### Background Documents

The Licensing Act 2003  
Guidance issued under Section 182 of the Licensing Act 2003  
Norwich City Council Statement of Licensing Policy

## **1.0 Licensing Act 2003 (The Act): Review Applications**

1.1 The Act provides a mechanism by which, following the grant of a Premises Licence, a Responsible Authority (e.g. Police or Fire Authority) or Interested Party (e.g. a resident living in the vicinity of the premises) may ask the Licensing Authority to 'review' the licence because of a matter(s) arising at the premises in connection with any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm).

1.2 The Licensing Authority must advertise the review by displaying a notice at, on or near the site of the premises to which the application relates and at the main offices of the Licensing Authority. Notification of an application is also sent to properties within the vicinity of the application premises, in accordance with the policy previously agreed by the City Council's Licensing Committee.

1.3 The Act provides the Licensing Authority with a range of powers that it may exercise on determining a review, where it considers them necessary for the promotion of the licensing objectives. However, the Licensing Authority may decide that no action is necessary if it finds that the review does not require it to take any steps necessary to promote the licensing objectives.

2.4 Where a Licensing Authority considers that action under its statutory powers are necessary, it may take any of the following steps:

- To modify the conditions of the Premises Licence (which includes adding new conditions or any alteration or omission of an existing condition);
- To exclude a licensable activity from the scope of the licence;
- To remove the Designated Premises Supervisor (for example, because they consider that the problems are the result of poor management);
- To suspend the licence for a period not exceeding three months; and
- To revoke the licence.

1.5 It should be noted that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months.

1.6 Section 177 of The Act allows, in certain circumstances, for the suspension of any conditions relating to the provision of music entertainment imposed by a Licensing Authority, meaning for example that a condition as to the closure of doors and windows or provision of a noise limiter may not be enforceable. However, Section 177 can be disapplied if, following a review of the licence, it is amended to say that this exemption does not apply. This matter is addressed in paragraphs 3.25 – 3.31 of The Guidance issued by the Secretary of State under Section 182 of The Act reproduced in Appendix I to the report.

2.4 The following parties have a right of appeal to the Magistrates Court if they are aggrieved by the licensing authorities decision:

- The applicant for the review;
- The holder of the Premises Licence; and

- Any other person who made relevant representations in relation to the application.

## 2.0 Application for Review

2.1 An application to review the Premises Licence in respect of the Wafou 15 Prince of Wales Road Norwich NR1 1BD has been received from the Norfolk Constabulary. A copy of the application is attached at Appendix A to the report. In addition to their written submissions, the police have also submitted a number of computer discs containing CCTV footage of matters referred to in the review application. Copies of both the review application and computer discs have been given to the premises licence holder.

2.2 The grounds for review fall under the licensing objectives of the prevention of crime and disorder and public safety. No previous application for review has been received in respect of these premises.

2.3 Following the receipt of the review application on 1 March 2012, the police submitted additional representations in respect of the review application and these are attached at Appendix A1 to the report. Further computer discs containing CCTV footage were also submitted and these, together with the additional written representations were served on the premises licence holder and the other responsible authorities.

2.4 The police propose to show a summarised version of the CCTV footage at the sub-committee hearing, highlighting a selected number of incidents to support the review application.

2.5 The current premises licence in place allows for the following licensable activities:

3.2 There have been three Interested Party representations supporting the review application. These are attached to the report at Appendix F.

3.3 A site map of the area identifying the premises to which the application relates is attached as Appendix G. A more detailed map of the area detailing the Interested Parties' residences will be available at your meeting.

### **4.0 Norwich City Council Statement of Licensing Policy**

4.1 Attached at Appendix H are the elements of the City Council's local Licensing Policy which are considered to have a bearing upon the application:

### **5.0 National Guidance (issued under section 182 of the Licensing Act 2003)**

5.1 Attached at Appendix I are the elements of the National Guidance issued by the Secretary of State that are considered to have a bearing upon the application.

### **6.0 Summary**

6.1 The Sub-Committee is obliged to determine this application with a view to promoting the licensing objectives which are:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance;
- the protection of children from harm.

6.2 In making its decision, the Sub-Committee is also obliged to have regard to guidance issued under Section 182 of the Licensing Act 2003 (National Guidance) and the Council's own local licensing policy. The Sub-Committee must also have regard to all of the representations made and the evidence it hears.

6.3 If, after considering the application and relevant evidence, action is considered necessary, the Sub-Committee must take such of the following steps as it considers necessary for the promotion of the licensing objectives:

- To modify the conditions of the Premises Licence (which includes adding new conditions or any alteration or omission of an existing condition);
- To exclude a licensable activity from the scope of the licence;
- To remove the Designated Premises Supervisor (for example, because they consider that the problems are the result of poor management);
- To suspend the licence for a period not exceeding three months; and
- To revoke the licence.

6.4 The Sub-Committee is asked to note that it may not modify the conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be necessary in order to promote the licensing objectives.

**Please state the ground(s) for review** (please read guidance note1)

It is the opinion of the Norfolk Constabulary that the management of the premises have failed to adhere to the Licensing Objectives as set out in the Licensing Act 2003. The grounds for review are based on the venue demonstrating a blatant disregard of the existing conditions of the premises license despite continual dialogue between Norfolk Constabulary Licensing Team and the premises license holder Mr. Al-Fode Oulare.

These staged interventions have not led to any noticeable improvement in the management of the venue.

The following issues are raised by Police for consideration by the committee:

- Evidence of daily breaches of conditions attached to the Premises Licence in particular "No entry after 4am"
- Evidence to show a significant number of incidents of crime and disorder occurring at the premises due to the venue ignoring the 4am no entry condition and being licensed until 6am.
- Unacceptable levels of intoxication due to alcohol at the premises.
- Evidence to demonstrate manager Mr. Fode Oulare being obstructive, aggressive and uncooperative towards Police.

Norfolk Constabulary is of the opinion it is unfortunate an application to review the premises has to be sought in this manner. It would appear that, despite best efforts to achieve a licensed venue which is managed and run in the spirit in which the Licensing Objectives suggest, this has not been achievable. It should be noted that Norfolk Constabulary does not seek to review premises lightly and seeks to ensure a good working relationship with all licensed premises in Norwich. However it would appear that Norfolk Constabulary Licensing Team has experienced a venue which is persistently breaching the legislation regardless of intervention. It is suggested that the financial needs of the business clearly outweigh any obligation to adhere to the licensing laws.

As a Responsible Authority, Norfolk Constabulary believes it necessary to bring an application to review due to its obligations under the Licensing Objectives and highlight that a deliberate flouting of the Licensing Laws cannot be tolerated. A premise that continues to ignore the law and attracts incidents of disorder has a detrimental impact on public safety to customers and the community as a whole.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

By way of background, Wafou is located on 15 Prince of Wales Road in the centre of the Night Time Economy area. The premise has been open since March 2010. The Manager and Premises Licence Holder Mr. Al Fode Oulare applied for a premises licence to allow the premises to open until 0600 hrs daily.

In order to reduce the impact from the premises, the following conditions were agreed by both the applicant and Police and added to the Premises Licence upon opening:

- **There will be a minimum of 2 SIA door supervisors on the entrance to the premises on Friday and Saturday nights from 2200 hrs until close. On all other nights, a minimum of 1 SIA door supervisor will be employed to manage the entrance to the premises from 2200 hrs until close. There will also be an additional 1 SIA door supervisor employed for each upper floor when it is open to the public.**
- **A CCTV system shall be installed and operating at all times when the premises is open for business and maintained in good working order. Images will be recorded and stored for 28 days and be available to Police or Licensing on request.**
- **No entry will be admitted after 0400 hrs**
- **The door supervisor will monitor the capacity using clickers and ensure drinks are not taken off the premises**
- **The Licensee or nominated representative will become a member of the Norwich Licensing Forum and shall attend at least 3 meetings a year**
- **The venue will maintain membership of SIRCS or other equivalent systems as recognised by Norfolk Constabulary**
- **Whilst the premises is open to the public and when available, a radio communication system will be in use to communicate to other venues and Police.**
- **Door staff will wear hi-visibility clothing when working on duty.**

The attached Plan shows the exact location of the premises and the neighbouring venues. This plan demonstrates that no other premises in the close vicinity of the venue has a similar licence as late as Wafou showing the premises is responsible for the incidents that happen later in the evening when other venues are closed.

The "No entry after 4am" condition was imposed to prevent customers from other venues who have already consumed excess levels of alcohol from entering the premises and causing incidents of disorder. This also prevents a flashpoint at the front of the premises by those wanting to enter after all the neighbouring venues have closed.

This condition has been constantly ignored resulting in customers gaining access to the venue during all hours of opening and causing a higher number of incidents to occur in particular between 4am-6am. This has increased the levels of crime due to patrons drinking alcohol for longer and increasing levels of intoxication. Evidence of breaching of this condition can be seen within hours of the Premises Licence Holder meeting with Norfolk Constabulary team and an assurance given by Mr Al Fode Oulare he would adhere to the condition. This is clear evidence of the disregard to the licensing legislation.

Norfolk Constabulary would draw attention to Norwich City Council's Licensing Policy and in particular paragraphs:-

12.2 – "...The Council will take firm action where the licensing objectives are found to be undermined."

13.2 – "...the DPS and the Premises Licence Holder remain responsible for the premises at all times and have a duty to comply with the terms of the licensing act and any conditions, including the matters set out in the premises' operating schedule, in order to promote the licensing objectives."

A Chronology of Incidents, Interventions and Breaches that have occurred at the premises in the last 6 months has been formulated. The Table attached demonstrates all the intervention from Norfolk Constabulary and the pattern of breaches that have occurred despite this. This reinforces that breaches of licence that have occurred on a daily basis, some immediately after warning letters and intervention meetings.

In addition to the Police officer statements of daily breaches, Norfolk Constabulary is able to produce CCTV evidence of these breaches and the disorder that has occurred as a result of the premises being opened and badly managed. This footage cannot be denied or argued by the management of the premises as it even includes the manager Mr. Oulare allowing entry himself. For the benefit of the committee hearing, the CCTV footage has been combined on to one disc but the full versions are available for access.

It is apparent that the Manager and Premises Licence Holder, Mr. Oulare appears to be the catalyst for many of the problems at the premises. It would also appear the the Designated Premises Supervisor is rarely at the premises and has little input into the day to day management of the premise. It should also be noted that Mr Oulare is not a personal licence holder. It is therefore Norfolk Constabulary's view that the premise is poorly managed and patrons are allowed to reach unacceptable levels of intoxication on site. There have been incidents at the premises some involving Mr. Oulare himself.

Norfolk Constabulary can also evidence that Mr. Oulare is responsible for the blatant breaches of licence. Of particular concern, there have been occasions where Police Officers have observed door staff complying with the No entry are 4am condition and Mr. Oulare overturning this and allowing entry. This has happened in full view of the Police Officers who have issued a verbal warning. The Statement from Sgt Cubitt in relation to her visit on the 29<sup>th</sup> January 2012 reinforces this and also records that Mr. Oulare was intoxicated whilst in control of the premises.

**Police can evidence from CCTV footage that from 15<sup>th</sup> January 2012-23<sup>rd</sup> February 2012 there has been 61 breaches of the last entry condition during this time. The evidence points to increased levels of intoxication beyond 4am and an increase of crime at or in the vicinity of the premise.**

Further to this, Mr. Oulare has shown to be aggressive and sometimes obstructive towards Police Officers. There are real concerns that if a serious incident were to occur at the premises, the Police would struggle to obtain CCTV and full co-operation from the venue management. An example of this is contained in PC Wallace's statement and letter contained within the evidential bundle.

The Designated Premises Supervisor (DPS) of the premises is a Deborah Ridge-Ward. It is apparent that the DPS is merely a manager on paper. On most visits made to the venue when the premise is open to the Public, the DPS has not been on site and made available to Police. The DPS has admitted during previous meetings that she is involved in the day to day tasks and works mainly during the day. This means that she has no control as to whether the conditions are being complied with. It is very clear that Mr Oulare has the full control of the premises.

In addition to breaches of the Premises licence and poor management at the premises, drunkenness on the premises is a problem. The incidents of crime and disorder that occur off site are mainly as a result of the levels of intoxication by patrons. Disc MP12 from the 24<sup>th</sup> January 2012 (CCTV Ref: 6235) shows CCTV footage of a male leaving the premises who is so severely intoxicated that he is unable to stand. The footage is disturbing by the fact that the male falls over close to the main road and could have potentially been run over. At no point did the security or management at the premises show a duty of care towards this person despite him being in full view.

It is also apparent that the management at the venue tries to deal with incidents in house without contacting the Police to deflect attention. PC Springall advised of Mr. Oulare's comments following an incident on the 22/01/12, "**Oulare has commented that he has only had one incident at his bar since it opened and he does not want another and refused to make a statement.**"

Norfolk Constabulary would argue this is in clear contravention to the Licensing Objectives and not the actions of a responsible business owner. It is further argued that evidence gathered may not be a true reflection on the levels of crime within the premise. To support this assertion the majority of incidents contained in

Norfolk Constabulary as mentioned above has sought to form a working relationship with the venue in accordance with the Statutory Guidance under the Licensing Act 2003. The venue has received a number of formal warning letters by highlighting the conditions attached to the licence. A final intervention meeting was carried out by Norfolk Constabulary Licensing Unit and both manager and DPS of the premises on the 7<sup>th</sup> February 2012. Police used this opportunity to stress that the venue has had been given sufficient time and guidance to improve and any further breaches would be acted on. Both Mr. Oulare and DPS Deborah Ridge-Ward both agreed to comply with the conditions and signed the follow up letter confirming this. Despite this final intervention meeting, the premise has continued to breach further following this on the 8<sup>th</sup> February, 10<sup>th</sup> February and 11<sup>th</sup> February 2012 onwards.

Management at the venue was fully aware that breaches of the licence had been found and that the premises has been closely monitored and checked. Despite these constant checks and a visible CCTV van located on Prince of Wales Road, the premises still continued to breach the licence.

There have been serious incidents of assault at the premises including Mr. Oulare being involved in one. Disc JH1b from the 24<sup>th</sup> November 2011 shows CCTV footage of Mr. Oulare chasing a group up Prince of Wales Road in Prince of Wales Road holding a metal pole. It is accepted that Mr. Oulare was arrested and following liaison with the Crown Prosecution Service no further action was to be taken against him. However despite this Norfolk Constabulary are of the view the actions are not those of a responsible person running a late night venue in Norwich.

