Report

1. At the meeting of the committee on 11 December 2014, members considered the results of a public consultation on a proposed Sex Establishment Policy.
2. At this meeting members subsequently resolved to adopt the proposed policy.
3. At a subsequent meeting on 8 September 2017, where members determined licence applications for four sexual entertainment venues made under this policy, members expressed a wish to consider an updated policy which included maximum numbers of licensed premises in relevant localities.
4. At a meeting of the Licensing Committee on the 6 September 2018 members considered an updated draft policy and agreed some amendments. The agreed amended draft policy is attached at Appendix A.
5. One of the discretionary grounds for the refusal of an application for a sex establishment licence is on the basis of whether a predetermined appropriate number of licensed premises has already been reached. Further details on the wording of this aspect are included in the paragraphs below.
6. At the meeting on 6 September 2018 members considered the question of whether the draft policy should include appropriate numbers of the various types of sex establishment, but no conclusion was reached.
7. Officers were directed to conduct benchmarking research with other local authorities on the aspect of setting appropriate numbers of sex establishments. The results of this research are attached at Appendix B.

Grounds for Refusal of Applications

8. An application will be refused on the following mandatory grounds:
 - i. if the applicant is under 18,
 - ii. if the applicant has a disqualification following the revocation of their licence,
 - iii. to a person, other than a body corporate, who is not resident in an EEA State,
 - iv. to a body corporate not incorporated in an EEA state,
 - v. or a previous refusal of the applicant at the same premises in the previous 12 months.
9. There are also a number of discretionary grounds. These are:
 - i. if the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason,
 - ii. if the business would be managed by or for the benefit of a third party who would be refused a licence in their own right
 - iii. That the number of sex establishments in the relevant locality or of sex establishments of a particular kind in the relevant locality equals or exceeds the number considered appropriate for that locality.
 - iv. Is inappropriate having regard to:
 - o Character of relevant locality

- Use of premises in vicinity
- Layout, character or condition of the premises in respect of which the application is made.

Relevant Locality

10. Paragraph 12(3)(c) and 12(3)(d) of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 allow appropriate authorities to refuse applications on grounds related to an assessment of the “relevant locality”. A licence can be refused if either, at the time the application is determined the number of sex establishments, or sex establishments of a particular kind, in the relevant locality is equal to or exceeds the number that the authority considers appropriate for that locality; or that a sex establishment would be inappropriate having regard to the character of the relevant locality, the use to which any premises in the vicinity are put, or the layout, character or condition of the premises. Nil may be the appropriate number.
11. Schedule 3 to the 1982 Act does not define “relevant locality” further than to say that:
 - (a) in relation to premises, it is the locality where they are situated; and
 - (b) in relation to a vehicle, vessel or stall, it is any locality where it is desired to use it as a sex establishment.
12. Whilst the council has decided upon the extent of the relevant localities government guidance on SEV applications still requires consideration of the facts of an individual application regarding this point.
13. Therefore, it is reasonable and potentially useful to future applicants, for a local authority to decide in advance of receiving any applications that certain areas are, or are not, appropriate locations for a sex establishment or a particular number of sex establishments. Nevertheless, all applications must be considered on their individual merits.
14. When considering a particular application case law has indicated that the relevant locality does not have to be a clearly pre-defined area nor are local authorities required to be able to define its precise boundaries. Therefore, while a local authority is not prevented from defining the exact area of the relevant locality, it is equally free to conclude that it simply refers to the area which surrounds the premises specified in the application and does not require further definition. Nevertheless a local authority’s view of what constitutes a locality could be open to challenge if they took a completely unreasonable view of the area covered, for example, by concluding that two sex establishments 200 miles away from one another were in the same locality. Case law also indicates that a relevant locality cannot be an entire local authority area or an entire town or city.
15. Once the authority has determined the relevant locality, it should seek to make an assessment of the ‘character’ of the relevant locality and how many, if any, sex establishments, or sex establishments of a particular kind, it considers appropriate for that relevant locality.

