

For Norwich Joint Highways members from Cllr Julie Brociek-Coulton

Dear Councillors,

Double yellow lines for Sewell Ward

I would like to agree with the recommendation to the committee and hope that you will pass the double yellow lines put forward for Sewell.

Denmark Opening

I would really like to thank Linda Abel for all of the work that she has done to help the businesses at Denmark Opening and residents at Layson Drive. We held a meeting at the Denmark Café for the businesses and the consultation proves that the double yellow lines are needed. It will also help the residents in Layson Drive to be able to get into their home, who have had trouble getting emergency services to their properties on Layson Drive (which is off of Denmark Opening.)

Garrett Court and Gertrude Road

Residents living in Garrett Court are finding it extremely difficult to get out of their court safely. because of way that residents from Gertrude road and the surrounding area are parking. It virtually makes it impossible to see down the road to approach Gertrude Road Safely.

Mousehold Avenue and Lavengro Road

This junction is very dangerous with parents parking on the corners of a very busy road during school drop off hours. This would also help the bus to get around this bend without having to negotiate cars parked there.

Thank you for your time

Cllr Brociek-Coulton
