Information for members of the public

Members of the public and the media have the right to attend meetings of full council, the cabinet and committees except where confidential information or exempt information is likely to be disclosed, and the meeting is therefore held in private.

For information about attending or speaking at meetings, please contact the committee officer above or refer to the council's website

If you would like this agenda in an alternative format, such as a larger or smaller font, audio or Braille, or in a different language, please contact the committee officer above.

Agenda

Amendment to Graph 3.0

Please note that Graph 3.0 has been corrected and should replace the graph on the final page of the covering report because the data for 2016-17 was incomplete. The graph below is therefore the correct version.

Graph 3.0: Main contributing emissions sources over time:

*net emissions for electricity used in council buildings from October 2016, following the introduction of the Green Tariff.