16. Local authorities may determine an appropriate number of sex establishments of a particular kind. In practice, this means that the appropriate authority may, for example, decide that a particular locality is suitable for a sex shop but is not suitable for a sexual entertainment venue or vice versa.
17. In determining the applications heard in September 2017, members considered the question of relevant locality for the four sexual entertainment venues.
18. Three of the application premises were located in Prince-of-Wales Road, and members considered that their relevant locality was best represented by the Late Night Activity Zone, an area defined in planning policy.
19. One of the application premises was located in Dove Street (close to the Guildhall), and members considered that the relevant locality was best represented by the City Centre Leisure Area, another area defined in planning policy.
20. At the meeting on 6 September 2018 members redefined the relevant locality of the City Centre Leisure Area, to include St Augustine's Street from the junction of Pitt Street to the junction of Esdelle Street with the boundary placed through the centre of the street, such that the area now incorporates the existing licensed sex shop.
21. The current and proposed policy states that - In considering the characteristics of a locality the Licensing Authority shall particularly take account of the density and proximity of:
 - (1) schools, nurseries, crèches, youth hostels and other similar educational or recreational facilities attended by children,
 - (2) parks and children's play areas,
 - (3) residential and sheltered accommodation,
 - (4) religious and community buildings,
 - (5) alcohol or entertainment licensed premises,
 - (6) other retail units (and their uses)
22. Maps containing details of the planning areas mentioned above, are attached at appendix C.
23. Since the grant of the original four sexual entertainment venue licenses in September 2017, only three applied to renew the licence in September 2018. Therefore the current licensed sex establishment premises are:-
 - i) Sugar and Spice, 39 Prince of Wales Road – SEV
 - ii) Pure Gold, 52 Prince-of-Wales Road – SEV
 - iii) Platinum Lace, 15 Dove Street – SEV
 - iv) The Private Shop, 39 St Augustines Street – sex shop

Consultation

24. It is proposed that consultation on the proposed policy takes place with:
 - The Chief Officer of Norfolk Constabulary

- One or more persons who appear to the council to represent the interests of persons carrying on or proposing to carry on the business of a sex establishment in the city
- One or more persons who appear to the council to represent the interests of persons employed either as performers or otherwise in the business of a sex establishment in the district
- One or more persons who appear to the council to represent the interests of persons likely to be affected by or otherwise have an interest in the policy including the Planning Authority, Fire Authority, Community Safety, Environmental Protection and Child Protection.
- Interested parties such as resident associations and trade associations
- Ward councillors

Conclusions

25. Having decided to adopt the provisions of the Act, the Council can adopt a policy relating to the application and determination of applications for lap dancing clubs, sex shops and sex cinemas
26. The Government has provided local authorities with a way of controlling the number and location of sex establishments in their area. It has also given the Council a wide discretion in deciding the policy relating to sex establishments.
27. Consultation on the attached draft policy should take place and any revisions be brought back for members to consider before a policy is finalised.

1. Introduction

This policy has been drafted following new legislative provisions introduced by the Policing and Crime Act 2009 (and adopted by the City Council) that allow the council to regulate lap dancing and similar venues, and provides a framework for regulation of all existing and future sex establishments in the City.

Norwich City Council has adopted schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) so that it can regulate *sex establishments* in the City.

In this policy

- the Local Government (Miscellaneous Provisions) Act 1982 as amended is referred to as *The Act* unless otherwise stated.
- Norwich City Council as Licensing Authority for Sex Establishments is referred to as *the Authority*.

A Glossary of definitions and terms is provided at the end of the Policy for reference.

The policy is intended to set out clear and concise guidance, procedure and principles for the benefit of the Authority, the community, applicants and other relevant organisations.

Due to the requirement that each application must be considered on its own merits, although the Licensing Committee must have regard to this policy as part of their decision making process they are not rigidly bound by it. Should the Licensing Committee choose to depart from this policy, clear and concise reasons for doing so will be provided.

The policy also contains standard conditions which will be applied to the different types of sex establishment which forms part of any licence granted.

This policy relates to any premises wishing to operate as a Sex Shop, Sex Cinema or Sexual Entertainment Venue in Norwich.

Not all premises involved in such businesses will automatically require a Sex Establishment licence. Where there is an exemption within the legislation this has been set out in this policy document.

Notwithstanding matters contained within this policy document, consideration will be given to the provisions of the Human Rights Act 1998 when considering applications for Sex Establishment licences.

The Authority does not take a moral stance through the adoption of this policy. We recognise that Parliament has made it lawful to operate a sex establishment, and that such businesses are a legitimate part of the retail and leisure industries. It is our role as a licensing authority to regulate such premises in accordance with the law.

2. Policy development and consultation details

In developing this policy the Authority has had regard to the legal requirements of the Act and the Policing and Crime Act 2009 and its duties under:

- section 17 of the Crime and Disorder Act 1998 to take all reasonable steps to reduce crime and disorder within the City;
- the Regulators' Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) not to impede economic progress by the regulations we set out and to particularly consider the impact of regulations on small businesses; and
- the Provision of Services Regulations 2009 to ensure requirements are:
 - (i) non-discriminatory
 - (ii) justified by an overriding reason relating to the public interest
 - (iii) proportionate to that public interest objective
 - (iv) clear and unambiguous
 - (v) objective
 - (vi) made public in advance, and
 - (vii) transparent and accessible.

The Authority consulted on this policy ????

It was approved by the Licensing Committee on ??? and adopted by Full Council on ???

3. Types of Sex Establishment and definitions

There are 3 types of sex establishments (as defined in the Act):

- Sex Shops
- Sex Cinemas
- Sexual Entertainment Venues.

