely to result in significant improvement in the energy efficiency of residential accommodation in its area in line with government requirements.

Recommendation

To approve the Home Energy Conservation Act report 2015 for publication.

Corporate and service priorities

The report helps to meet the corporate priority areas – A clean, safe and low carbon city, A healthy city with good housing, A fair city

Ward/s: All wards

Cabinet member: Councillor Stonard – Environment and transport

Contact officers

Dave Moorcroft, executive head – regeneration and development 01603 212226

Richard Willson, environmental strategy manager 01603 212312

Background documents

None

Report

1. Following the introduction of the Home Energy Conservation Act (HECA) in 2013 the Secretary of State for Energy and Climate Change requires all English authorities to prepare and publish reports bi-annually by 31 March setting out the energy conservation measures that the authority considers practicable, cost-effective and likely to result in significant improvement in the energy efficiency of residential accommodation in its area.
2. This HECA report (Appendix A), therefore sets out Norwich City Council's approach to energy conservation measures to improve the energy efficiency of residential accommodation in the City.
3. This report will be a living document and will be updated as the council continues work to improve the energy efficiency of residential accommodation in Norwich over the coming months and years.
