Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam

I am writing to confirm that Norfolk Police have been consulted on the application for a new premises licence for 16 Prince of Wales Road Norwich.

This application gives a description that that they are intending on operating as a karaoke bar with private booths. The application requests live music, recorded music and the sale of alcohol for consumption on the premises from 1200-0300 hrs daily.

The operating schedule within the application offers several measures to promote the licensing objectives such as staff training and records, installation of CCTV which records for 31 days and employment of door security.

The premises has been operating under Temporary Event Notices whilst waiting for their premises licence to be granted.

Following a recent incident which came to the attention of Police when the premises was operating under a TEN, I request that there are further conditions to be added to the licence relating to the supervision and management of the karaoke booths.

To promote the licensing objectives, I request that the following conditions are added to the premises licence:

- Patrons will be prevented from taking open vessels of alcohol off the premises.
- For alcohol on sales, alcohol sales will cease at least 15 minutes prior to closing to allow for a drinking up period.
- A signing in book will be kept at the premises. This will record the name, date, tour of duty and SIA badge number of the SIA door supervisor. This record will be provided to police or Licensing Authority on request.
- Bar Staff and SIA staff will receive safeguarding training relating on what to do if a vulnerable customer is found on the premises.

- **Contact details of the night-time volunteer agencies will be kept at the premises for staff to access if needed.**
- **Bar staff and/or Door staff will monitor live CCTV of the private karaoke booths to monitor the behaviour of patrons and manage levels of intoxication.**
- **Physical checks will be carried out of the private booths by bar and/or door staff every 30 minutes to assess the behaviour of patrons and establish if patrons need to cease alcohol consumption. Records of these checks will be kept and available on inspection.**

With these conditions added to the premises licence, there are no Police objections

Yours faithfully,

Michelle Bartram

Dear Michelle,

Sorry for the late reply and many thanks for your help, I have discussed with the manager and my partner, we agreed with the conditions to be added to the premises licensing. There is one more thing I would like to ask, when I was applying, I added the late night refreshments, but I did not find it on the proposal you've sent it to me. Please could you check this for me?

Good morning,

I wish to object to the proposed license for a number of reasons.

1. The premises has been operating unlicensed for the provision of music and supply of alcohol in excess of 12 months. This has been reported to the council previously. This goes against the licensing objective of reduction/prevention of crime.
2. The venue recently had a TEN notice where the hours were exceeded and a patron was physically carried out of the venue as they were too intoxicated. This goes against the objective of public safety, public nuisance and prevention of crime.

The premises has been blatantly disregarding the law and running roughshod over those neighbouring venues who adhere to licensing and the acceptance of this license will lead to potentially uncontrollable daily amounts of inappropriate conduct, public nuisance and excess intoxication.

A smith