These terms are defined in Schedule 3 of the Act (and summarised in the Glossary below). It includes any premises, vehicle, vessel or stall used as a sex establishment but does not apply to the sale, supply or demonstration of articles which are manufactured for use primarily for the purposes of birth control or primarily relate to birth control.

In deciding whether entertainment is "relevant entertainment" in respect of a Sexual Entertainment Venue the Authority will judge each case on its merits, but will generally apply to:

- lap dancing
- pole dancing
- table dancing
- strip shows
- peep shows
- live sex shows

The Authority recognises that not all premises which provide Adult entertainment facilities automatically require a Sex Establishment licence.

Statement of Licensing Policy for Sex Establishments

This is due to certain provisions and exemptions within the legislation as detailed below.

Applications can be made to waive the requirement for a sex establishment licence. However, the Authority does not consider it would be appropriate to permit waivers from the requirements to hold a sex establishment licence except in extreme circumstances which will be considered by the Authority's Licensing Committee (for example, to allow a temporary re-location of a business following damage to licensed premises).

The Act provides an exemption allowing premises without a Sex Establishment Licence to provide *relevant entertainment* on an infrequent basis of no more than eleven occasions within a 12-month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours. However such premises will require to hold an appropriate authorisation under the Licensing Act 2003. In considering and granting such authorisations, which relate to nudity, striptease and similar, the Authority will have regard to the Authority's Statement of Licensing Policy and also the principles contained in this policy document

4. Location of Licensed Premises

The Authority acknowledges that a concentration of licensed premises in a particular area can result in a potential fear of crime, anti-social behaviour, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.

In considering the characteristics of a locality the Authority will take account of the density and proximity of:

- schools, nurseries, crèches, youth hostels and other similar educational or recreational facilities attended by children,
- parks and children's play areas,
- residential and sheltered accommodation,
- religious and community buildings,
- alcohol or entertainment licensed premises,
- other retail units (and their uses).

As provided for under the provisions of the Act, the Authority can refuse applications for new or renewed licences where the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number the number which we consider appropriate for that locality. This number can be 'nil'.

In recognising that different parts of the City have different characteristics the Authority has imposed a limit on the number of premises that may be licensed in a given area, and will treat each application upon its own merits. The Authority considers the maximum numbers should be:

Locality	number
Late Night Activity Zone	tbc3
City Centre Leisure Area (outside of the LNAZ)	tbc4

City Council area outside of the City Centre Leisure Area	tbc1
---	----------------------

The Authority expects that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned.

5. Application Process

Applicants should be aware that planning is a separate jurisdiction to licensing. Potential licence applicants should ensure that appropriate planning permission is in place prior to submission of an application for a licence.

Premises may require to hold a Licence under the Act as a Sex Establishment and also a separate licence under the Licensing Act 2003 (for the sale of alcohol and late night refreshment)

An application for the grant, renewal, transfer or variation of a Sex Establishment licence must be made in writing to the Authority in accordance with the requirements shown in Annex A to this policy together with the application fee,

Applications can be made in the following ways:

- By post/personal service to:
The Licensing Team, Norwich City Council, City Hall, St Peter's Street, Norwich NR2 1NH
- Via Email: licensing@norwich.gov.uk
- Online:
https://www.norwich.gov.uk/directory_record/1186/sex_shops_and_cinemas/category/108/sex_shops_and_cinemas

The application must be copied by the applicant to the Police within 7 days after the date the application was made, except when received by the council electronically.

Applicants must provide their name, address and (where the applicant is an individual) their age, plus the premises address and the proposed licensed name of the premises.

Applicants must, at the time of submission of a new grant or variation application, provide a scheme showing the exterior design for consideration by the Authority before the premises are opened for business in order to ensure that exterior design of the premises shall be such that the interior of the premises is not visible to passers-by.

In addition, applicants must, at the time of submission of a new grant or variation application, provide a plan showing the interior layout of the premises for consideration by the Authority. In the case of Sexual Entertainment Venues such plan must outline the area where relevant entertainment will take place.

Applicants for Sexual Entertainment Venues must also submit a copy of their "House Rules". Such House Rules must contain the required conduct of performers which

Statement of Licensing Policy for Sex Establishments

shall include matters containing conditions of licence, i.e. no touching, no meeting customers outside of the licensed premises for any purpose, no sex acts, no giving or taking phone numbers (including exchange of business cards). Such House Rules will form part of the licence (if granted) and may be subject to amendment by the Authority prior to approval.

Applicants must make provision for all performers to sign documentation to confirm their knowledge of and acceptance to adhere to the House Rules. Such documentation must be retained for the duration of the performers' employment and for a further 6 months from the date they last worked at the premises, whether they are employed directly or freelance.

Representatives of the Authority may, as part of the application process, visit the locality of the premises to establish whether there are any characteristics of the locality which may require consideration by the Licensing Committee.