Police are now aware of an incident as a result of monitoring CCTV evidence. An incident on Disc MP20 the 16<sup>th</sup> February 2012 at 04.59am (CCTV Ref: 6256) shows Mr. Oulare being involved in an altercation with a male who had been ejected from the venue. This incident resulted in the ejected male being punched to the ground by Mr. Oulare. This footage which can be produced to the committee shows Mr. Oulare taking a fighting stance and moving others out of the way in order to deal with the victim himself. There is no record of this in the incident book or any call to Police requesting assistance in removing this male.

CCTV footage (CCTV Ref: 6258) of the 19<sup>th</sup> February 2012 at 05.14 hrs also needs to be highlighted. This shows Police and paramedics entering the venue to deal with an intoxicated female. Despite the presence of Police inside, the venue still breach the no entry after 4am condition, by allowing entry at 05.16 hrs and 05.24 hrs.

There have been 2 Multi-agency meetings carried out to discuss the problems emanating from the premises. It is clear that other responsible authorities and agencies have experienced difficulties in ensuring that the venue is complying with all the necessary requirements. The final meeting on the 21<sup>st</sup> February 2012 highlighted that there are outstanding issues and concerns by Norwich City Council Planning and Health and Safety.

Norfolk Constabulary is of the view that a **suspension of the licence is not sufficient in order to resolve the long term issue**. Due to the uncooperative behavior of the management, Police feel it is difficult to improve the venue without management complying leaving limited options.

In order to prevent any future risk to public safety and to prevent a serious incident occurring at the premises, **there is no other option but to revoke the premises licence.**

To support this view relevant paragraphs in the Statutory Guidance are:-

Para 2.12 – "In the context of crime and disorder and public safety, the preservation of order on premises may give rise to genuine concerns about the competency of the management team."

Para 11.19 – "In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns which the representations identify. The remedial action taken should generally be directed at these causes and should be no more than a necessary and proportionate response."

Para 11.24 – "... The Licensing Authority's duty is to take steps with a view to the promotion of the licensing objectives in the interests of the wider community and not those of the individual holder of the premises licence."

**Therefore revocation of this licence would prevent any further breaches of the licence and prevent the venue from causing any further impact to the community.**

There has been a clear disregard to the promotion of the Licensing Objectives in this case which has a clear impact of the reputation of the city of Norwich as a thriving night time economy destination.

In summary, the following issues have prompted this review:

- The lack of management and inability to run the premises correctly and safely
- The daily breaches of the premises licence
- The manager of the premises continuing to show a blatant disregard to the law and towards responsible authorities
- Unacceptable levels of intoxication from alcohol on the premises.

**Norfolk Constabulary requests that the committee carefully consider all the points raised and supports the recommendation made.**

## Annex 1 – Mandatory conditions

- 1 No supply of alcohol may be made under a premises licence -
  - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- 2 Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
- 3 Where, at specified times one or more individuals must be at the premises to carry out a security activity each such individual must be licensed by the Security Industry Authority.
- 4 (1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children -

  - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to -
    - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
    - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
  - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
  - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
  - (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on -
    - (i) the outcome of a race, competition or other event or process, or
    - (ii) the likelihood of anything occurring or not occurring;
  - (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
- 5 The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
- 6 The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
- 7 (with effect from 1 October 2010)
  - (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
  - (2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
- 8 (with effect from 1 October 2010)

The responsible person shall ensure that -

  - (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

- (i) beer or cider: half pint;
  - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
  - (iii) still wine in a glass: 125 ml; and
- (b) customers are made aware of the availability of these measures.

I am Civilian Police licensing Officer Michelle Bartram and work for Norfolk Constabulary Licensing Regulation Team.

On the 3<sup>rd</sup> June 2011 at 1600 hrs, I attended a joint meeting with Norwich City Council Enforcement Officer Tony Shearman at Wafou, 15 Prince of Wales Road. The purpose of this meeting was to meet on site with Ms Deborah Ridge-Ward who is the Designated Premises Supervisor and the manager/Premises Licence Holder Mr Al Fode Oulare to discuss the outstanding issues with the premises and to meet with the new DPS of the venue and confirm that she was definitely working on site. Both Norwich City Council Licensing and Police were aware that the previous DPS, Lee Freer had resigned due to Oulare ignoring his requests and advice and that the venue had been without a DPS. Information was received from Norwich City Council that Oulare had contacted various personal licence holders for them to sign the consent form in order for the premises to continue to operate but had found difficulty in finding someone willing to do this. The Meeting was to meet with the DPS Ridge-Ward to ensure that she is involved in the day to day running of premises and knows the conditions of the licence.

Mr Oulare escorted us around the venue advising of the improvements made to the fire exits and the newly improved top floor upstairs. Tony Shearman advised that the recent committee hearing determined that the upstairs floor was now licensed but with conditions attached in relation to the control of noise and to replace the upstairs window to prevent noise escaping. Oulare advised that he would wait a few weeks prior to opening the upstairs to ensure the

noise was correctly controlled.

On arrival at the meeting, Ridge-ward advised that she had been at a BBQ and came away to attend this meeting which she seemed to be inconvenienced by. I advised that it was important that all parties met and discussed the venue due to being in the Centre of Night Time Economy and to ensure that she is aware of the full conditions attached to the premises licence. I could smell alcohol and cigarettes on Ridge-Ward and she did not seem interested in the conversation and the points highlighted. We discussed the licence and both Tony Shearman and I highlighted the conditions and explained that these need to be adhered to. Oulare and a Chinese Male who was later established to be called Tony escorted Tony Shearman upstairs to the Karaoke area.

Ridge-Ward remained at the bottom of the stairs and when I questioned who the other person was, she shrugged her shoulders and didn't seem to care. Ridge-ward then advised that she was not going up there as she had a bad knee which I then queried how she would manage the other floors properly if she couldn't even get up the stairs.

I took this opportunity to advise Ridge-Ward that there were concerns with Oulare and the running of his venue. I informed her that Police were receiving information that there has been breaches of the Premises Licence and that Oulare had contacted other personal licence holders for them to agree to be Designated Premises Supervisor prior to her in which that they refused. I stressed the importance of her name being on the licence and that if there were to be enforcement action, she would also be responsible. Ridge-Ward advised that she knows what she is doing and happy to be DPS at the venue and that she will not risk her personal licence for anyone.

I am Temporary Sergeant 270 Simon WALLACE of the Norfolk Constabulary, currently based at Earlham Police Station in Norwich.

On MONDAY 12<sup>th</sup> SEPTEMBER 2011 I attended WAFOU, 15 PRINCE OF WALES ROAD, NORWICH in company with PC 1613 HARROWING.

We attended in response to a report of hate-related abuse directed at the premises licence holder, Al-Fode OULARE by a customer. OULARE explained that the customer had said to him "HEY YOU NIGGER, COME HERE". Whilst investigating the incident, OULARE seemed to struggle to understand requests for information such as description of suspect, and what had actually happened. PC HARROWING obtained a statement, along with CCTV, but OULARE also struggled severely with operating the CCTV system. I challenged OULARE on this, explaining that the licensing objectives under the Licensing Act 2003 meant he should be able to provide CCTV quickly in the event of a more serious offence. OULARE stated he normally operates the system quickly and confidently but was so shocked by the racist abuse he received that he suddenly forgot how to operate the system. OULARE's inability to provide information requested about the suspect, led to numerous, significant changes in the description given, meaning officers searching for the suspect were unable to locate anyone matching the final description. As a result, one male matching the original description was arrested and subsequently de-arrested following another change in the description. OULARE also states the fire alarm was set off maliciously shortly after the abuse incident, but was unable to give a consistent indication of how long the gap was between the two incidents. At various times during OULARE's account, the gap between the two incidents ranged between a few seconds, and 5 minutes.

I found OULARE very unsure of how to provide evidence to police investigating the incident, and on the basis of the above experience with OULARE, I am not confident that he is a capable manager of a busy city-centre nightclub.

Continuation Statement Of: Simon David LAURE Page 2 of 2

Following that incident I attempted to investigate the racist abuse, my intended investigation included circulating images from the CCTV OULARE had provided on the night. However, despite PC HARROWING and myself having specifically asked OULARE to copy to disc the footage covering both incidents, the disc did not cover the area where the racist abuse had occurred. I then attempted to contact OULARE including leaving a police-marked calling card on the weekend of 8<sup>th</sup> OCTOBER 2011 asking for OULARE to provide footage, the request covered the time, date and location required. I also emailed OULARE via alcollection@hotmail.com (the email address OULARE has provided to police) on 12<sup>th</sup> OCTOBER 2011 again requesting footage, and pointing out OULARE's requirement to provide CCTV to police as a condition of his licence.

Regarding my attendance at WAFOU on 12<sup>th</sup> SEPTEMBER, my original notes are on an InnWeb report, and in relation to my requests for CCTV, my original notes are on the Crime and Intelligence System. I have used both sources to refresh my memory relating to details for this statement, which I completed at 2235hrs on SATURDAY 4<sup>th</sup> FEBRUARY 2012. However I very clearly remember the impression OULARE left me with as I was so disappointed and perturbed by his lack of ability to provide information to police on what had happened.

On the 19<sup>th</sup> September 2011 at approx 1200 hrs, I visited the premises Wafou with Norwich City Council Health and Safety Officer Peter Riseborough. I had visited another venue on Prince of Wales with Mr Riseborough and he then advised that he needed to visit Wafou on the way back to the office so I agreed to accompany. On arrival we both noticed approx 4 large bin bags full of rubbish and bottles dumped outside the front of the premises. The DPS of the premises known to be Deborah Ridge-Ward then came out the front of the venue to see what he were looking at. Peter Riseborough highlighted his concern of this rubbish being dumped outside and Ridge-Ward informed us that she had only just started her shift and wasn't there when the venue closed so does not know who put them outside.

Mr Riseborough then asked to see the handrail at the bottom of the stairs as there had been previous formal warnings about the lack of hand rail facility at the venue. Ridge-Ward advised that a friend had tried to assist by installing a hand rail but this fell off. Mr Riseborough observed that there was no handrail in place but that there was evidence of holes where one had been installed.

Mr Riseborough advised that this issue would be followed up further with the Premises Licence Holder Mr Oulare.

Ridge-Ward advised that she was close to quitting the previous week due to Manager Mr Oulare not paying her for working however Oulare had convinced her to stay and offered her more day shifts. I highlighted my concerns that she would not be able to manage the premises effectively if she was not here when the venue was open at night however Ridge-Ward advised that Oulare "is not stupid and would not open later than his hours. "

Ridge-Ward reassured me that she is sure that the premises is not opening later than the permitted hours. I warned Ridge-Ward that if the premises is in breach then she would be responsible as DPS on the premises.

Ridge-Ward advised that she is going to look at another job in Exeter at the weekend and if this appears more appealing she will leave Wafou to work there. I reminded Ridge-Ward that if she did leave the employment of the venue, then she must notify both Police and Council to remove her responsibilities of the venue.

I asked if the upper top floor was still being used for Karaoke. Ridge-Ward confirmed that the Kareoke was still in use but that a new karaoke bar will be opening up soon. Ridge-Ward advised that she didn't think that the premises will be running for much longer due to not making enough money to pay the bills.

Over the last three consecutive weekends, I have been on duty in Prince of Wales Road, Norwich performing public order patrols. One of my priorities during this period was to undertake licensing visits to the premises called Wafou, 15 Prince of Wales Road, Norwich.

At 02:00 hours on Saturday 24<sup>th</sup> September 2011, I visited Wafou where I met a black male who stated that he was the duty manager. This male was around 6ft tall, with short black hair and wore a tailored grey suit and shirt. The male had a deep African accent, which combined with the noise and activity in the area meant that I did not understand the males name, despite several attempts to obtain this from him.

The male explained that the DPS (Deborah Ridge-Ward) was not present although again I could not understand the explanation I was given of her whereabouts. I asked to be shown around the premises and was escorted around by one of the SIA doorstaff as the duty manager and his colleagues appeared to be entertaining some guests in the seating area immediately to the left of the front door. I noted that two SIA door staff were present on the door, and whilst I checked that their identity matched their cards, I did not record their details. A supervisor escorted me throughout the premises where I checked the quiet area to the ground floor, main bar and upper levels. The function room on the first floor was closed and on reaching the stairwell to the second level there was a shutter door, preventing access and the floor was in darkness. I was satisfied that this area was closed.

During my visit, it was apparent that there were very few customers and I counted six customers on the premises at that time.

At about 22:00 hours on Saturday 1<sup>st</sup> October 2011, I again met the duty manager I had seen the previous week, whilst walking outside Wafou on Prince of Wales Road, Norwich. I asked to see the DPS, Deborah Ridge-Ward and was informed that she was not present but was expected. At 03:00 hours on Sunday 2<sup>nd</sup> October 2011, I made a formal licensing visit to the premises where I spoke with the duty manager, as before. He informed me that the DPS Deborah Ridge-Ward had been at the premises between 23:00 and 02:30 hours and had now gone home. Despite being in the vicinity of Wafou, I had not seen her or been informed of her presence as a result of my earlier visit. My visit noted two SIA door staff on main entrance with manager overseeing. Like the previous week, only the ground floor was open (I made a visit made to the other floors and these were clearly shut) although there were approximately 50 customers inside.

At 02:45 hours on Saturday 8<sup>th</sup> October 2011, I made a licensing visit to Wafou where I met the same manager as the previous weeks. I was informed that the DPS, Deborah Ridge-Ward was not present during visit as she had been at working earlier in day. I was informed that she had a separate office based occupation during daytime hours but would be present during trading hours on the Saturday night. My visit noted two SIA door staff on main entrance with manager overseeing. I was escorted to the top floor, which for the first time during my visits was open. The manager opened the middle booth of the three karaoke rooms on this floor where I saw 4 people inside. Alcoholic drinks were on the table and music was being played inside. I also noted one male staff member behind bar on top floor. Around 10 customers were around the bar and seating areas on the ground floor.

I am a member of the Norfolk Constabulary Licensing Regulation Team.

On Thursday 6<sup>th</sup> October 2011, I was on full uniform duty involved in a multi agency operation incorporating Norwich City Council, Norwich Trading Standards and other members of the Norfolk Constabulary licensing regulation team visiting various licensed premises in Norwich, Norfolk.

About 21.55 hrs the same day I attended a venue known as WAFOU, 15 Prince of Wales Rd, Norwich, premises licence 11/00706/PREM. I spoke to a male I know as Al-Fode OULARE who is the premises licence holder; I completed a Licensed Premises Inspection form which involves going through the premises licence with the person in charge at the time of the inspection and pointing out breaches of the licence and giving advice as to how they can rectify those breaches. At the end of the inspection the form is given to the person in charge to read and sign if they agree that the form is a fair reflection of what was found during the inspection on this occasion the form was signed by Mr Al-Fode OULARE, I can produce a copy of this form as my exhibit RHS/1 when required.

These are my original notes written in the licensing regulation team office started at 08.45 and concluded at 09.15 hrs on 23/02/12.

