## Report

1. In recent years, the Mousehold Conservators have prepared an annual report.
2. The purpose of the report is to provide an overview of management works undertaken during the course of the year, to highlight the level of voluntary activity, the range and numbers of events, walks and a summary of any biological surveys undertaken. Conservators have also requested that the report contains a forward looking section.
3. Conservators agreed that this be presented to Conservators at the June meeting annual, as it would coincide with the financial out turn report.
4. Officers have drafted the annual report for 2015-16 which is attached at appendix 1 and 2.
5. Conservators are requested to comment on the content of the report, how they might wish it to be used to promote Mousehold heath and the work of the Conservators.