Applicants must also give public notice of the application by publishing an advertisement in a local newspaper which circulates in the area of the Authority to which the application has been submitted. This must be published within 7 days of making the application.

If the application relates to a premises then there is an additional requirement for notice of the application to be displayed for 21 days on or near the premises where it can be conveniently read by the public. The notice, the form of which is prescribed by the Authority, must contain certain information. The Authority's prescribed notice is contained within this policy document as Appendix A.

Please note that with regard to ~~online~~ applications tacit authorisation does not apply to new grant applications for sex establishment licences. This means applicants must wait for the Authority to determine their application before they can operate a sex establishment.

The appropriate fees for applications are set by the Authority and can be found on the Council's website. Application fees must be paid in full at the time of submission of the application.

If an application is for the renewal of a sex establishment licence, the premises can continue to operate past the licence expiry date; provided that the renewal application has been submitted to the Authority before the licence expires

The holder of a licence may apply to the Authority to vary the terms, conditions or restrictions on or subject to which the licence is held.

6. Consultation procedures and Commenting on licence applications

The police are a statutory consultee for all applications.

Residents and businesses ~~in the City~~ may also make objections during the consultation process.

Statement of Licensing Policy for Sex Establishments

Objectors should limit their objection to matters which are relevant to the statutory grounds for refusal as set out in the Act. The grounds relevant to the majority of objectors are as follows:

- that the grant or renewal of the licence would be inappropriate, having regard to the character of the relevant locality or to the use to which any premises in the vicinity are put; or to the layout, character or condition of the premises, vehicle or vessel or stall in respect of which the application is made.

Any objections received by the Authority which do not relate to the grounds set out in the Act will be deemed invalid and must be rejected by the licensing team. Where objections are rejected, the objector will be given written reasons.

In addition to individuals, objectors can include residents'/tenants' associations, community associations and trade associations. Councillors and MPs may also raise objections. Councillors may represent interested parties, providing they do not also sit on the Licensing Committee.

The Authority will not consider objections that ~~are frivolous or vexatious, or which relate to moral grounds (as these are outside the scope of the Act). Decisions on whether objections are frivolous or vexatious will be made objectively by the Authority's authorised officers and not on the basis of any political judgement.~~ Where objections are rejected, the objector will be given written reasons.

~~A vexatious objection is generally taken to be one which is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.~~

Valid objections will be considered by the Licensing Committee at the hearing to consider the application and applicants will be given an opportunity to present their application to members.

The Authority has a procedure to be followed during licensing hearings. Persons who have made a valid and relevant representation in respect of an application will be able to address the Committee when the application is being considered and may also ask questions of the applicant. A time limit per speaker may be set. Where a number of persons have requested to speak the Chair of the Committee may require a spokesperson to be elected.

Objections must be made in writing (email is acceptable) and should include the following:

- the name and address of the person or organisation making the objection
- the premises to which the objection relates
- the proximity of the premises to the person making the objection; a sketch map or plan may be helpful to show this
- the reasons for making the objections, which are clearly set out in relation to the grounds for refusal (as stated above).

Statement of Licensing Policy for Sex Establishments

Any Petitions received must clearly state the name and address of the premises application being objected to. The full objection that people are signing to say they agree with must be at the top of the petition. The objection must be in line with the requirements of the legislation (as detailed above). The names and addresses of those signing the petition should be provided and should be legible, together with a signature.

The Authority must be confident that those signing the petition were aware what they were signing for; so in the interest of clarity for those signing best practice would be to have the objection at the top of each page, especially where several people are involved in collecting signatures. The Committee will decide on the merits of the case what weight it will give to objections raised through petitions.

It should be noted that submissions to the Licensing Authority may also be in support of an application. These should also contain the same information as stated above.

The names and address of objectors will not be disclosed to applicants, or published in public reports, in accordance with Paragraph 10 (17) of Schedule 3 to the Act.

Details of applications and objections which are referred to the Licensing Committee for determination will be published in reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000. Certain items or information will therefore have to be excluded from the public domain as permitted by Local Government Act 1972.

7. Determination of applications

When considering applications, the Authority will have regard to:

- the Act
- any supporting regulations
- guidance issued by the Home Office
- this Statement of Licensing Policy
- any objections made
- the Human Rights Act 1998
- any other relevant legislation or guidance

This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

When determining applications, the Authority will take account of any comments or representations made by:

- Norfolk Constabulary;
- Norwich City Council Environmental Protection Service
- The authority enforcing health & safety at the premises
- Norwich City Council Planning Services
- Norfolk Fire Service
- Norfolk Safeguarding Children Board

Statement of Licensing Policy for Sex Establishments

- Any other relevant authority

The Authority reserves the right to consult any other body that it considers appropriate.