About 00.50hrs Saturday 15<sup>th</sup> October 11, I re-attended WAFOU to check compliance with a condition on their licence with respect to numbers of Security Industry Authority licensed door supervisors. Due to this condition being breached I served on OULARE a Closure Notice made under section 19 of the Criminal Justice and Police Act 2001. I also noted that the door supervisors were incorrectly dressed as per the premises licence. I completed the form and it was signed by OULARE, I can produce a copy of this form as my exhibit RHS/2 when required. Whilst on the premises I checked the incident book which is also a requirement of the licence the last entry was 6<sup>th</sup> August 2011 at 02.30hrs.

## CLOSURE NOTICE MADE UNDER SECTION 19 OF THE CRIMINAL JUSTICE AND POLICE ACT 2001

### EXPLANATORY NOTES

#### **Section 19 – Closure Notice**

A police officer has decided to issue this closure notice under the terms of section 19 of the Criminal Justice and Police Act 2001 as amended ("the 2001 Act"). The notice alleges that the said premises have been used for the unauthorised sale of alcohol for consumption on, or in the vicinity of those premises. It also mentions the actions which may be taken by the owner or manager of the premises to end the unlicensed sale of intoxicating liquor, or to prevent it from re-occurring.

#### **Section 20 of the 2001 Act – Closure Orders**

Your attention is drawn to section 20 of the 2001 Act. This provides that the police can take action against the said premises by applying to a justice of the peace at the local magistrates' court for a closure order if the unauthorised sale of intoxicating liquor (as alleged in this closure notice) is continuing, or there is a reasonable likelihood that the premises will be so used in the future. An application for a closure order must be made not less than 7 days, and not more than 6 months, after the date on which this closure notice was served.

After an application for a closure order is made, the justice of the peace may issue a summons requiring the applicant, and also the person or persons on whom the closure notice was served, to attend a hearing at the court on a specified date and time. At the hearing the court will consider the applicant's complaint against the said premises and decide whether a closure order should or should not be made.

In accordance with the Magistrates' Courts Act 1980, and under the law on human rights, you are entitled to be legally represented at the hearing and to make representations to the court before any decision is taken.

#### **Section 24 of the 2001 Act - Appeals**

An appeal against a decision by the magistrates' court to grant a closure order, or a decision to refuse an application for a closure order, can be made by an affected person to the Crown Court within 21 days of the decision.

#### **Section 25 of the 2001 Act - Enforcement Powers and Offences**

It is an offence for a person, without reasonable excuse, to permit premises to be open in contravention of a closure order made by the magistrate's court. Any person found guilty of such an offence will be liable to a fine not exceeding £20,000, or to imprisonment for a term not exceeding three months, or to both.

It is also an offence for a person who, without reasonable excuse, fails to comply with any other terms of a closure order made by the court, or does an act which contravenes those other terms. Any person convicted of this offence is liable to a fine not exceeding £5,000, or to three months imprisonment, or to both.

Police officers and authorised officers from the local authority have the power to enter the said premises at "any reasonable time", and do anything reasonably necessary to secure compliance with the closure order (for example, to board up the premises). However, when exercising this power, the constable or the officer must produce evidence of his authority to enter and also his identity before entering the premises, if asked to do so by the owner (or the occupier or the person in charge of the premises).

It is an offence for a person to intentionally obstruct police officers or authorised local authority officers from exercising these powers. Any person convicted of obstructing a police officer is liable to a fine not exceeding £5,000, or to one month's imprisonment, or both. Any person convicted of obstructing an authorised local authority officer is liable to a fine not exceeding £5,000.

I am a member of the Norfolk Constabulary Licensing Regulation Team.

On Thursday 24<sup>th</sup> November 2011, I was on full uniform duty completing licensing enquiries in relation to a serious incident that had occurred about 03.38hrs the same day inside WAFOU night club, 15 Prince of Wales Rd, Norwich, premises licence 11/00706/PREM which had then spilled on to the pavement and involved males arming themselves with metal poles and fighting.

About 11.50hrs the same day I attended WAFOU, to obtain CCTV footage from inside the venue as required on their premises licence, I spoke to a female I know as Deborah RIDGE-WARD who is the Designated Premises Supervisor; Deborah informed me that the CCTV system is password locked and she did not have access to it, only the premises licence holder Al-Fode OULARE had the password. I explained that due to the seriousness of the incident I would like her to call OULARE and either obtain the password or get him to attend the venue to download the required CCTV footage. Following a telephone call to OULARE eventually he attended the venue at about 13.30hrs the same day when I was given the internal CCTV footage in the form of 2 disc's which I can produce as exhibit A.O/1

Whilst on the premises I checked the incident book which is also a requirement of the licence and although there had been a door supervisor on duty there was no entry in the incident book.

I am Police Constable 1451 Mark Shepherd of the Norfolk Constabulary. I am currently based at Bethel Street Police Station, as part of the Norwich East Safer Neighbourhood Team.

On Saturday 14<sup>th</sup> January 2012, at 2200hrs, I was deployed as part of Norfolk Constabulary's public order deployment in Norwich city centre, in full uniform.

At approximately 0345hrs, on Sunday 15<sup>th</sup> January 2012, I was in the company of Sgt 3100 Hamilton, Pc 1391 Najjar, Pc 1530 Marriner and Pc 443 Jessop, when we were called to WAFOU, on the PRINCE OF WALES ROAD, Norwich, due to a report of a handbag theft.

Upon arrival at the scene, there was approximately four females outside all in various levels of intoxication. These females informed me that one of their handbags had been stolen, by a male in the nightclub. They stated that management allowed them to view the CCTV, at which point they could see their bag being stolen by an unknown male.

One male was identified outside the venue to which he was detained and searched by Pc Marriner.

One of the females stated that the detained male was with another male inside the nightclub, and maybe he had the handbag.

At which point I asked the female to accompany me inside the nightclub in an attempt to identify the other male.

Continuation Statement Of: ..... Page .... of .....

As I started to walk towards the front door through the roped off area outside the nightclub, I informed the doorstaff that the female was going to identify a second suspect. At this point the owner of Wafou, who I know to be AL-FODE OULARE, stated that the female was not allowed in.

I informed Oulare that she was going to identify the other suspect, at which point Oulare stated that he was going to identify the suspect instead.

I informed Oulare that she was a witness to an offence and that she was going to identify the suspect, and not him.

At which point I escorted the female into the premises to identify the outstanding male. Upon entering the premises I walked with the female past the bar area, at which point she identified a male standing at the bar. I informed the female that I was going to speak to the male and that I would speak to her back outside afterwards. I was then aware that Sgt Hamilton was with me and Oulare.

I then escorted the male to an area of the club that was quieter at which point I informed the male that he was being detained for a search, as he had been identified as a suspect.

Upon conducting the stop search Oulare was nearby with Sgt Hamilton. Oulare started to shout that he was not happy I was searching the male on the say so of the female. I informed Oulare that the male was being searched and that he was being obstructive by arguing.

Oulare then started to place his hands upon my arms and chest, which in turn started to antagonise the detained male, who also then started to place his hands upon my chest and arms.

Both males were shouting at me, at which point I told Oulare to go away as he was being obstructive. I informed the male that if he continued to place his hands upon me then I would be arresting him.

Oulare started shouting "NO, NO, NO!" Again started to grab at my arm. I then informed Oulare that I wanted him to go away and get me the premises license, and to stop being obstructive.

Upon hearing this Oulare backed away, so I could conduct the search as I required. After completing the search of the detained male, Sgt Hamilton advised me not to check the

I am Alison Jane CLABON, Sergeant 3318, of the Norfolk Constabulary, stationed at West Norwich Deployment Base, in Norwich.

About 04.30 hours, on Sunday 22<sup>nd</sup> January 2012, I was on public order duties with other Police Officers, on Prince of Wales Road, in Norwich, I was standing near to the "Mojos" Night Club, which is about half way down Prince of Wales Road, when a taxi driver stopped and alerted me to a fight, further up Prince of Wales Road, outside the nightclub called "Wafou". On arrival at "Wafou", together with other Police Officers, I would describe the scene as if the entire "Wafou" door staff had two males being restrained on the pavement outside the club. It initially looked as if there was only one male, as everyone was so close together but on closer inspection there were two males on the pavement.

The Police Officer's with me, who remained at "Wafou", were PC's 1738 Springall, 1740 Stubbs, 1165 Hillary and 47 Collins, as, no sooner than Police arrive at "Wafou", there is a call, requesting Police attendance, for the "100 Nights" Night Club, which is past "Mojos", about three quarters of the way down Prince of Wales Road and so other Police Officers left from "Wafou" on foot, to deal with that call.

The two males who had been restrained by the door staff at "Wafou", I now know to be Nicholas James DEANE born 20/11/91 and Luke Ben ANGI born 28/12/90. Both ANGI and DEANE are/were in the United States of America Armed Forces, based at RAF Lakenheath, in Suffolk.

Continuation Statement Of: AUSON JANE CLABON Page 2 of 3

A black male who I only know as "Al, the Manager" told me that he would provide the Police with the CCTV recording and a statement to the Police about what had happened, later.

Before going inside the night club, I heard "Al" saying to PC Hillary, "You heard what he said 'Nigger' ". "Al" was close to ANGI as he was still being restrained on the pavement. PC HILLARY arrested ANGI for a racially aggravated public order offence.

I now know that "Al" is Fode OULARE.

Arrangements were made for ANGI to be transported to the Wymondham Police Investigation Centre, together with DEANE who by then was also under arrest. DEANE had been arrested for an attempted theft from a handbag by PC SPRINGALL. The escorting officers were PCs STUBBS and COLLINS.

As at almost the same time as the arrest of ANGI was taking place, I was speaking with a Russian female, I now know as Svetlana VISOCKA, who was outside the club. Svetlana explained to me that she had been in the night club with a female friend, also Russian. Svetlana told me that she had been talking to the manager and her friend was talking to a male. This male I believed to be DEANE, Svetlana said that she saw the male open her handbag and take some money. Svetlana checked her purse in her handbag and the £30 in notes she had in her purse were not there. Svetlana grabbed hold of the money but the male would not let go of it. The Manager came over and got hold of the male. The male threw the money to her, as the Manager and Door staff took the male out of the club.

This information was relayed to PC SPRINGALL who arrested DEANE while he was still restrained on the pavement by the door staff.

I was then the only officer who remained at "Wafou". Svetlana and I had gone into the club and she pointed out where she had been inside the club and where she had been sitting. The club did not appear to be that busy but there were still several people inside, standing and sitting, exactly how many is difficult to say since it is so dark inside and my aim was to establish what had happened with Svetlana's money. I do not know where "Al" had gone to, or the location of the other door staff, but two door staff remained outside the Club by the entrance door.

Continuation Statement Of: AUSON JANE CLABON Page 3 of 3

I took a statement of complaint from Svetlana and stood outside the Nightclub to do this, Svetlana did not give her permission for the male to go into her hand bag and take money out of her purse. "Al" the Manager had made no effort to speak to me again while I was outside the night club taking this statement.

After 05.00 hours, on returning to Bethel Street Police Station, I was able to speak with the officers named so that arrangements for the completion of a computer generated handover form for the two arrests and circumstances of the offences, they were to be dealt with, could be completed. There was an opportunity for de-brief about what had happened and difficulties with finding out what had happened prior to the arrival of the Police. Just what the role the manager had played had not been established and that he had appeared to me to be co-operative but then been absent when he could have provided more details, especially about when he was available for a statement to be obtained, he almost implied to me that he could do a statement himself. The CCTV evidence was required, especially with regard to reviewing the door staff and the manager "Al's" actions in restraining the two males. "Al" could have spoken further with any of the Police officers who attended "Wafou". This handover was not complete without a statement from "Al" so a request was to be made to our early turn shift to re-establish contact with "Al" for a statement and find out about the CCTV evidence. PC SPRINGALL had started to compile the handover, while the statements of arrest were completed and the statement from Svetlana. PC SPRINGALL entered the details that were known about what happened on the INNWEB licensing system. I was aware the night club closes at 06.00 hours but it was not possible for us to re-attend to see "Al" or any other staff. This is a critical time on our new Policing model, as those who have been on public order duties change to patrol duties so that colleagues who are due to finish their shift at 05.00 hours can do so. I also had other paperwork to be completed from earlier in the shift.

This statement relates to night venue WAFOU and an incident of Racially aggravated Section 5 Public Order outside at 04:30hrs on Sunday 22<sup>nd</sup> January 2012.

At the above time and date I was on mobile patrols at the top of Prince of Wales Road when I was flagged down by a group of people outside WAFOU. Once getting out of my vehicle I could see the door staff struggling to detain 2 persons of the floor.

I rushed over to assist and upon getting to one of the detained males I moved a member of door staff to one side and tried to take hold of his left arm, which he was struggling against and trying to keep under his body, I attempted to pull this out from under him and was unsuccessful, while the member of staff who I had moved away stayed and tried to assist.

As I was doing so I heard the detained male shout something along the lines of "You fucker get of me you fucking Nigger" and I immediately heard the club owner Fode OULARE, who was assisting in holding the legs of the detained the male say "Did you hear that he called me a Nigger" and he appeared very irate, I also heard a member of the door staff say "Did you hear him say Nigger"

After getting control of the male I was able to focus on the situation, I asked OULARE "Are you wishing to make a complaint about this male" and OULARE said "Yes".

At this point I assisted Pc 1526 SKIDMORE in handcuffing the male to the rear and said to him "You are under arrest on suspicion of Racially aggravated Section 5 public order" and he

was cautioned.

After this the detained male was sat up and after a short while transported him to Wymondham PIC where his detention was authorised.

I then returned to the office where I was informed by colleagues that they had spoken to OULARE and he seemed extremely un-impressed that anything had occurred outside his venue, he had not made any mention of the use of the racial slur to them and had basically said I cant talk now, if you want anything or CCTV call me Monday.

I was also told that the staff member who I had moved to one side had basically said something had gone on given a very poor PNB account but was willing to give a statement in the morning. He again made no mention of the use of the racial slur.

I am aware that at the time of the incident the venue appeared very full and there was a group of people outside either smoking or waiting to get in.

I am a member of the Norfolk Constabulary Licensing Regulation Team.

On Monday 23<sup>th</sup> January 2012, I was on full uniform duty completing licensing enquiries in relation to an incidence of racial abuse that had occurred about 04.20hrs Sunday 22<sup>nd</sup> January 12 inside WAFOU night club, 15 Prince of Wales Rd, Norwich, premises licence 11/00706/PREM whereby the victim was the premises licence holder Al-Fode OULARE and the suspect was arrested.

