Report to Mousehold Heath Conservators

30 January 2015 Item

Report of Chief Finance Officer Revised
Subject Budget & Precept 2015/16 report

Purpose

For the Conservators to set the budget and approve the precept for the Mousehold Heath Conservators budget 2015-16.

Recommendations

That the Conservators:

- 1. Review the forecast balances position set out in paragraphs 3-4;
- 2. Consider the risk management arrangements set out in paragraphs 5-9;
- 3. Review the budget proposals set out in paragraph 10 and accordingly approve or amend 2015/16 budgets as set out in Appendix A;
- 4. Resolve to place a precept on Norwich City Council in the relevant amount for the financial year beginning 1 April 2015, as per paragraph 12;

Financial Consequences

The agreed precept will be for the financial year beginning 1 April 2015. This forms part of the General Fund Budgetary Requirement for Norwich City Council.

Strategic Objective/Service Priorities

The report helps to achieve the corporate priorities "city of character & culture" and "value for money services".

Background Documents

Working papers

Report

- 1. Each year the Conservators are required to determine and approve the budget for Mousehold Heath, and to make a levy on Norwich City Council.
- 2. A separate report on this agenda sets out details of the budget & expenditure and forecast outturn for the current financial year, 2014/15, which informs the precept and budget proposals within this report.

Balances

3. The current forecast is for a net underspend of £4,352 in 2014/15 to be added to the balance brought forward from previous years' precepts. The balances position for 1 April 2015 is therefore estimated at:

Balance brought forward at 1 April 2014	£(10,646)
Impact of forecast outturn 2014/15	£(4,352)
Forecast Balance at 1 April 2015	£(14,998)

4. This level of balances represents 7% of the proposed budgeted expenditure (excluding accounting adjustments). Conservators may wish to consider the adequacy of this level in the light of the risks referred to in paragraphs below.

Risk Management

- 5. The Conservators have previously expressed their wishes to consider, in conjunction with the budget and precept, risks to the financial position. These risks to the Conservators as the statutory decision-making body for the Heath, and to the council in implementing conservators' decisions, are incorporated within the council's own Risk Management Strategy (RMS).
- The RMS requires that risks are considered at operational, tactical, and strategic levels, and escalated to an appropriate level for mitigation to be agreed and implemented.
- 7. Risks are managed and mitigation provided through, among other measures:
 - Ensuring that appropriate systems and procedures are in place to safeguard the health & safety of staff, residents, and visitors;
 - Taking steps to reduce the likelihood of adverse events occurring, through planning and risk assessment;
 - Mitigating against the financial impact through insurance against adverse events;
 - Holding sufficient reserves, both in the revenue Contingency and through the maintenance of a prudent minimum level of balances, to meet unexpectedly arising costs. The adequacy of these reserves is itself risk-assessed annually.
- 8. Financial risks, such as overspends resulting from adverse events, are therefore considered and provided for by the council at a corporate level.

9. The Conservators' reserves are expected to amount to £14,998 (see paragraphs 3-4) which represents 7% of the proposed budgeted expenditure (excluding accounting adjustments). This provides an initial level of internal risk management resource, mitigating any need to call on the council for further support.

Budgets

10. The following table summarises the proposed movements in the budget between the base budget carried forward from 2014/15, and the proposed budget for the 2015/16 financial year.

Base Budget 2014/15	212,385
A: Salary & pension cost increase	1,687
B: Contractual decreases	(3,233)
C: Changes in overhead recharges	3,726
Other	(242)
Proposed Budget 2015/16	214,323

11. The detailed proposed budget for 2015/16 is set out in Appendix 1, cross-referenced to the budget movements summarised above

Precept

- 12. The precept required to fund this expenditure would be £211,073 (14/15 £210,907). This would be an increase of £166 over the 2014/15 precept, equivalent to less than 0.1%.
- 13. Should the Conservators wish to increase or decrease the level of balances, in light of the risk environment as discussed above, the proposed precept would need to be amended accordingly.
- 14. As a "local precepting authority", the Conservators' precept is not subject to the coalition government's determination of principles for "excessive" increases. The increase in precept will instead by contained within the council's permitted increase in council tax without seeking approval through a local referendum of up to 2%.
