The committee heard an application to licence the premises for the sale of alcohol for consumption off the premises as per the report for the committee.

The applicant amended their operating schedule so that the hours for the licensable activity would be:

Sundays	10:00hrs -22.30hrs

The Applicant adopted the requests from the police into their operating schedule which are outlined in the report and amended the wording relating to CCTV to "a digital cctv system will be installed and maintained in the premises and in working order at all times. Sufficient cameras will be installed to monitor the public area within the building and to cover full facial recognition of customers entering the premises. Copies of images must be downloadable in a digital format and provided to local authority or police representatives upon request. Images must be retained for a minimum of 28 days"

The committee asked questions relating to the applicants experience in selling alcohol and his proposed staff levels. Ian Streeter informed the committee that the applicant has received his personal licence and has had the training to prepare to be the designated premises supervisor.

The written objections related to existing nuisance and disorder and the committee did not hear any evidence which demonstrated that the grant of the premises licence would undermine the licensing objectives.