About 13.01hrs the same day I attended WAFOU, to obtain a copy of the incident book entry in relation to the incident as required on their premises licence. I spoke to the designated premises supervisor Deborah RIDGE-WARD, who produced an incident book that contained no entries after 24<sup>th</sup> November 2011. I asked her to check the refusals book which should be kept behind the Bar as required on their premises licence in case the entry had been made in that, there was no refusals book available.

I explained that these were breaches of the premises licence and that an entry in relation to the incident needed to be completed as soon as practicable and she needed to purchase a refusals book.

These are my original notes written in the licensing regulation team office started at 11.20 and concluded at 12.05 hrs on 23/02/12.

I am Police Constable 561 Matthew Blake of the Norfolk Constabulary currently stationed at Bethel Street Police Station, Norwich.

At 05.00 hours on Thursday 26<sup>th</sup> January 2012 I was on duty in full uniform in the company of PC 1615 LOGUE when we attended Wafou Nightclub on Prince of Wales Road, Norwich.

A very intoxicated male had been assaulted and the owner let us into view CCTV. As I viewed the CCTV the victim was seen staggering around the bar area and approached several other customers. He was seen to be hit by a larger male who was then escorted off the premises. The male was far too intoxicated to be spoken to as he could not speak, he had no visible injuries and was unable to tell us what had happened. It was clear from the CCTV that he had been assaulted. The venue had about 20 people in there. I don't know if CCTV was provided but I have experienced problems when they were asked to provide CCTV for PC 1680 WILSON and they came up with the excuse that it had been wiped over even though they had told police that a copy of the incident had been provided.

At about 04.00 hours on Thursday 16<sup>th</sup> February 2012 I was on duty in full uniform in the company of PC 1286 BURTON when we attended WAFU Nightclub to a report of another assault. The female was in the 'VIP' area and would not engage with police. It was clear that she was heavily under the influence of drugs and alcohol. Eventually she was taken outside and treated by the ambulance where she again did not know what had happened and

relied on her boyfriend to tell me what had gone on. The venue had about 30 people in it and more wanted to get in from outside and were turned away due to our presence.

There are other times that I have been to Wafou for assaults, I cannot recall if I saw the door staff with clickers. They have always displayed the SIA badges. On the occasion of the 16<sup>th</sup> February 2012 the owner was stood outside the club as usual and was telling me that people are stamped so they can be allowed back into the club, but a short while later one of the door staff took me to one side and stated that the owner always lets people in after 04.00 hours and even charges them. He stated that the owner is such a liar but he could not say anything as he is his boss.

I have never seen the DPS Debbie (Debs) after 2300 hours, I have seen her once and she stated to me that always worked days. This was the occasion when I went to collect CCTV for PC WILSON and she told me that it had been wiped.

I generally have a good rapport with the owner as I have dealt with him as a victim of crime. The owner did get slightly aggressive the other week when I attended for a walk through of the venue and he said that four officers was a bit excessive and asked for two as his venue was small.

On Sunday 29<sup>th</sup> January 2012 I was on duty in full uniform at 0410hrs conducted observations on the venue WAFOU at 15 Prince of Wales Road. I spoke to the door staff who were unaware of the license conditions for the venue and were interested to know that no new entry was allowed after 4am. The door staff then tried to comply with this condition, but were over ruled by the owner AL FODE-OULARE, who continued to let people into the venue. I informed AL FODE-OULARE that he was breaching his conditions in allowing people into the venue, especially as some of the people entering were heavily under the influence of alcohol. AL FODE-OULARE continued to ignore my comments and was physically pulling people in to his bar barging past his door staff, who were all very embarrassed and felt awkward about the situation. It was becoming quite apparent that AL FODE-OULARE was actually under the influence of alcohol and his staff indicated that he had been drinking with people throughout the night. I officially informed AL FODE-OULARE that I would be reporting him to the Licensing team about his breach and being under the influence of alcohol when in charge of his venue.

I am a member of the Norfolk Constabulary Licensing Regulation Team.

On Friday 3rd February 2012 I was on full uniform duty engaged in licensing duties..

About 22.05hrs the same day I attended a licensed venue WAFOU, 15 Prince of Wales Rd, Norwich, I spoke to a male I know as Al-Fode OULARE the premises licence holder at that time I served a letter on OULARE from Michelle BARTRAM Licensing Officer. I further arranged a Meeting between OULARE, his designated premises supervisor Deborah RIDGEWARD and DS Vicky FLATT & Michelle BARTRAM for Monday 6<sup>th</sup> Feb 12 at 2pm.

I then spoke to OULARE about his premises licence condition 13 – no entry will be admitted after 0400hrs.He stated patrons who have been to his venue during the evening and had their hands stamped can leave go elsewhere and will be re-admitted up to 0600hrs next morning. I advised him I believed this was unacceptable and not what the condition meant.

I then brought to his attention a number of patrons in the 3<sup>rd</sup> floor karaoke booths who had arrived prior to door supervisors starting and who could not produce forms of identity including date of birth as a number only had UEA cards which do not have this information. Due to the number of patrons involved I was unable to prove those without ID containing date of birth were drinking alcohol.

I further warned him about the licence condition regarding the number of door supervisors required when upper floors were open, he stated the 3<sup>rd</sup> door supervisor would

arrive at 0100hrs, I reminded him the 3<sup>rd</sup> floor was already open and therefore the 3<sup>rd</sup> door supervisor should already be there.

I am David John COOPER, a Police Sergeant 3321 currently stationed at West Norwich Deployment Base, Norwich. At approximately 0430 hours on Sunday 5<sup>th</sup> February 2012 I was in uniform on foot patrol on Prince of Wales Road, Norwich, having been assigned to public order duties in that area, when as a result of information received I attended a premise called WAFOU on Prince of Wales Road. On arrival at WAFOU there were two door supervisors at the entrance. I advised door staff that we were attending to conduct a licensing visit and I was afforded entry together with PC 1286 BURTON and PC 1280 ELPHICK. On entering the establishment there were approximately twenty to thirty persons within, split between the front 'lounge' area, bar and dance floor. One of the door staff advised that there were three door staff on duty with one being present at the DJ booth. Persons on the premises were of varying degrees of intoxication with none to the degree that they should have been refused further drink. The signing in and incident book was checked by PC 1286 BURTON and on my exit from the venue I was advised by PC 799 CUSHING and PC 561 BLAKE that they had not followed us into the venue as I expected, but instead had been declined entry by a male who I now know to be the owner of WAFOU. On challenging the owner regarding this action he stated 'THREE'S ENOUGH, THERE'S NO REASON FOR ANYMORE AS IT WILL HARASS MY CUSTOMERS' and stated 'THIS IS HARASSMENT' before saying 'I MAKE SURE EVERYONE WHO ENTERS HAS THEIR HAND STAMPED BEFORE ENTERING THE PREMISES AND NO ONE IS ALLOWED ENTRY AFTER 0400 HOURS.'

I am the above named person and I am a licensing officer for the Norwich council area. Part of my duties include meetings and interventions with licensees/DPS's.

On Thursday 6<sup>th</sup> October 2011 I attended Wafou, 15 Prince of Wales Road Norwich as part of a Multi Agency Licensing visit. As a result of a number of breaches found, I wrote to the Premises Licence Holder Mr Al Fode Oulare on the 7<sup>th</sup> October 2011. I produce a copy of this letter as exhibit MB1.

On Friday 3<sup>rd</sup> February 2012, I sent a letter to Mr Al Fode Oulare which was entitled "Breach of conditions final warning" I can produce a copy of this as exhibit MB2.

On Tuesday 7<sup>th</sup> February 2012 in company with D/Sgt Vikki Flatt I attended at Wafou and met with the Premises Licence Holder Mr Al Fode Oulare and DPS Deborah Ridge-Ward. A number of Licence breaches were again highlighted along with advice and guidance. A follow up letter highlighting everything discussed was prepared by myself and can be produced as exhibit MB3.

I am the above named person & am stationed at Norwich Police Station, Bethel Street.

I am trained, authorised & experienced in the viewing & copying of Norwich City Council CCTV footage. The city council operates a multi camera system, which is recorded onto a computer hard drive.

On Saturday 11<sup>th</sup> February 2012 I was on duty in plain clothes. As a result of a request made by Detective Sergeant 3215 Flatt I attended the council's CCTV premises.

I was requested to view footage in relation to Wafou nightclub, Prince of Wales Road, Norwich, which I duly did. Whilst viewing the footage I contemporaneously made handwritten notes, which I have retained.

In relation to this viewing, I created the following footage & produce them as indicated:

I am currently serving with the Norfolk Constabulary Licensing Regulation Team.

On Sunday 12<sup>th</sup> February 2012, I was on full uniform duty inside a marked Norfolk Constabulary mobile CCTV van, in support of the night time economy and public order policing, this vehicle has 3 different cameras leading to a bank of 4 screens inside with the capability of storing the CCTV footage obtained to be downloaded by Norfolk Constabulary Technical Support Unit.

The vehicle was parked in the nearside bus stop roughly midway down Prince of Wales Rd, Norwich enabling me to point a camera both up & down the road.

I am aware that WAFOU night club, 15 Prince of Wales Rd, Norwich, premises licence 11/00706/PREM, has a condition under Annex 2-The Prevention of Crime & Disorder.

Condition 13. No entry will be admitted after 04:00hrs.

I am also aware that the premises licence holder a male I know as Mr Al-Fode OULARE has been reminded of this condition recently both verbally and in writing as has the designated premises supervisor a female I know as Deborah RIDGE-WARD.

I have downloaded CCTV footage from that night on 2 discs which I can produce when required by Court as exhibit RHS/4 & 5, I have further produced a list of the individual breaches that night which I can produce as exhibit RHS/6.

On Tuesday 14<sup>th</sup> February 2012 I was on duty in full uniform with PC 1451 SHEPHERD when at approximately 03:20hrs I went past Wafou Nightclub on Prince of Wales Road, Norwich and observed the door staff not wearing any Hi Vis jackets – they were in dark overcoats with their SIA badges displayed on their upper arms.

Later that morning at 03:31hrs we were flagged down by one of the door staff who explained that he had refused entry to a group as they "stunk of weed". The owner had overturned this decision and allowed the group entry. The door staff were concerned as this group were being difficult inside the club and were described as being a "pain in the arse".

After that morning at 04:25 I saw a female being granted entry to Wafou from outside of the 'roped' smoking area. She was wearing a white top and dark trousers with dark hair, IC1.

Furthermore at 04:27, I saw a male being refused entry into Wafou who had come from outside of the 'roped' smoking area. I then saw a male who I know to be Fode OULARE come outside of the club and allow the male entry inside. The male was wearing a black puffa style jacket, IC1. OULARE was wearing a silver/light grey jacket.

I am the above named person & am stationed at Norwich Police Station, Bethel Street.

I am trained, authorised & experienced in the viewing & copying of Norwich City Council CCTV footage. The city council operates a multi camera system, which is recorded onto a computer hard drive.

On Thursday 23<sup>rd</sup> February 2012, I was on duty in uniform. As a result of a request made by Detective Sergeant 3215 Flatt I attended the council's CCTV premises.

I was requested to view footage in relation to Wafou nightclub, Prince of Wales Road, Norwich, which I duly did. Whilst viewing the footage I contemporaneously made handwritten notes, which I have retained.

I wrote a summary of the footage I viewed entitled Summary of Wafou Incidents (2). I produce this as exhibit MP16

In relation to this viewing, I created the following footage & produce them as indicated:

MP17A – CD showing Wafou 0420 – 0520 on 12<sup>th</sup> February 2012. CCTV reference 6252.

MP17 – CD showing Wafou 0515 – 0600 on 12<sup>th</sup> February 2012. CCTV reference 6253.

### **15/02/2012**

04:18 – Group of about 5 walk down POW Rd, enter and leave straight away. Possibly refused entry? Not burnt to disc.

04:20 to 04:34 – Cameras not on club.

04:36 – Male crosses road and enters.

04:46 – Male arrives in dark 4x4, speaks to door staff and enters. This male leaves at 05:16.  
Disc Exhibit MP19.  
CCTV Reference 6255.

### **16/02/2012**

Camera 116 on roving patrol.

Camera 7 footage:

03:30 – Many people milling around outside. No apparent signs of disturbance.

03:46 – Police arrive on scene, reason not known, nothing in CCTV log.

03:48 – More Police arrive. Officers enter.

03:50 – Ambulance arrives.

03:55 – Person taken to Ambulance.

04:13 – Police leave.

04:25 – Group of about 6 walk up POW Rd. Speak to door man. He is seen to look at his watch and group do not enter.

None of the above footage saved.

04:59 – Ic3 male ejected from club, having just entered. Door man appears restrained despite provocation. This male is joined by 2 other IC3 males (one possibly the owner?). Disturbance ensues between all three. Ejected male bangs on window and takes a swing at another IC3 male (the owner?). The latter takes a fighting stance and punches ejected male resulting in him going to ground. Disturbance continues. Ejected male leaves area at 05:07.

05:25 – Police arrive, speak to owner (?) and leave at 05:28.

### **18/02/2012**

Camera 116 not on club 04:00 to 06:00.

Camera 7 – A lot of people milling around outside from 04:00 onwards. Others join them. Because the camera is zoomed out, difficult to confirm new entries.

04:28 – 2 x Police Officers (on Public Order) outside club and leave 04:38.

They remain close by. Marked Police van stationary on opposite side of road from 04:30 to 04:52.

04:50 – Another marked Police van parks in view until 05:01.

04:58 – Officer liaises with door staff.

05:04 – Marked Police van returns until 05:14.

No apparent late entries, but camera not zoomed in. Regular Police high visibility presence. No footage burnt.

**19/02/2012**

Camera 116 not on club 04:00 to 06:00. Camera 7 – again many people milling around outside from 04:00 onwards. Difficult to ascertain new entries.

04:50 – Female walks up POW Rd and enters.

05:03 – 2 x males apparently refused entry. One of the males throws punches at persons inside and then chased out of view of all cameras by door staff and possibly owner.

05:14 – Police Officer and Paramedics arrive and enter.

05:16 – White t-shirted male walks up POW Rd and enters.

05:24 – Group of 3 or 4 walk up POW Rd and enter.

05:29 – Police Officer leaves the club.

Disc Exhibit MP22 and MP22A.

I am a Superintendent of Norfolk Constabulary currently based at Bethel St Police Station Norwich. I have overall responsibility for the policing of the Norwich City District Council area. Consequently I oversee the night time economy within the City Centre which includes Prince of Wales Road.

Since I have held the post of Superintendent of Norwich I have become increasingly aware of the overall impact that the night time economy has on the safety of the City. In particular it has been noticeable that the night time economy plays a significant role in the number of crimes committed within the City. Comparisons with previous figures have shown a marked increase in the times in which crimes are committed, namely an increase in crimes committed beyond the hours of 3am. Analysis shows an significant Increase in all crime, particularly crimes of violence, in the Night Time Economy between 3am and 6am in the last three years; this three year period has coincided with the opening of bars, clubs and takeaways beyond 3am. This increase in crime has included growth in the number of sexual assaults and serious violence taking place in the early hours of the morning.