Paragraph 12 (1)(a-e) of Schedule 3 of the Act prohibits the Authority from granting a licence:

- (a) to a person under the age of 18; or
- (b) to a person who is for the time being disqualified from holding a licence following revocation of such a licence; or
- (c) to a person, other than a body corporate, who is not resident in an EEA state or was not so resident throughout the period of 6 months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA state;
- (e) to a person who had, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

Applications which fall into this category will be deemed invalid applications. Please note there is no right of appeal against failure to grant a licence on these grounds.

If the application is valid and no objections have been received and there are no other statutory grounds for refusal, the application will be granted by way of delegated authority.

In cases where objections have been received, or if there are concerns regarding the characteristics of the locality, or any other discretionary ground of refusal, the application will be referred to the Licensing Committee for a hearing and determination of the application.

The Authority may, if they think fit, transfer a licence to any other person upon application by that person.

Each application will be decided upon its own merits. The Licensing Authority will not apply a rigid rule to its decision making.

The Authority will give clear reasons for its decisions.

The Authority will, unless there are exceptional reasons otherwise, grant licences for the maximum duration of one year to provide certainty to those operating businesses. The licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.

When issuing a Sex Establishment Licence the Authority is permitted to issue it on such terms and conditions and subject to restrictions as specified at the time the licence is issued. In addition to this the Licensing Authority has the power to make standard conditions applicable to all licences for sex establishments. The Authority

may grant to any applicant or renew any licence for the use of any premises as a sex establishment on such terms and conditions as may be specified.

8. Conditions

The Authority will attach *standard conditions* (as specified in Appendices B-D. to this Policy document) to all sex establishment licences.

Additional conditions may be added in the following circumstances:

- When offered by the applicant as part of the application;
- Voluntary following recommendations made by any relevant Authority, Police etc;
- By the Licensing Committee following receipt of an objection and a hearing.

Applicants who wish to be exempt from the requirements of any of the *standard conditions* should state, with full reasons why they should be so exempted, when making an application.

It is an offence to breach the conditions and the penalty for this is a fine not exceeding £20,000.

9. Refusal of licences

Except where the Authority are prohibited from granting, renewing, varying or transferring a licence, the Authority will not refuse a licence without first:

- Notifying the applicant or holder of the licence in writing of the reasons;
- Giving the applicant (or holder) of the licence the opportunity of appearing and making representations before a Licensing Committee.

As stated above, in accordance with Paragraph 12(1) of Schedule 3 to the Act the Authority **must refuse** to grant or transfer a licence in certain mandatory cases and these will be deemed invalid applications.

In accordance with Paragraph 12(2) of Schedule 3 to the Act the Authority **may refuse**:

- an application for grant or renewal of a licence on one or more of the grounds shown below;
- an application for transfer of a licence on either or both of the grounds shown at a and b below.

The grounds for refusal are:

- a. That the applicant is unsuitable by reason of having been convicted of an offence or for any other reason;
- b. That if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application him/her self;
- c. That the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the~~that the~~ application is

determined, made is equal to or exceeds the number which the Authority considers is appropriate for that locality;

- d. That the grant or renewal of the licence would be inappropriate having regard to:
- The character of the relevant locality;
 - The use to which any premises in the vicinity are put; or
 - The layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

10. Revocation of licence

The Authority is given jurisdiction to revoke a sex establishment licence by virtue of Schedule 3 paragraph 17(1) of the Act.

- on any of the mandatory grounds which are detailed in section 7 above
- or either of the grounds in respect of (a) or (b) detailed at section 9 above, namely that the licence holder is unsuitable or that the manager or beneficiary of the licence is unsuitable.

The Authority will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Committee. They may call a hearing, without requiring a third party to request such a hearing, and give the licence holder an opportunity to appear before them.

Should the Authority revoke a Sex Establishment licence then full reasons for the revocation will be provided to the licence holder within 7 days of the decision.

Revocation of a Sex Establishment licence would disqualify the licence holder from holding or obtaining another Sex Establishment licence in the Authority's area for a period of 12 months. However, this does not prevent the licence holder from holding a licence in another Licensing Authority's area.

11. Cancellation of licences

The licence-holder may surrender the licence at any time and may request the Authority in writing to cancel the licence.

In accordance with Paragraph 15 of Schedule 3 to the Act, in the event of the death of a licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked. The representatives must comply with the conditions of the licence and should not be someone who would not normally be granted a licence in their own right

Where the Authority is satisfied that it is necessary for the purpose of winding up the estate of the deceased licence-holder, and that no other circumstances make it undesirable, it may extend or further extend the period in which the licence remains in force.

