

Amendments to the June 2023 Cabinet reports on Gypsy and Traveller Accommodation in the Greater Norwich Local Plan

The following table sets out corrections and amendments to the cabinet report:

Amendment to report	Reason for change
<p>Include the word “additional” in the second clause of recommendation 5 of the report as set out in bold below (please note that this has been included elsewhere in the report):</p> <p>5., which may include proposals to allocate one or more of the additional focused consultation sites, to ensure the Greater Norwich Local Plan is found sound through its examination.</p>	<p>To provide clarity that only the three sites from the current additional focused consultation will be considered for recommendation to the inspectors through the delegated authority provided by recommendation 5.</p>
<p>Revise paragraph 20 so that it reads:</p> <p>Feedback from key organisations, as set out in the “Summary of Consultation for the Gypsy and Traveller Sites Focused Consultation (H6.1)” document, such as Anglian Water, Historic England, the Environment Agency and Natural England did not identify significant technical issues for any other sites. In addition, other consultation feedback summarised in document H6.1 does not raise specific constraints that prevent other sites consulted on as favoured options being progressed through the plan’s examination. Document H3.3, the Focused Consultation Update May 2023, provides an update on the Site Assessment information on a site-by-site basis taking account of consultation feedback. It informs the recommendations made in this plan and amendments to the draft policies which were consulted on for sites proposed to be recommended to the inspectors for inclusion in the plan.</p>	<p>To provide clarity that all consultation feedback has been taken account of in making recommendations to members.</p>
<p>Amend the first bullet of paragraph 21 so that it reads:</p> <p>GNLP 5025, Woodyard, Reepham Road, Foulsham for 2 additional pitches beyond the 2 already occupied.</p>	<p>To correct the text which states that 3 additional pitches are proposed at the Woodyard site in Foulsham rather than 2.</p>
<p>Amend the third bullet of paragraph 21 so that it reads:</p> <p>GNLP5027 Land off Brick Kiln Road, Hevingham for 5 additional pitches beyond the 1 already occupied. The initial assessment indicates it is suitable for development.</p>	<p>To correct the address of the site from Brick Kiln Lane to Brick Kiln Road.</p>
<p>Amend Topic Paper Appendix A to delete row 9 for site GNLP5005 for 2 pitches at Strayground Lane, Wymondham.</p>	<p>To reflect the fact that the site has now been included in row 10 below in combination with the second Strayground Lane site and is now known as GNLP 5028 A and B</p>
