Philippa Dransfield, chief accountant 01603 212562

Background documents

None

Report

Background

1. In July 2015 cabinet resolved to:
 - approve the establishment of a local housing development company to build, sell and manage houses for sale and rent; and,
 - delegate the detailed arrangements to allow the establishment of the company to the executive head of regeneration and development in consultation with the portfolio holders for resources and income generation and environment and sustainable development.
2. The first development to be taken forward by the company is Three Score phase 2. This is a 172 dwelling development, of which 112 dwellings will be built to passivhaus standards. The development will include 33% affordable housing with the remainder of the units being private dwellings to be sold or rented on the private market by the company.
3. In October 2015, cabinet resolved to transfer the land for Three Score phase 2 to the housing development company, to loan funds to the company to carry out the development and to enter into a service level agreement with the company to enable the council to provide services to the company.

Norwich Regeneration Ltd.

4. The company is wholly owned by the city council. It has been registered initially in the name of Norwich Regeneration Ltd. (This will be changed once further work on branding has been completed). The company is required to seek approval from the council for its business plan. The company is then able to carry out its activities within the parameters of the business plan.
5. The board of the company held its first meeting on 21 October and agreed in principle to enter into the necessary agreements with the council to allow it to take forward the development of Three Score phase 2. At this first meeting, the board also approved the company business plan, subject to further detailed information being provided. This plan covers the remainder of 2015-6 and the lifetime of the development of Three Score phase 2. The plan will be reviewed at the start of the 2016-7 financial year and thereafter on an annual basis. In future other development sites may be considered for inclusion within the company business plan. Future reviews will be reported to the council for approval.
6. The business plan itself is a confidential appendix which can be found at item 13.

Integrated impact assessment

NORWICH
City Council

The IIA should assess **the impact of the recommendation** being made by the report