The growth of the Norwich Night Time Economy puts considerable strain on police resources. I now have to devote significantly more policing hours each year towards policing Prince Of Wales Road and the surrounding area then I did before late night opening commenced in the City. I have resourced this increase through abstracting Police Officers from patrols elsewhere in Norwich. As the demands of the Night Time Economy grows, I am forced to withdraw more resources from neighbourhood based policing.

I am aware that the Licensing Team in Norfolk Constabulary has worked consistently with all venues in the Norwich night time economy and endeavoured to foster a good working relationship, consistent with Statutory Guidance. Norfolk Constabulary operates an intervention policy whereby venues are visited and spoken to if there are any concerns that they are not promoting the licensing objectives. The Constabulary relies on those who operate in the night time economy adopting a good working environment consistent with the legislative objectives to

try and ensure crime and disorder is kept to a minimum. Therefore I am aware on licensing visits, words of advice and informal interventions with venues take place on a regular basis to ensure this aim is achieved. More formal interventions such as applications for review have been few and far between due to the success of these working relationships. However where venues ignore advice and continually undermine the licensing objectives, the Constabulary will escalate these interventions to a formal review and place such matters before a licensing committee for a more stringent decision.

In recent months I have been made aware of the venue Wafou on Prince of Wales Road and a number of issues regarding its operation. I can advise that the venue has been a source of crime and disorder in that a number of crimes and incidents have occurred at or in the vicinity of the premises. These crimes and incidents have been disproportionately high beyond the hours of 4am for a venue of this size. Evidence has been gathered which shows the owner of the venue to be deliberately breaching his licence and allowing patrons to enter the venue beyond 4am. Further there have been disproportionately high levels of intoxication. Also the venue has not reported or recorded incidents at its venue consistently. These breaches of the licence have continued despite the interventions of members of the Constabulary's licensing team.

I have concerns as the Norwich Policing Commander that such deliberate ignorance of the licensing laws and advice given by the Constabulary's licensing team will set an unhealthy precedent. If those in the area believe that they do not have to accept words of advice from our Licensing team it will result in more venues operating beyond the remit of what is contained on their premises licence. This will in my opinion lead to significant problems in the City Centre with many venues deliberately flouting their legal obligations under the licensing legislation. The consequence of this will be an increase in venues being run poorly and the inevitable increase in crime and disorder in the area. The City of Norwich and its night time economy needs to encourage a well behaved, safe and crime free environment. I fear if the venue's such as Wafou are not dealt with robustly then these aims will never be achieved.

In conclusion, I fully support the application for the review of the premise Wafou. This is based on its blatant disregard to the licensing laws and poor management. The management at the venue has had more than sufficient opportunities to rectify the issues raised. It would appear from the evidence that the owner of the premise is intent on running a venue as he sees fit and not in conjunction with the licensing objectives like his competitors. Therefore I believe the revocation of the premises licence will have the effect of closing a poorly managed business currently operating on the main street in the night time economy in the City. It will send out a firm but proportionate message that such actions and the associated crime and disorder will no longer be tolerated in Norwich.

One male came running from the direction of Wafou and I was working on the door of Wafou from 2:00 to 06:00. Then I noticed a number of males running after the first male who was fearing for his safety and asked us on the door to help him and get him inside. While we got the male inside the door (through) the door, the other males who were chasing him, start throwing punches and try to come through the door. For get the block but we didn't allow them in. We had the duty of care for the block but then the police arrived and the male came out on his own will then we have been told that the male was STABBED. Police & Ambulance were on scene, the male was transported in the Ambulance - and one male was arrested.

Released a group of people for being drunk and smelling of weed. The owner then over ruled my decision and let them in claiming they were his friends. I spoke to a police officer who told me to write this up and keep a copy.

**Re: CR44125/11/0 Racially Aggravated Use or Abusive, Insulting or Threatening Words**

Mr OULARE,

I have requested CCTV for the above incident by a number of means including in writing, by personal visit and by telephone, and have received no contact from you and no CCTV.

I am therefore in the position of being unable to pursue any leads to identify a suspect for the above offence, so the investigation will be filed pending any new leads coming to light.

Should there be any new information which may help us to identify a suspect, please make contact using the details above.

I will copy this letter to the Licensing Regulation Team, who will decide upon whether or not to take any action as to Wafou's failure to provide CCTV to police which may be in contravention of Wafou's premises licence.

Yours sincerely

Dear Mr Oulare

**Re: Warning Letter re breaches of Licence – Wafou, 15 Prince of Wales Road.**

Following a visit by a Multi-agency licensing team on Thursday 6<sup>th</sup> October 2011 it has become apparent that your venue (Wafou) were clearly breaching conditions attached to the premises licence;

**Summary of Breaches of Licence under the Licensing Act 2003.**

- The Premises Licence Summary was not on display.
- There was no SIA door supervisor on duty at 2200 hrs as per the condition on licence.
- A refusal book was not available behind the bar as per the condition of your licence.
- A copy of the door supervisors signing in book was taken which evidences that door supervisors have been employed from 2300 hrs instead of 2200 hrs for the week commencing 2<sup>nd</sup> October 2011.

We also highlighted the condition that "Toughened Glasses to be used in replacement of glass". We believe that the current glasses in use on the premises are not toughened and have asked you to confirm this with the manufacturers.

These highlighted breaches of your licence are an offence under Section 136 of the Licensing Act 2003. The penalty for failing to comply is punishable with a maximum fine of £20,000 or six months in prison. The Police and Licensing Authority will be continuing to monitor and checking and any future breaches will result in a fine or a potential review of the licence.

If you wish to discuss this further, please do not hesitate to contact me on the above telephone number.

Yours Sincerely

Dear Sir/ Madam,

Date: 24<sup>th</sup> January 2012

Licence 11/00706/PREM

I am writing to you both to make you aware of Licence conditions breached by staff at your venue WAFOU following the visit of Pc BROWN & PC SPINKS on Monday 23<sup>rd</sup> January 2012.

Annex 2 – Conditions consistent with the operating schedule.

13. No entry will be admitted after 0400 hrs.

- 15/01/12 after 0400 hrs 20 persons queueing were allowed entry seen by police.

14. An incident book will be kept to record all significant incidents and will be available for inspection on request.

- last recorded incident according to your book was 24<sup>th</sup> December 2011, Police records show 4 incidents since that date 2 x thefts & 2 x ejections.

As a licensee, you have an obligation under the Licensing Act 2003 to uphold the Licensing Objectives, namely:

- Prevention of Crime and Disorder
- Protection of Children from Harm
- Prevention of Public Nuisance
- Public Safety

Norfolk Constabulary operates a standard procedure for dealing with problems at licensed premises which risk assesses each venue and reported problem and takes the venue through a process which is designed to be fair and consistent for all licensed premises in Norfolk.

The process maintains high levels of support and advice for premises management throughout, BUT if the premise consistently undermines the licensing objectives then consideration will be given to prosecution, closure order and / or review of the premises licence with a view to altering conditions, suspension or revocation of the licence.

If you require any help or advice please contact your local safer neighbourhood team or the licensing regulation team.

Yours sincerely

Dear Sir/Madam

### **Wafou – Breach of Conditions – Final warning**

I am writing to you following our letter sent to you on the 24<sup>th</sup> January 2012. This letter was a warning that conditions of the licence had been breached on the following dates:

- No entry will be admitted after 0400 hrs  
-15/01/12 after 0400 hrs, 20 persons were seen by Police to be allowed entry
- An incident book will be kept to record all significant incidents and will be available for inspection on request.
  - Last recorded incident as 24<sup>th</sup> December 2011, Police records show 4 incidents since that date 2 thefts and 2 x ejections.

Despite this warning letter hand being delivered to you by PC Spinks on the 28<sup>th</sup> January 2012, we are aware that you are still continuing to ignore this condition and an additional breach has occurred:

- 29/01/12 – Patrons were allowed entry to the premises after 0410 hrs onwards despite officers reminding of the condition attached to the licence. The majority of the people were allowed in were very intoxicated. Door staff felt uncomfortable and did not want to let people in but Premises licence holder Mr Oulare kept dragging people in and was quite evasive to Police.

**It is not acceptable for you to continue to breach licensing conditions despite verbal and written warnings being given.**

**The Police and Licensing Authority will continue to monitor the premises for further breaches and this will result in a prosecution or a review of the premises Licence.**

Yours sincerely

Dear Sir/Madam

### Wafou – Intervention meeting – 7<sup>th</sup> February 2012

I am writing to you following our meeting with you both and Sgt Flatt on the 7<sup>th</sup> February 2012. During this meeting, the Police highlighted concerns of the ongoing breaches of licensing conditions in particular:

- No entry will be admitted after 0400 hrs

**-Both Mr Oulare and Ms Ridge-ward agreed that this condition will be complied with in future and for a notice to be on display informing patrons that no entry is allowed after 0400 hrs.**

- The licence is for the use of the ground and first floor as a nightclub for persons 19 years and above.

**-Mr Oulare advised that he would contact his solicitor to arrange for this condition to be removed to enable over 18's into the venue.**

- The Licensee or nominated representative will become a member of the Norwich Licensing Forum and shall attend at least 3 meetings per calendar year.

The venue will maintain membership of SIRCS or other equivalent systems as recognised by Norfolk Constabulary

- Whilst the premises is open to the public and when available, a radio communication system will be in use to communicate to other venues and Police.

**-Licensing Officer Michelle Bartram agreed to email information in relation to the Licensing forum, SIRCS and the Alert radio system.**

- Door staff will wear hi-visibility clothing on duty.
- Staff have been informed that they all need to wear hi-visibility jackets and there are sufficient numbers available on site.
- The total number of people on the premises will not exceed 80
- This condition was added under public safety but fire risk assessments have established that the capacity could be higher, Mr Oulare to look at applying to remove this condition.

I re-iterated at the meeting that it is crucial that the conditions attached to a premises licence are being adhered to. Failure to adhere to the licence conditions may result in a prosecution or a review of the premises licence.

Police and Licensing Authority will be continuing to monitor until we are satisfied the current premises licence is being adhered to.

I hope that you will co-operate and work well with us in the future.

If you have any queries in relation to this letter, please do not hesitate to contact me

Yours sincerely

Michelle Bartram

wearing a white t shirt. A black male with hair in dread lock style exited the club and returned having armed himself with a barrier from outside the club he began swinging this around towards the gathering crowd. The crowd then spilled out onto Prince of Wales where the male with the barrier then threw it at the clubs window causing the glass to shatter. Oulare and members of door staff are captured on Council CCTV following the males into Kings Street. Oulare has armed himself with a barrier and strikes [REDACTED] twice to his upper torso causing soreness but no visible injury. Oulare claims whilst inside the club [REDACTED] throws a bottle at him causing him a cut lip. This is not captured on CCTV.

### Additional Representations for Wafou

This is additional representation following the application to review for Wafou, 15 Prince of Wales Road.

All CCTV required as evidence has now been submitted to the Licensing Authority and a summarised version will be shown at the Committee Hearing for the benefit of the Committee. This includes a select number of incidents which show breaches of the licence and a disregard to the licensing objectives.

Since the application to review has been submitted, the premises has continued to breach the conditions attached to the premises licence and further CCTV evidence and statements confirm this.

The Police Licensing Unit assisted on an HMRC visit to the premises on the 15<sup>th</sup> March 2012. During this visit Police Officers established continued breaches of the licence and a Section 19 Closure Notice was issued for breach of the door supervisor condition in that there was insufficient numbers on duty.

There is evidence of a continuing disregard to the licensing objectives since the submission of the review papers. This has included further breaches of in allowing entry beyond 4am and high levels of intoxication. It is respectfully submitted that only revocation is the only viable option to resolve the problems.

It should be pointed out that the review summary highlighted an incident that occurred last November involving Mr Oulare running up Prince of Wales Road in possession of a metal pole. It was stated that this incident was NFA'd. Mr Oulare has been now been charged for this offence where one of the bail conditions was that Mr Oulare was restricted from accessing Prince of Wales Road from midnight-0700hrs. Despite this being a separate ongoing criminal investigation which will be dealt with through the justice system, this still reflects the behaviour of the manager of the venue.

Mr Oulare has also now been charged with assault for a separate incident.