12. Right to appeal a decision

Statement of Licensing Policy for Sex Establishments

If an application is refused, or licence revoked, following a hearing, then the applicant or licence holder will be informed of the decision and whether there is any right of appeal. Appeals must be made to the local magistrates' court within 21 days, starting from the date the applicant or licence holder is notified of the Authority's decision. It should be noted that a fee may be payable to the magistrates to lodge such an appeal. Applicants or licence holders can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke a licence. They can also appeal against conditions or restrictions imposed. Please note there is no appeal against the Authority's decision if the application was refused on the grounds that:

- the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
- that the grant or renewal of the licence would be inappropriate, having regard to the character of the relevant locality; or to the use to which any premises in the vicinity are put; or to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made, considering the character of the area, the nature of other premises in the area, or the premises themselves.

The Magistrates' court will determine the appeal application. Applicants who do not agree with the decision made by the magistrates' court, can appeal to the local Crown court. The decision made by the Crown court will be final. The Authority must comply with a decision made by the Magistrates or Crown court.

13. Compliance Monitoring and enforcement

The Authority will adopt an intelligence led and risk based approach to its a monitoring and inspection regime. In general this will involve carrying out inspections of premises no more than once a year unless exceptional circumstances require otherwise.

It is further recognised that Sexual Entertainment Venues are also regulated by other legislation due to the nature of those operations, and therefore may require more frequent inspection. However, it is anticipated that, wherever possible, consolidated enforcement inspections will be undertaken.

The Authority's approach to enforcement is set out in enforcement policies which are available on request.

Breach of conditions or legislative requirements may result in formal action being taken by the Authority which can include revocation of, or a decision not to renew, a licence. The Authority may also prosecute in respect of serious offences.

14. Exchange of Information

Statement of Licensing Policy for Sex Establishments

The Authority may from time to time exercise its' powers under section 115 of the Crime and Disorder Act 1998 to exchange data and information with the police and other partners to fulfil its' statutory objective of reducing crime in the area.

15. Policy Evaluation and review

The policy will be regularly reviewed and monitored by the Authority's officers to ensure that it reflects current legislation, is effective, up to date and achieving a responsible regulatory framework for Norwich.

This will be achieved by monitoring the outcome of hearings, appeals through the Magistrates courts, developments in legislation, by having regard to stated cases, local needs and economic impacts.

This Policy will be reviewed on a 5-yearly basis. Any proposed amendments to the Policy will be fully consulted upon, prior to re-adoption by the Authority.

Sexual Entertainment Venue

“2A (1) In this Schedule “sexual entertainment venue” means any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.

(2) In this paragraph “relevant entertainment” means—

- (a) any live performance; or
- (b) any live display of nudity;

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

(3) The following are not sexual entertainment venues for the purposes of this Schedule—

(a) sex cinemas and sex shops;

(b) premises at which the provision of relevant entertainment as mentioned in sub-paragraph (1) is such that, at the time in question and including any relevant entertainment which is being so provided at that time—

“premises” includes any vessel, vehicle or stall but does not include any private dwelling to which the public is not admitted; and for the purposes of sub-paragraphs (1) and (2) it does not matter whether the financial gain arises directly or indirectly from the performance or display of nudity.”

Significant Degree & Sex Articles

Licences for sex shops are required where 18R rated films are being sold, or where there is a “significant degree” of “sex articles”. It should be noted that in respect of Mail Order premises the Video Recordings Act 1984 states at section 7 (b) & (c) that no video recording that may only be viewed by persons aged 18 or over is to be supplied other than in a licensed sex shop. Case law precludes the sale of 18R rated films by Mail Order premises which holds a Sex Shop licence because the supply of the film to a person aged 18 or over cannot be confirmed; such supply would fail to ensure that the age controls are properly enforced.

The phrase “sex articles” is defined in the Act, but the phrase “a significant degree” is not. When considering whether or not a business is selling a significant degree of sex articles and needs a licence, the Authority will consider:

- (1) the ratio of sex articles to other aspects of the business
- (2) the absolute quantity of sales
- (3) the character of the remainder of the business
- (4) the nature of the displays in the business
- (5) turnover
- (6) other factors which appear to be materially relevant.

Relevant entertainment

Licences for sexual entertainment venues are required for “any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer”.

“Relevant entertainment” is defined in schedule 3 of the Act (as amended by section 27 of the Policing and Crime Act 2009) as “any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means).” An audience can consist of just one person, e.g. in a private booth.

Nudity

Section 27 of The Policing and Crime Act 2009 defines the “display of nudity” as:-

- (a) in the case of a woman, exposure of her nipples, pubic area, genitals or anus; and
- (b) in the case of a man, exposure of his pubic area, genitals or anus.

Form of Notice – Indecent Displays (Control) Act 1981 section 1(4)(e):

The Authority’s Standard Conditions require that a warning notice be displayed in accordance with the above legislation. The legislation states:

- (a) The warning notice must contain the following words, and no others-

“WARNING

Persons passing beyond this notice will find material on display which they may consider indecent. No admittance to persons under 18 years of age.”

