It was also agreed that workshops would be held to update members.
12 November 2015	Community Space Review	Bob Cronk	It was agreed a website containing a centralised tool for room bookings across all community centres would worthwhile	A central online booking system is something that has previously been explored with the volunteer management committees/community associations that operate the council's community centres. A centralised tool would provide some positive benefits but not all of the centres use IT regularly. The new community centres website could be used as a basis for this and further development work with the centres has been proposed linking this proposal with the council's digital inclusion activity. The majority of the centres still work with a paper booking system and taking forward a web based system would require endorsement from the centres but something the council can encourage and will continue to do so, building on those centres that do use web tools.

30 June 2016	Quarterly performance report	Phil Shreeve	With reference to measure PVC4 (number of new business start-ups) members requested further information, in particular what would happen if a new business were to close?	The Economic development officer –'The figure was gross, it measures new businesses which have started with support from local business support agencies. It is not a measure of active businesses which is a net figure i.e .new businesses + existing businesses – business closures. This measure is available from official statistics but is subject to a 2 year time lag which is why it is not used as a performance measure, it is not timely enough.
30 June 2016	Update on the Norwich Market Consultation	Adrian Akester	 The scrutiny committee to explore the possibility of 1. for a bus route to take in the market place via Saint Peters Street; and, 2. to improve sign posting from existing bus stops to the market (particularly on Castle Meadow) 	 The measure does not include business closures' The head of city development responded, '1) is a matter for the county council as they are the passenger transport authority. From the knowledge I do have it is very unlikely to be viable and also a single bus route is only going to be of use for a small proportion of the population. As Scrutiny Committee notes the nearest main bus stops are at Castle Meadow. The market is already signed from Castle Meadow (at the junction with Davey Place). To