			<p>VISIT TO PREMISES TO SEIZE INCIDENT/SIGNING IN BOOK. ON ARRIVAL DOOR WAS UNLOCKED AND WALKED IN. DPS MS RIDGE WARD WAS UPSTAIRS. SHE ADVISED THAT I COULD TAKE THIS. I HANDED A COPY OF A LETTER TO PROVIDE TO OFFICERS INFORMING THEM THAT THE LICENSING UNIT HAS SEIZED INCIDENT BOOK SO THIS COULD NOT BE PROVIDED ON REQUEST. I INFORMED DPS THAT BREACHES WERE STILL OCCURRING. SHE INFORMED ME THAT SHE WAS ON AN AGENCY AND IF ANOTHER JOB CAME SHE WOULD LEAVE AS SHE DID NOT WANT TO JEOPARDISE HER JOB PROSPECTS FOLLOWING POLICE ACTION. SHE ADVISED THAT SHE WAS WAITING FOR AL TO ARRIVE AS THE DOOR LOCK AT THE FRONT OF THE PREMISES WAS NOT WORKING. SHE WANTED TO GO HOME BUT DIDNT WANT TO LEAVE THE PREMISES UNLOCKED WHICH SHE THOUGHT HAD HAPPENED WHEN AL LEFT THAT MORNING. AL THEN ARRIVED AT THE PREMISES AND WAS PLANNING TO DECORATE THE PREMISES FOR VALENTINES DAY. AL QUESTIONED WHY I WAS THERE, I ADVISED THAT I WAS REQUESTED TO SEIZE THE INCIDENT BOOK BUT LEFT A LETTER SO HE SHOULD NOT HAVE ANY ISSUES IF ANYONE ASKED FOR THIS. I INFORMED HIM THAT I WAS AWARE AND DISAPPOINTED THAT BREACHES HAD STILL OCCURRED DESPITE OUR FINAL INTERVENTION MEETING WHERE HE AGREED IT WOULDNT. AL ADVISED THAT I HAD GOT THIS WRONG AND THEY DEFINATELY DIDNT BREACH. HE ADVISED THAT HE FELT SOMEONE WITHIN THE POLICE WAS TARGETTING HIM. Friday 16/03/2012	17:05	Environmental Health	JOINT OPERATION WITH TONY SHEARMAN NORWICH ENVIRONMENTAL HEALTH, SPOKE TO FODE OULARE, TONY HAD SEVERAL PROBLEMS WITH THE LICENCE WHERE INFORMATION REQUESTED WAS NOT PROVIDED, AND A NOISE ABATEMENT ORDER WAS SERVED ON OULARE WE THEN ATTENDED THE ADDRESS OF DPS RIDGE-WARD AND ANOTHER COPY SERVED ON HER.	Police	Innweb  PC 875 Spinks
Thursday 15/03/2012	22:00	HMRC / LRT Op	FROM AN HMRC PERSPECTIVE, AL FODE OULARE CONFIRMED THAT HE WAS NOT PAYE OR NATIONAL INSURANCE REGISTERED. BIN BAGS FULL OF RECEIPTS WERE SEIZED. 8 MEMBERS OF STAFF WERE INTERVIEWED ON SITE A NUMBER OF WHOM ADMITTED THERE AND THEN THAT THEY WERE PAID CASH IN HAND AND DIDN'T PAY TAX. THERE IS ALSO AN ISSUE OF STUDENTS BEING EMPLOYED TO RUN THE CHINESE KARAOKE ON THE 3RD FLOOR EXCEEDING THEIR MAXIMUM HOURS OF 20 HOURS PER WEEK. AL WAS UNABLE TO PRODUCE COMPREHENSIVE OR LEGIBLE RECORDS AND HMRC SEEMED VERY PLEASED WITH THEIR FINDINGS. AL WAS NOT SO HAPPY ALTHOUGH HE DID REMAIN LARGELY COMPLIANT. HE DID TRY AND PASS THE BLAME ONTO DEBORAH RIDGE WARD WHO WAS ALSO PRESENT BUT, AS WE POINTED OUT, SHE ONLY HAS RESPONSIBILITY FOR SALES OF ALCOHOL AND NOT THE REST OF THE BUSINESS. HMRC EXPECT IT WILL TAKE THEM 2-3 WEEKS TO GO THROUGH THE RECEIPTS SEIZED AND THEN THEY WILL BE IN A BETTER POSITION TO MOVE FORWARD AND UNDERSTAND THE EXTENT OF HIS LIABILITIES BUT INITIAL INDICATIONS ARE THAT HE HAS NOT BEEN AT ALL COMPLIANT TO DATE.	HMRC	Innweb  Insp 4198 Brown

Thursday 15/03/2012	22:00	HMRC / LRT Op	<p>FROM A POLICE PERSPECTIVE WE PICKED UP SEVERAL ISSUES. FIRSTLY, THERE WAS ONLY 1 DOOR SUPERVISOR ON DUTY THROUGHOUT OUR VISIT DESPITE 2 FLOORS BEING OPEN (3 IF YOU INCLUDE THE TOILETS) SO THIS IS A FURTHER BREACH OF THE PREMISES LICENSE WHICH REQUIRES A DOOR SUPERVISOR FOR EACH ADDITIONAL FLOOR OPEN. A SECTION 19 CLOSURE NOTICE WAS SERVED TO REINFORCE THIS POINT AND THE FACT THAT TRADING FOR THE PERIOD WAS EFFECTIVELY UNAUTHORISED LICENSABLE ACTIVITY (SECTION 136 OFFENCE). WHILST WE WOULD BE UNLIKELY TO APPLY FOR A SECTION 20 CLOSURE ORDER IT DOES TAKE AWAY ANY DEFENCE THAT AL WOULD HAVE ABOUT NOT KNOWINGLY COMPLYING WITH HIS CONDITIONS.</p> <p>ACCORDING TO THE STAFF AT THE VENUE THE KARAOKE ROOMS ARE OPEN ON THURSDAY, FRIDAY AND SATURDAY AND MOST WEDNESDAYS AS WELL. SECONDLY, THE DOORMAN DID NOT SEEM TO EVEN BE AWARE THAT THE TOP FLOOR WAS OPEN. ON OUR ARRIVAL AT 10 O'CLOCK NEITHER AL OR DEBBIE WAS AT THE PREMISES SO IT BEGS THE QUESTION OF EXACTLY WHO WAS IN CHARGE. 1 MALE INSIDE THE VENUE WAS EJECTED BY POLICE WHEN HE BECAME HE MADE A RUDE AND AGGRESSIVE GESTURE TOWARDS OFFICERS AND WAS SUBSEQUENTLY SEARCHED OUTSIDE FOR DRUGS WITH A NEGATIVE RESULT AS HE APPEARED TO BE UNDER THE INFLUENCE. HE WAS SUBSEQUENTLY GIVEN A SECTION 27 NOTICE. FINALLY, IT WAS APPARENT FROM SPENDING TIME WALKING ROUND THE PREMISES THAT IT IS DIRE NEED OF A THOROUGH HEALTH AND SAFETY AND FIRE SAFETY INSPECTION. ALL FIRE EXIT ILLUMINATIONS WERE DIMMED TO THE POINT THEY WERE ALMOST INVISIBLE AND THE WIRING AND ELECTRICS IN THE CELLAR WERE BIZARRE TO SAY THE LEAST. A REFERRAL WILL NEED TO BE MADE ASAP PLEASE</p>	Police	Innweb	Insp 4198 Brown

On Sunday 29<sup>th</sup> January 2012 I was on duty in full uniform at 0410hrs conducted observations on the venue WAFOU at 15 Prince of Wales Road. I spoke to the door staff who were unaware of the license conditions for the venue and were interested to know that no new entry was allowed after 4am. The door staff then tried to comply with this condition, but were over ruled by the owner AL FODE-OULARE, who continued to let people into the venue. I informed AL FODE-OULARE that he was breaching his conditions in allowing people into the venue, especially as some of the people entering were heavily under the influence of alcohol. AL FODE-OULARE continued to ignore my comments and was physically pulling people in to his bar barging past his door staff, who were all very embarrassed and felt awkward about the situation. It was becoming quite apparent that AL FODE-OULARE was actually under the influence of alcohol and his staff indicated that he had been drinking with people throughout the night. I officially informed AL FODE-OULARE that I would be reporting him to the Licensing team about his breach and being under the influence of alcohol when in charge of his venue.

I am the above named person and am stationed at Norwich Police Station, Bethel Street.

I am trained, authorised and experienced in the viewing and copying of Norwich City Council CCTV footage. The Council operates a Multi Camera system which is not recorded onto a computer hard drive.

On Wednesday 14<sup>th</sup> March 2012 I was on duty in full uniform, at Norwich Police Station.

I was requested by DS Platt to view footage in relation to Wagon Nightclub, Pine of Wales Road, Norwich, which I duly did. Whilst viewing I contemporaneously made handwritten notes which I have retained.

I wrote a summary of the footage

On Thursday 1<sup>st</sup> March 2012 at 23:24 I was on duty in full uniform on Prince of Wales Road, Norwich. I was going past Wafou Night club and observed that the door staff member who was outside was not wearing a Hi Vis jacket, which I understand to be a breach of their license conditions.

Continuation Statement Of: Richard Henry SPINIC Page 2 of 2

Between 22.20hrs & 23.30hrs the same day whilst in the venue I saw about 10 persons in a 2<sup>nd</sup> floor Karaoke booth and there were also customers in the ground floor bar where the DJ was playing music. I brought this to the attention of the single door supervisor who stated he was unaware there were any persons on the 2<sup>nd</sup> floor as they arrived before he started. I reminded him of the condition on the licence, the door supervisor stated he was acting on the instructions of Mr OULARE.

About 23.35hrs the same day when the HMRC personnel had finished with Mr OULARE I spoke to him about the breach of condition, but as he had bail conditions he had to leave I therefore spoke to the Designated Premises Supervisor - Deborah RIDGE-WARD and following this I issued her a Closure Notice made under section 19 of the criminal justice and police act 2001.

These are my original notes written in the licensing regulation team office started at 15.45 and concluded at 15.58 hrs on 16/03/12.

## Annex 1 – Mandatory conditions

- 1 No supply of alcohol may be made under a premises licence -
  - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- 2 Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
- 3 Where, at specified times one or more individuals must be at the premises to carry out a security activity each such individual must be licensed by the Security Industry Authority.
- 4 (1) The responsible person shall take all reasonable steps to ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises in a manner which carries a significant risk of leading or contributing to crime and disorder, prejudice to public safety, public nuisance, or harm to children -

  - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to -
    - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
    - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
  - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);
  - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less;
  - (d) provision of free or discounted alcohol in relation to the viewing on the premises of a sporting event, where that provision is dependent on -
    - (i) the outcome of a race, competition or other event or process, or
    - (ii) the likelihood of anything occurring or not occurring;
  - (e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
- 5 The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
- 6 The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
- 7 (with effect from 1 October 2010)
  - (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
  - (2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
- 8 (with effect from 1 October 2010)

The responsible person shall ensure that -

  - (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

- (i) beer or cider: half pint;
  - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
  - (iii) still wine in a glass: 125 ml; and
- (b) *customers are made aware of the availability of these measures.*

## **Annex 2 – Conditions consistent with the Operating Schedule**

- 1     **General - all four licensing objectives**
- 2     The licence is for the use of the ground and first floors as a nightclub for persons 19 years and above.
- 3     **The Prevention of Crime and Disorder**
- 4     There will be a minimum of 2 SIA door supervisors on the entrance to the premises on Friday and Saturday nights from 22:00hrs until close. On all other nights, a minimum of 1 SIA door supervisor will be employed to manage the entrance from 22:00hrs until close. There will also be an additional 1 SIA door supervisor employed for each upper floor when it is open to the public.
- 5     A training record for staff training in relation to sale of alcohol will be kept and available to Police or Licensing on request.
- 6     A CCTV system shall be installed and operating at all times when the premises is open for business and maintained in good working order. Images will be recorded and stored for 28 days and be available on request to supply to Police or Licensing Authority.
- 7     The CCTV cameras will cover the following areas:
  - Entrance/Exits to the premises.
  - All public areas of the premises.
  - Smoking area at the rear of the premises.
  - The front of the premises covering the outside area and front door.
- 8     No patrons are allowed to leave the premises with any drinking vessel or open glass bottle.
- 9     The door supervisor will monitor the capacity using clickers and ensure drinks are not taken off the premises.
- 10    The Licensee or nominated representative will become a member of the Norwich Licensing Forum and shall attend at least 3 meetings per calendar year.
- 11    The venue will maintain membership of SIRCS or other equivalent systems as recognised by Norfolk Constabulary.
- 12    Whilst the premises is open to the public and when available, a radio communication system will be in use to communicate to other venues and Police.
- 13    No entry will be admitted after 04:00hrs.
- 14    An incident book will be kept to record all significant incidents and will be available for inspection on request.
- 15    There will be a signing in/out book used by all door supervisors and will include full SIA badge numbers, tour of duty and this will be available on request.
- 16    Toughened glass will be used on the premises in place of regular glass.
- 17    The premises will operate a drug/weapon policy in relation to searching and storage of items seized. This drug/weapon policy will include an audit trail from seizure of drugs/weapons to hand over to Police.
- 18    There will be a refusal book behind the bar to record any refused sales due to underage or intoxication.
- 19    Door staff will wear hi-visibility clothing when working on duty.
- 20    **Public Safety**
- 21    The total number of people on the premises at any one time will not exceed 80.
- 22    **The Prevention of Public Nuisance**
- 23    No amplified music shall be played in the premises unless through a permanently installed amplification system, details of which to be submitted to and approved in writing by Norwich City Council's Environmental Protection Department before any regulated entertainment takes place. No alteration of this system may take place without prior written authority from the Environmental Protection Department.
- 24    Before any regulated entertainment takes place details of the maximum noise levels, expressed in dB LAeq(5 mins), measured at a point 2 metres from every loudspeaker forming part of the amplification system, shall be first submitted to and approved in writing by the Environmental Protection Department. Thereafter the permitted maximum noise levels shall not be exceeded at any time.
- 25    Before any regulated entertainment takes place a management scheme detailing measures to be put in place to ensure that the amplification system cannot be adjusted beyond the maximum permitted noise levels as agreed, to be submitted to and approved in writing by the Environmental Protection Department, and thereafter abided by.

- 26 Use of the residential space contained within the address of the licensed premises will remain as ancillary to the use as a licensed premises, and shall only be occupied by persons having a close connection with the licensed premises within this address, by virtue of employment or as the owner.

**Subject: Wafou, 15 Prince-of-Wales Road – Premises Licence Review Application**

Ian,

I have received the application for a review of the above premises submitted by the Police and have the following comments.

The premises licence for this establishment was granted on the 4<sup>th</sup> January 2011 and planning permission granted on the 17<sup>th</sup> February 2011.

The planning permission was granted with a number of conditions relating to noise control with a view to preventing nuisance to be caused to the surrounding residents.

These conditions included such requirements as below:-

Specific acoustic doors to be fitted at the premises, internally and at the rear.

Maximum noise levels to be agreed.

Details of sound insulation measures to be submitted, agreed and installed.

These conditions, in conjunction with others relating to a noise management scheme and use of a permanently fitted amplification system, were considered imperative to prevent noise nuisance to the surrounding residents, particularly those in the Maidstone Road block of flats immediately to the rear. The conditions above are still yet to be complied with and discharged. The premises also has a planning condition that it must be closed to customers between 0100-0800 hours

Very soon after the premises opened, noise complaints started to be received from 5 residents of the Maidstone Road flats relating to excessive music noise and vibrations. Brief details of these complaints are included at the end of this document.

During 2011 several warning letters were sent to the premises relating to the continuing noise complaints and various visits were made to the premises to check on the planning condition compliance.

On the 31<sup>st</sup> March 2011 I attended the premises with colleagues Richard Divey and Sarah Platt to meet with the DPS at the time, Lee Freer. Upon inspection of the premises it was apparent that the building had been very poorly insulated and it was likely that excessive noise would be emitted from the premises. In particular the two doors to the rear of the premises, that are overlooked by the flats to the rear, had been very poorly fitted. Not only had the required door seals not been fitted to ensure that the door fitted snugly in the frame but the door frames themselves were so poorly fitted that there were large gaps around the edges where daylight could be seen through when viewed from the inside.

Almost a year on and we have still not received confirmation that these rear doors, and the internal ones, have been properly fitted and the appropriate seals installed, despite continued assurances from the licensee that this would be done.

As a result of the ongoing noise complaints an assessment of the alleged nuisance was carried out within one of the nearby residents flats between the 2<sup>nd</sup> and 9<sup>th</sup> March 2012. The noise measurements and recordings indicated that the noise from Wafou was consistently at a level and of a character that was particularly intrusive, compounded by the times of day that this was experienced i.e. between midnight and 5am. As a result of this assessment the noise was considered to be a statutory nuisance and abatement notices were served on the licensee and the Designated Premises Supervisor on the 16<sup>th</sup> March 2012.