- (b) The word “WARNING” must appear as a heading.
- (c) No pictures or other matter shall appear on the notice.
- (d) The notice must be so situated that no one could reasonably gain access to the shop or part of the shop in question without being aware of the notice and it must be easily legible by any person gaining such access.

Cambridge City Council (October 2016) – see section 9 - <https://www.cambridge.gov.uk/sex-establishments>

Summary – No appropriate numbers set

9. Location of Licensed Premises

9.1 We have not imposed a limit on the number of premises that may be licensed in any area of the City, however, whilst deciding each application upon its own merits we will not normally licence premises that are in close proximity to:

- 9.1.1 a residential area
- 9.1.2 a school, nursery or any other premises substantially used by or for children under 16 years of age;
- 9.1.3 a park or other recreational areas used by or for children under 16 years of age;
- 9.1.4 a church or other place of religious worship;

9.2 In addition, we will consider public safety issues when determining whether an area is appropriate; for example, areas that attract a high percentage of female, elderly or young users may be considered to be inappropriate. Where we receive an application, which we consider to be within close proximity to those areas or premises identified in paragraph 9.1, the application will not be automatically refused. Applications presenting genuinely exceptional circumstances may be granted.

9.3 Applications in respect of premises must state the full address of the premises. Applications in respect of a vehicle, vessel or stall must state where it is to be used as a sex establishment.

9.4 We would normally expect that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned.

1. INTRODUCTION AND DEFINITIONS

This document sets out Nottingham City Council's Policy regarding the licensing and regulation of Sex Establishments. Applications for such premises can raise significant concerns within the community and locality where the premises are, or are intended to be, located.

The Council aims to strengthen community cohesion and civic pride in every neighbourhood whilst seeking to lower crime and fear of crime and reducing anti-social behaviour. This Policy is intended to guide the Council in balancing the sometimes conflicting needs and interests of businesses, patrons, employees, residents and communities when considering applications for Sex Establishment licences and informs applicants and objectors of the parameters under which the Council will make licence decisions.

Whilst the Council has not set a maximum number of establishments for the City, it will consider new applications and locations robustly before granting any further licences.

Each application will be considered on its merits however it should be noted that application fees are non-returnable.

In relation to Sexual Entertainment Venues, further permissions may be required under separate legislation to enable the provision of other licensable activities for which the relevant fees and charges will be levied.

In such cases, there should be no presumption assumed from the result of one application against that of a related application.

Leeds City Council (September 2013) – see survey at paras. 2.7-2.15 and paras. 7.7-7.19 - <https://www.leeds.gov.uk/business/licensing/other-licences/sex-establishment-licence/>

Summary – Extensive public survey undertaken.

No appropriate numbers set for sex shops or cinemas.

Appropriate no. of 4 set for sexual ent. venues in the city centre

Appropriate no. of 0 set for sexual ent. venues outside the city centre

The appropriate number of 4 SEV's in the city centre was recommended by a working party of officers and cllrs and took into consideration the results of the public survey.

At the time of adopting the policy which included appropriate numbers, there were 6 licensed SEV's. When these applied to renew their licenses only 3 were granted.

The decisions not to renew 3 of the licenses were based upon locality

rather than any exceedance of the appropriate no.
It was a 3 further years before an application was made to fill the fourth city centre space.

Appropriate numbers and localities

7.7 The council may refuse a licence on the grounds that the number of licences of that type is equal to or exceeds the number which the authority consider is appropriate for that locality. The council has considered each and every part of the city of Leeds in order to identify whether there are any localities in which the licensing of sex establishments is appropriate.

7.8 In deciding when and if so what policy to adopt in relation to this discretionary ground, the council has taken into account the matters set out in sections 2 to 6 of this policy. It has been influenced by the following considerations.

7.9 The Council has taken account of its own corporate strategies and priorities as represented by its Vision for Leeds 2011 to 2030, Leeds Unitary Development Plan, Violence Against Women Strategy and Child Friendly. The council believes that, in taking these strategies into consideration, SEVs are not in accordance with a culturally rich and diverse city. In particular SEVs tend not to be inclusive facilities, appeal only to a narrow sector of the community and are unlikely to enhance the cultural and child friendly reputation of the city.

7.10 The council has had due regard to the need to advance equality of opportunity between men and women. It considers that the presence of SEVs in any locality of Leeds will not advance equality of opportunity of women workers or residents. It recognizes that a nil per locality policy may reduce the employment opportunities for dancers. However is also recognises that those working in SEVs are often peripatetic and self-employed and will retain the opportunity to find employment as performers in other venues in Yorkshire or in other roles in the entertainment industry. The council believes that, on clear balance, in gender equality terms, its policy is both supportable and correct.

7.11 The consultation with the Citizen's Panel revealed that a majority of residents in Leeds consider that SEVs are inappropriate in the vicinity to premises with particular sensitive uses. The following uses all scored highly:

- Schools and other areas of education
- Play areas/parks
- Youth facilities
- Residential areas
- Women's refuge facilities
- Family leisure facilities such as cinemas, theatres and concert halls
- Places of worship
- Places used for celebration or commemoration
- Cultural leisure facilities such as libraries, museums

- Retail shopping areas
- Historic buildings

7.12 The council agrees that these uses are sensitive and that SEVs are generally not appropriate near them.

7.13 The consultation with the Citizen's Panel indicated that in particular rural, residential and deprived areas were particularly unacceptable as localities for SEVs to be located in. When considering each of the council wards the council has considered if it could be considered a rural, residential or a deprived area. Even areas outside of the city that would be considered a built up area are also largely residential. The council has considered each and every ward and has determined all areas outside of the city centre to be unacceptable localities for SEVs to be located due to their proximity to rural, residential or deprived areas.

7.14 The same results indicated that 32% agreed and 50% disagreed that the city centre would not be an acceptable locality to locate a lap dancing club in. In addition 42% of respondents agreed and 36% of respondents disagreed that it would not be acceptable to locate a SEV in busy late night economy area. 39% of respondents agreed and 41% of respondents disagreed that it would not be acceptable to locate a SEV in a built up area such as a town centre.

7.15 The Citizens Panel also looked at areas within the city centre that would not be acceptable to locate a SEV. 10 of the 11 areas designated in the survey received a response that indicated that it is more unacceptable than acceptable to locate a SEV on or near to them. The only area in the city centre that was inconclusive was the Call Lane, The Calls, Assembly Street area. This area is designated as a violent crime hotspot by West Yorkshire Police and is included in the council cumulative impact policy under the Licensing Act 2003.

7.16 Therefore, it is the council's policy that there is no locality outside of the city centre in which it would be appropriate to license a sexual entertainment venue. Accordingly the appropriate number of SEVs for outside of the city centre is nil.

7.17 Taking into consideration all the matters mentioned in this section the appropriate number of SEVs in the city centre is a maximum of four providing those premises are not near properties with sensitive uses or in sensitive locations.

7.18 The extent of the city centre is indicated on the following map:

(Map not reproduced)

7.19 The council has not determined a limit on numbers or locality in relation to sex shops or sex cinemas. These applications will be dealt with on a case

by case basis but applicants can be guided by the criteria mentioned at 7.4 to 7.6.

Bristol City Council (January 2012) – See Section 8 and Appendix A re numbers restrictions and localities -

<https://www.bristol.gov.uk/documents/20182/35132/19.01.12+SEV+Policy+Amended+for+web+v1.2EL.pdf/b9420b51-7a33-4451-9982-1649fc5e11b1>

Summary – Policy is contradictory in that section 8 states that it will not predetermine localities or appropriate numbers, and will consider each on a case by case basis, whereas Appendix A does set out specified localities and max. nos. of the various types of venue

8. Grounds for refusal

Discretionary ground (c)

The Council is mindful of its power to determine an appropriate maximum number of sex establishments, or of sexual entertainment venues, in the relevant locality at the time of application is determined. The Council will adopt the same approach to this issue when determining applications for sexual entertainment venues as it has taken with respect to applications for sex shop licences. It will not seek to predetermine the localities that are comprised within the City of Bristol or predetermine the appropriate number for each such locality, but will consider this issue on a case by case basis. That is to say, it will decide what is the relevant locality as a matter of fact in each particular application and not by drawing boundaries on a map or some other method.

Having established the relevant locality, in considering the issue in ground 'c' the Council will take into account all relevant considerations including:-

The character of the locality:

- residential
- leisure
- educational establishments

Other uses in the locality:

- faith / religious institutions
- churches
- family friendly facilities

Impact on regeneration

Impact on tourism, including considerations of the perception of the City at gateway locations

Impact on retail attraction

Risk of public nuisance

Whether the locality is subject of stress caused by a cumulative impact of premises authorised to provide licensable activities under the Licensing Act 2003;

Impact on crime and disorder

Public perception of the safety of the locality and impact on that perception, e.g. typical footfall at material times, level of street lighting, use by lone females

Existence of social problems in the locality and impact on any initiatives to tackle them, e.g. kerb crawling, prostitution.

Levels of recorded crime

Levels of anti social behaviour

Appendix A shall be maintained within this policy to record all decisions made to control the number of sex establishments under this provision.

POLICY 7: THE NUMBER OF SEX ESTABLISHMENTS

1. The Council's Policy is that there is no locality within Exeter in which it would be appropriate to licence an SEV or a sex cinema. Accordingly, the appropriate number of these categories of sex establishments for each and every locality within Exeter is nil.

2. The Council's Policy is that there are currently two localities in which it is appropriate to licence a sex shop and these are the localities surrounding the existing licensed premises in Fore Street and Sidwell Street. Accordingly, the appropriate number of sex shops for each of these localities is one.