Also on the 16<sup>th</sup> March 2012 a licensing inspection was carried out at the premises and a number of non-compliances were noted. A copy of the inspection report letter is attached. With the exception of the issues relating to the noise limiter not working, the other non-compliances were things that should have been simple to comply with, and the fact that this had not been done shows a general lack of adequate management control at the premises.

As indicated above, upon inspection the noise limiter at the premises was found not to be working correctly and was allowing the sound system to operate far in excess of the limit suggested by the licensee's acoustic engineer and agreed by Planning and Environmental Protection. The acoustic engineer has since returned to resolve the fault and he has reported back to me that the microphone controlling the limiter had been interfered with, causing the system not to work correctly.

As a result of the established nuisance being caused to the nearby residents a report was submitted to the Planning Committee on the 29<sup>th</sup> March 2012, requesting authority to take planning enforcement action against the premises in relation to seeking compliance with the permitted use of the premises and the permission conditions.

Dear Mr Oulare

**Failure to comply with licensing conditions – Wafou, 15 Prince-of-Wales Road, Norwich**

On Friday 16th March an inspection was conducted at the above premises in relation to licensing and noise issues.

During the visit the following non-compliances with the conditions of the premises licence issued under the Licensing Act 2003 were noted:-

1. Annex 2, cond. 5 – A training record for staff training in relation to sale of alcohol will be kept and available to Police or Licensing on request.  
**Specifically** - No such training record could be produced.
2. Annex 2, cond. 10 – The Licensee or nominated representative will become a member of the Norwich Licensing Forum and shall attend at least 3 meetings per calendar year.  
**Specifically** – Neither you, as the Licensee, nor a representative, have ever attended a Licensing Forum meeting.
3. Annex 2, cond. 11 – The venue will maintain membership of SIRCS or other equivalent systems as recognised by Norfolk Constabulary.  
**Specifically** – The venue is not a member of SIRCS.
4. Annex 2, cond. 12 - Whilst the premises is open to the public and when available, a radio communication system will be in use to communicate to other venues and the Police.  
**Specifically** - No such radio communication system is in place.
5. Annex 2, cond. 18 - There will be a refusal book behind the bar to record any refused sales due to underage or intoxication.  
**Specifically** - No such book could be produced.
6. Annex 2, cond. 24 - Before any regulated entertainment takes place details of the maximum noise levels, expressed in dB LAeq(5 mins),

measured at a point 2 metres from every loudspeaker forming part of the amplification system, shall be first submitted to and approved in writing by the Environmental Protection Department. Thereafter the permitted maximum noise levels shall not be exceeded at any time.

**Specifically** - The permitted maximum level on the ground floor as agreed, is 86dB LAeq (1 min). The maximum sound level of the music system was measured during my visit at 96dB LAeq (1 min), this is 10dB above the agreed maximum. It did not appear that the noise limiter was functioning correctly. The sound system on the first floor was not tested as it was not complete at the time of my visit.

It should be noted that a full assessment of compliance with the licence conditions was not carried at this time as some of the conditions are operational matters that can only be checked whilst the premises is open to customers. You should undertake your own review of all the current conditions to ensure full compliance.

Failure to comply with the conditions of the premises licence may constitute an offence under s.136(1) Licensing Act 2003.

A person guilty of an offence under this section may be liable on summary conviction to imprisonment for a term not exceeding six months or to a fine not exceeding £20,000, or to both.

On this occasion no further action is anticipated other than these matters being reported to the licensing sub committee at the impending licensing review hearing. It is likely that another inspection will be carried out in the near future.

If you have any queries regarding the above or any other related issues please feel free to contact me.

Yours sincerely

**Subject:** Wafou, 15 Prince of Wales Road, Premises License Review.

I am writing in support of a call for a review of the license by Norfolk Constabulary.

Although our dealings with the premises license holder have been cordial, the health and safety management of the premises has not proved to be pro-active.

After a number of contacts, by letter and on site Mr Oulare did deal with physical issues of concern such as the provision of adequate handrails to the main stairs and stairs to the cellar. However, this required an amount of prompting and was not part of the refurbishment as would be expected, especially given that letters about this subject and others had been sent to him prior to and while the refurbishment was being done..

Of note is that after visits on 18 and 27 May 2011 Mr Riseborough of this department sent Mr Oulare a health and safety inspection report which I append to this memo for information.

It is not unusual for there to be matters of concern where aesthetics is of more concern than safety but in this case it took considerable persistence to get Mr Oulare to complete the physical work.

In depth discussion about managing risk and providing risk assessments for the venue was held with DPS, Ms Ridge-Ward. Those we have on file sent by her have significant gaps in them on paper and despite requests for their improvement; this office has not seen any revised risk assessments.

When Mr Riseborough visited the premises on 7 December 2011 his risk assessment on record reflects his concern that "Management are not up to the task" and resulted in a category A rating – of most concern requiring an annual visit.

Dear Al-Fode Oulare

### Norwich City Council Report of Health and Safety Inspection

<b>NAME AND ADDRESS OF PREMISES:</b>	Wafou Night Club 15 Prince Of Wales Road Norwich NR1 1BD
<b>DETAILS OF PERSON(S) SEEN:</b>	Mr. Al-Fode Oulare
<b>TYPE OF PREMISES:</b>	Night Club
<b>DATE OF INSPECTION:</b>	18 May and 27 May 2011
<b>SPECIFIC LEGISLATION UNDER WHICH INSPECTION CONDUCTED:</b>	Health and Safety at Work etc Act 1974 Management of Health and Safety at Work Regulations 1999
<b>AREAS INSPECTED:</b>	All public areas plus cellar.
<b>RECORDS/DOCUMENTS EXAMINED:</b>	Employee handbook, accident book.
<b>GENERAL COMMENTS AND OBSERVATIONS:</b> <p>I am concerned at the lack of an adequate handrail on the rear public stairs combined with vertical sections and winders in the stairs themselves. This has the potential to cause an accident and despite your promise that drawings would be produced for an alternative design these have not been forthcoming. Please see the detailed requirement in the schedule to this letter.</p> <p>The handrail to the basement stairs does not cover the entire height of these stairs and must be extended to a point below the bottom step.</p> <p>The raised area adjacent to the window has no guard rail to the edge adjacent to the steps leading from the public access. This is a hazard should the sofa, currently in position there, move backwards and also when, as you stated the sofa is removed. A robust guardrail should be provided see schedule below.</p> <p>If satisfactory proposals and action is not forthcoming for the resolution of these hazards then I will have to serve a notice. I would ask that you contact me in the next week with your proposals.</p>	

Please find attached a report of the recent inspection carried out at the above premises.

The report identifies a number of failures to comply with legal duties and may, if appropriate, also contain some recommendations based on good health and safety practice. These matters require attention to improve the health, safety and welfare at these premises. Appropriate legislation has been specified for each matter raised. Each item should be dealt with within 12 weeks unless stated otherwise. Further follow up visits may be carried out to check on satisfactory compliance.

The report is not a Statutory Notice. However, I strongly recommend all of the matters which are legal requirements contained within it be attended to. Failure to do so may result in formal action at some future date.

The report only relates to those areas of work inspected at the time of the inspection. As explained when I called, the inspection concentrated on those things which are most likely to kill, injure and make people ill at work (priority topics) as a means of finding out how well you are managing health and safety. I would also expect you to have identified and taken action on other risks, which are created by your work activities (please see HSE publication INDG385 Take a fresh look at health and safety).

For your assistance the report includes an action column that can be used to record the details of the action taken with respect to each matter. A copy of the completed report can be returned to me as confirmation of the action taken.

Employers have a duty to consult with and keep their employees informed of any actions they take which may affect their health and safety. A copy of this report should therefore be displayed or otherwise brought to the attention of all employees working at the premises.

Should you wish to discuss this letter please do not hesitate to contact me.

Yours sincerely

## Norwich City Council Report of Health and Safety Inspection Schedule

Action/Date  
Works  
Completed

1. No risk assessments were available for inspection at the time of my visit and I understand that you are currently working with a company to correct this. These assessments are a way of looking at the business to identify what might harm someone, what you are currently doing to control this and most importantly what steps you need to take to correct any shortcomings. Please ensure that adequate risk assessments are in place that identify hazards present and any necessary actions to deal with them. You may find the Health and Safety Executives (HSE) website useful as there are several useful guides there <http://www.hse.gov.uk/risk/index.htm> including an example risk assessment for nightclubs, although this would have to be modified for Wafou.

### **Management of Health and Safety at Work Regulations 1999**

2. In my opinion the current stair rail arrangement on the rear public stairs poses a risk and needs to be modified. The handrail is over the majority of it's length too wide to easily grasp. There are two sections at the top and bottom of the stairs which run vertically, further reducing the possibility of the handrail assisting a person when using the stairs or indeed arresting their fall should they do so.

The steps are not overly wide and at the turn before the bottom, there are winders which are narrow at the handrail side increasing the possibility of a fall. In addition there are no contrasting nosings to the carpeted steps.

The aluminium carpet gripper which I am informed you have introduced to the upper flight may make matters worse in terms of slips.

I would ask that a new handrail be provided to provide support particularly when descending the stairs. The design should have regard to approved documents K and M of the Building Regulations 2010. I would strongly recommend that you take expert advice before starting on this.

<http://www.planningportal.gov.uk/buildingregulations/approveddocuments/> contains details of the building regulations.

**Health and Safety at Work etc Act 1974. section 2(1) and 3(1).**

**Workplace (Health, Safety and Welfare) regulations 1992. Reg 12(5)**

3. The handrail to the basement staircase leading to the cellar currently stops part way down the stairs, this is not safe. The hand rail should be extended to terminate beyond the lowest step.

**Health and Safety at Work etc Act 1974. section 2(1) and 3(1).**

**Workplace (Health, Safety and Welfare) regulations 1992. Reg 12(5)**

4. The platform that looks onto the main front windows where sofas are currently located, should be provided with a robust guardrail to prevent persons tipping or falling over the edge of the platform towards the steps. The guardrail should be a minimum of 1100mm high and should comprise an upper rail and one at mid height. The guardrail should be robust enough to withstand someone falling against it.

5. You led me to believe that you were intending at some point to carry out building operations in the cellar. You must contact both planning and building control departments prior to commencing such work. Carrying out major work to the ceiling /floor structure could affect the structure of the

building.

In addition you must identify where any asbestos that may be present in the building is located. This duty will depend to a large extent who is responsible for maintenance of the structure, you or your landlord. Having identified where asbestos is located you must produce a plan for its management. The enclosed leaflet gives further guidance on this subject.

6. It has previously been raised that should sound levels within the club exceed certain levels then a noise risk assessment will need to be carried out in relation to staff exposure. You have stated that sound levels are kept at a level permitting normal conversation and therefore this is unlikely to be necessary. Should this situation change an assessment is likely to be needed.

**The Control of Noise at Work Regulations 2005.**

7. Two other points from the cellar. The unsecured gas cylinders, of which there were a number, should either be strapped or chained in position or placed in a metal cage. This is to prevent a) them falling onto someone and b) in the event of a faulty valve the cylinder hurtling away. Secondly, the hanging light fitting should be secured in position. Adequate levels of light are needed to enable work to be carried out and being loose it is at far greater risk of damage with attendant risks of electric shock and fire.

8. You referred to one employee being ex army and performing some of the roles of a security officer and monitoring the cctv. In both roles he should receive specific training and hold a licence from the Security Industry Association. The use of cctv is covered by the Data Protection Act and specific training is available to ensure that this act is not breached. It should be noted that we do not enforce this directly. These are areas that you may wish to consult with the police on.

If you would like to discuss any of the above items please contact me.

My inspection was not intended to identify every contravention of health and safety law. It has concentrated on the principle risks apparent at the time of the visit and may in addition also contain a number of recommendations based on good practice.

Employers and self employed persons are reminded that it is their duty to acquaint themselves with the requirements of the health and safety legislation applicable to

INVESTOR IN PEOPLE

their work activities and ensure that they take the necessary measures required to comply.

Employees are also reminded that whilst at work they have a legal duty to take reasonable care of the health and safety of both themselves and any other persons who may be affected by their actions or omissions. In addition they must co-operate with their employers so far, as is necessary, to enable their employer to comply with their health and safety duties.

Dear Ian,

Thank you for passing a copy of the above mentioned Licensing Review Application as submitted by Norfolk Constabulary.

Planning Services would like to comment as follows on the review application:

In addition to those points raised in the grounds for review we would like to advise of the following:

The premises at 15 Prince of Wales Road was granted planning permission for use as a drinking establishment under planning application reference 10/01765/U. Attached to the consent were a number of pre-commencement conditions. To date, not all of these pre-commencement conditions have been satisfied or complied with and the premises is trading without having done the necessary works, or provided satisfactory evidence that the works have been done, in order for the local planning authority to be able to discharge the conditions. The conditions outstanding require details of maximum noise levels, sound insulation works and details of acoustic doors. Further, conditions restricting the operation of the club to 01:00hrs are also not being complied with.

As such, it is the considered view of the local planning authority that without the necessary works as required by condition having been performed at the premises, there are likely to be instances of noise nuisance as a result of the operation of these premises.

In addition to the above, please contact Richard Divey for information on any planning enforcement matters currently being investigated at this premise.

Kind regards  
Sarah

Dear Ian,

I would like to take this opportunity to register my comments against the above property and its licence on both grounds of prevention of public nuisance and public safety.

I have lived at the above address for over 4 years and until the current premises at 15 Prince of Wales Road opened, had experienced no problems with noise. Since the club has opened there have been near constant problems with noise emanating from the property at all times of night. This has had a serious affect on my sleep and general quality of life. I have made numerous complaints regarding the property to both environmental health and planning (for breaching numerous conditions put in place to prevent noise pollution). Noise from the club can start as early as 22:00 and continue on until the club closes at 06:00. There have been numerous instances of front or rear fire doors being opened during the night. On some occasions the noise has been so loud I have been able to hear it over a television and through double glazed windows.

The owners of the above property appear to have no interest in controlling the noise they generate and to achieve the levels they manage I believe they must be bypassing the noise limiters put on the system (I'm sure environmental health will be able to corroborate this). I have recently had a data logger installed at my property to record the noise levels, which has led to the noise from the club being declared a statutory nuisance.

I also believe that on grounds of public safety that the escape routes in case of a fire leave a lot to be desired. The rear fire exits open onto a closed courtyard, the far wall which is no more than 5 metres from the building itself. There is no exit from this courtyard and if any customers of the club were to climb over this wall to escape then they would fall up to 6 metres onto the concrete floor and of an underground car park.

Yours Sincerely

Chris Page

## Local Policy considerations

### 1.0 Introduction

1.4 The 2003 Act requires the Council to carry out its various licensing functions so as to promote the four licensing objectives. These are:

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm

1.5 The 2003 Act also requires that the Council publishes a 'Statement of Licensing Policy' that sets out the policies the Council will generally apply to promote the Licensing Objectives when making decisions on applications made under the Act.

4.1 "Responsible Authorities" will be asked to consider all applications and to make representations to the Council, if they relate to the promotion of the four licensing objectives and particularly in respect of applications which, might be regarded as contentious. Representations must be evidentially based and the organisation should attend any hearing when the application is being considered.

4.2 The Council will consider all representations from any "Interested Party" (see Appendix 7), or their representative, which should preferably be evidentially based and supported by attendance at any hearing at which the application is being considered.

4.3 A representation, will only be accepted by the Council if it is 'relevant', in that it must relate to the likely effect of granting the licence on the promotion of at least one of the four licensing objectives. Representation's, which are regarded as being frivolous or vexatious, will not be considered, and in the case of a review of a licence, any representation which is regarded as repetitious, will also not be considered. A decision as to whether a representation is frivolous, vexatious or repetitive will be made by an officer of the Council.

### 5.0 Conditions attaching to Licences

5.1 Where relevant representations are made, the Council will make objective judgments as to whether conditions may need to be attached to the premises licence to secure achievement of the licensing objectives. Any conditions arising as a result of representations will primarily focus on the direct impact of the activities taking place at licensed premises, on those attending the premises, and members of the public living, working or engaged in normal

activity in the area concerned, and will cover matters that are within the control of individual licensees.

- 5.2 All applications will be considered on an individual basis and any condition attached to such a licence, will be tailored to each individual premises, in order to avoid the imposition of disproportionate or burdensome conditions on those premises. Therefore, mandatory conditions, will only be imposed where they are necessary for the promotion of the licensing objectives.

## 11.0 Reviews of Licences and Certificates

- 11.1 A Licence or Certificate will be reviewed if, valid representations are received by the Council. Where practicable, the Council will mediate between applicants, relevant statutory agencies and occupiers of nearby premises, local residents groups, community or interested groups where significant issues have arisen relating to a premises licence. Where possible, the Council will mediate by:

- Identifying potential issues for other relevant statutory agencies particularly regarding the safety and amenity of local residents.
- Negotiating, if possible, potential conditions to reflect resolutions of this mediation.

This process will not override the right of any interested party to ask that the Council consider their valid objections, or for any licence holder to decline to participate in a mediation meeting.

Where mediation is not practicable or fails, the Council will advise the parties of the provisions of the Act concerning a formal review of the licence.

- 11.2 Should Responsible Authorities and Interested Parties give early notice to licence holders of any concerns about problems identified at premises and of the need for improvement, requests for a review of any licence will only be sought if such notice has failed to resolve the matter or problem.
- 11.3 The Council expects that any Responsible Authority or Interested Party will provide an evidentiary basis to support their application for a review of a premises licence.

## Management of licensed premises

13.1 Within the operating schedule for premises from which alcohol will be sold, with the exception of qualifying community premises, a premises supervisor must be designated (designated premises supervisor) and such person must be in possession of a current personal licence. The licensing authority will normally expect the designated premises supervisor [DPS] to have been given the day to day responsibility for running the premises by the premises licence holder and, as such, would normally be present on the licensed premises on a regular basis. In addition to the DPS holding a personal licence, the licensing authority would strongly encourage

the DPS to undergo additional training and to have experience commensurate with the nature and style of entertainment provided and the capacity of the premises.

13.2 The act does not require a DPS or any other personal licence holder to be present on the premises at all times when alcohol is sold. However, the DPS and the premises licence holder remain responsible for the premises at all times and have a duty to comply with the terms of the licensing act and any conditions, including the matters set out in the premises' operating schedule, in order to promote the licensing objectives. To that end, the licensing authority will be mindful of the guidance issued by the secretary of state, which recommends that a personal licence holder/DPS gives specific written authorisations to those individuals they are authorising to retail alcohol. Although written authorisation is not a requirement of the act and the designated premises supervisor/personal licence holder remain ultimately responsible for ensuring compliance with the act and licensing conditions, this action could assist in demonstrating due diligence should any issues arise with regard to enforcement.

**The licensing authority will therefore expect that where the personal licence holder/DPS does not have the premises under their immediate day to day control, written authorisations will be issued to staff acting on their behalf, such authorisations being made available for inspection by a responsible Officer of the licensing authority or the police upon request.**

# **APPENDIX I**

## **National Guidance (issued under section 182 of the Licensing Act 2003)**

### **SMALL VENUES PROVIDING DANCING AND AMPLIFIED OR UNAMPLIFIED MUSIC**

3.25 In addition, section 177 of the 2003 Act applies to suspend most licensing conditions relating to music entertainment in certain small venues when the conditions specified in the licence are met. The section is directed at premises with a capacity of 200 or less and which are licensed for the provision of music entertainment such as, for example, some pubs with entertainment licences. A detailed description of section 177 follows below.

3.26 Subsections (1) and (2) of section 177 of the 2003 Act provide that where,

- a premises licence or club premises certificate authorises the supply of alcohol for consumption on the premises and the provision of “music entertainment” (live music or dancing or facilities enabling people to take part in those activities),
- the relevant premises are used primarily for the supply of alcohol for consumption on the premises, and
- the premises have a permitted capacity limit of not more than 200 persons (see paragraph 2.29).

any conditions relating to the provision of the music entertainment imposed on the premises licence or club premises certificate by the licensing authority, other than those set out by the licence or certificate which are consistent with the operating schedule, will be suspended except where, under subsection (5), they were imposed as being necessary for public safety or the prevention of crime and disorder or both.

3.27 Examples of premises used “primarily” for the supply of alcohol for consumption on the premises would include some public houses and some qualifying club premises, but would not normally include, for example, a restaurant.

3.28 In addition, subsection (4) of section 177 provides that where

- a premises licence or club premises certificate authorises the provision of music entertainment, and
- the premises have a permitted capacity limit of not more than 200 persons

then, during the hours of 8am and midnight, if the premises are being used for the provision of unamplified live music or facilities enabling people to take part in such entertainment, but no other type of regulated entertainment, any conditions imposed on the licence by the licensing authority, again other than those which are consistent

with the operating schedule, which relate to the provision of that music entertainment will be suspended.

3.29 The “unamplified” music exemption covers any premises appropriately licensed, including, for example restaurants.

3.30 The area to which the 200 “permitted capacity limit” applies concerns the area covered by the terms of the premises licence or club premises certificate. In this context, the capacity must be where the fire and rescue authority has made a recommendation on the capacity of the premises under the Fire Safety Order (see paragraph 2.29). The permitted capacity limit is only applicable to part of the premises where that part has been separately and accordingly licensed.

3.31 Section 177 can be disapplied in relation to any condition of a premises licence or club premises certificate following a review of the licence or certificate. This means that conditions attached to the existing premises licence relating to the provision of music entertainment can be given effect at the relevant times or that new conditions may also be imposed as an outcome of the review process.

## **THE REVIEW PROCESS**

11.1 The proceedings set out in the 2003 Act for reviewing premises licences represent a key protection for the community where problems associated with the licensing objectives are occurring after the grant or variation of a premises licence.

11.2 At any stage, following the grant of a premises licence, a responsible authority, or an interested party, may ask the licensing authority to review the licence because of a matter arising at the premises in connection with any of the four licensing objectives.

11.3 The Regulations allow applications for reviews to be made electronically, as long as the licensing authority agrees and the applicant submits a subsequent written application. The licensing authority may also agree in advance that the application need not be given in writing. However, these applications are outside the formal electronic application process and may not be submitted via businesslink or the licensing authority’s electronic facility.

11.4 In addition, a review of the licence will normally follow any action by the police to close down the premises for up to 24 hours on grounds of disorder or noise nuisance as a result of a notice of magistrates’ court’s determination sent to the licensing authority.

11.5 Licensing officers may not initiate their own reviews of premises licences, but elected members of the licensing authority may request reviews if they are concerned about licensed activities at a premises or such matters are brought to their attention (see paragraph 8.15 above). Officers of the local authority who are specified as responsible authorities under the 2003 Act, such as environmental health officers, may also request reviews on any matter which relates to the promotion of one or more of the licensing objectives.

11.6 Representations made by a department of the local authority which is a responsible authority should be treated by the licensing authority in precisely the same way that they would treat representations made by any other body or individual.

11.7 In every case, the representation must relate to particular premises for which a premises licence is in existence and must be relevant to the promotion of the licensing objectives. After a licence or certificate has been granted or varied, a complaint relating to a general (crime and disorder) situation in a town centre should generally not be regarded as a relevant representation unless it can be positively tied or linked by a causal connection to particular premises, which would allow for a proper review of the licence or certificate. For instance, a geographic cluster of complaints, including along transport routes related to an individual public house and its closing time could give grounds for a review of an existing licence as well as direct incidents of crime and disorder around a particular public house.

11.8 Representations must be in writing and may be amplified at the subsequent hearing or may stand in their own right. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing.

11.9 It is important to recognise that the promotion of the licensing objectives relies heavily on a partnership between licence holders, authorised persons, interested parties and responsible authorities in pursuit of common aims. It is therefore equally important that reviews are not used to drive a wedge between these groups in a way that would undermine the benefits of co-operation. It is good practice for authorised persons and responsible authorities to give licence holders early warning of their concerns about problems identified at the premises concerned and of the need for improvement. A failure to respond to such warnings is expected to lead to a decision to request a review.

11.10 Where the request originates with an interested party – e.g. a local resident, residents' association, local business or trade association – the licensing authority must first consider whether the complaint made is relevant, vexatious, frivolous or repetitious.

11.11 Further information for interested parties about the review process is available in "Guidance for interested parties: applying for a review" which can be found on the DCMS website.

## **REPETITIOUS REPRESENTATIONS**

11.12 Relevance, vexation and frivolousness were dealt with in paragraphs 9.8 – 9.13 above. A repetitious representation is one that is identical or substantially similar to:

- a ground for review specified in an earlier application for review made in relation to the same premises licence which has already been determined; or
- representations considered by the licensing authority when the premises licence was first granted; or

- representations which would have been made when the application for the premises licence was first made and which were excluded then by reason of the prior issue of a provisional statement;

and, in addition to the above grounds, a reasonable interval has not elapsed since that earlier review or the grant of the licence.

11.13 Licensing authorities are expected to be aware of the need to prevent attempts to review licences merely as a second bite of the cherry following the failure of representations to persuade the licensing authority on earlier occasions. It is for licensing authorities themselves to judge what should be regarded as a reasonable interval in these circumstances. However, the Secretary of State recommends that more than one review originating from an interested party should not be permitted within a period of twelve months on similar grounds save in compelling circumstances or where it arises following a closure order.

11.14 The exclusion of a complaint on the grounds that it is repetitious does not apply to responsible authorities which may make more than one request for a review of a premises within a 12 month period.

11.15 When a licensing authority receives a request for a review from a responsible authority or an interested party or in accordance with the closure procedures described in Part 8 of the 2003 Act, it must arrange a hearing. The arrangements for the hearing must follow the provisions set out by the Secretary of State in regulations. The details may be viewed on the DCMS website. The Secretary of State considers it particularly important that the premises licence holder is fully aware of the representations made in respect of the premises, any evidence supporting the representations and that they or their legal representatives have therefore been able to prepare a response.

## **POWERS OF A LICENSING AUTHORITY ON THE DETERMINATION OF A REVIEW**

11.16 The 2003 Act provides a range of powers for the licensing authority on determining a review that it may exercise where it considers them necessary for the promotion of the licensing objectives.

11.17 The licensing authority may decide that no action is necessary if it finds that the review does not require it to take any steps necessary to promote the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. It is expected that licensing authorities will regard such warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the holder of the licence. However, where responsible authorities like the police or environmental health officers have already issued warnings requiring improvement – either orally or in writing – that have failed as part of their own stepped approach to concerns, licensing authorities should not merely repeat that approach.

11.18 Where the licensing authority considers that action under its statutory powers are necessary, it may take any of the following steps:

- to modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
- to exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption);
- to remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
- to suspend the licence for a period not exceeding three months;
- to revoke the licence.

11.19 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns which the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than a necessary and proportionate response.

11.20 For example, licensing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual.

11.21 Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated by representations, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems which impact upon the licensing objectives.

11.22 Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as a necessary means of promoting the licensing objectives. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is necessary and proportionate to the promotion of the licensing objectives.

## **REVIEWS ARISING IN CONNECTION WITH CRIME**

11.23 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises or money laundering by criminal gangs or the sale of contraband or stolen goods there or the sale of firearms. Licensing authorities do not

have the power to judge the criminality or otherwise of any issue. This is a matter for the courts of law. The role of the licensing authority when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure that the crime prevention objective is promoted. Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. Some reviews will arise after the conviction in the criminal courts of certain individuals but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go behind any finding of the courts, which should be treated as a matter of undisputed evidence before them.

11.24 Where the licensing authority is conducting a review on the ground that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licensee and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any necessary steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives in the interests of the wider community and not those of the individual holder of the premises licence.

11.25 As explained above, it is not the role of a licensing authority to determine the guilt or innocence of individuals charged with licensing or other offences committed on licensed premises. There is therefore no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. As stated above, at the conclusion of a review, it will be for the licensing authority to determine on the basis of the application for the review and any relevant representations made, what action needs to be taken for the promotion of the licensing objectives in respect of the licence in question, regardless of any subsequent judgment in the courts about the behaviour of individuals.

11.26 There is certain criminal activity that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of Class A drugs and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;
- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;

- for unlawful gaming and gambling; and
- for the sale of smuggled tobacco and alcohol.

11.27 It is envisaged that licensing authorities, the police and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered. We would also encourage liaison with the local Crime and Disorder Reduction Partnership.

11.28 It should be noted that it is unlawful to discriminate or to refuse service on grounds of race or by displaying racially discriminatory signs on the premises. Representations made about such activity from responsible authorities or interested parties would be relevant to the promotion of the crime prevention objective and justifiably give rise to a review.

### **REVIEW OF A PREMISES LICENCE FOLLOWING CLOSURE ORDER**

11.29 Licensing authorities are subject to certain timescales, set out in the legislation, for the review of a premises licence following a closure order. The relevant time periods run concurrently and are as follows:

- when the licensing authority receives notice that a magistrates' court has made a closure order it has 28 days to determine the licence review: The determination must be made before the expiry of the 28th day after the day on which the notice is received;
- the hearing must be held within 10 working days, the first of which is the day after the day the notice from the magistrates' court is received;
- notice of the hearing must be given no later than 5 working days before the first hearing day. There must be five clear working days between the giving of the notice and the start of the hearing.
